Make Him Yours - Mark Rosenfeld 2019-12-12

How much more time will you

waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship

coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours; Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material' The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex) The 3-Step process to set standards that makes a man respect and WANT to comply The Top 10 Places to meet men offline, and the simple OPEN mindset that gets hot guys talking to you anywhere, anytime (if that's what you want) The 7 Modern Dating Habits you can use in 2020 to swing the dating pendulum in your favour
Ask a Manager - Alison Green
2018-05-01

I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss

seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life. *Maybe He Just Likes You* - Barbara Dee 2020-09-15 2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys

giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.

The Secret Lives of Introverts - Jenn Granneman 2017-08-01

An introvert guide and manifesto for all the quiet ones—and the people who love them. Is there a hidden part of you that no one else sees? Do you have a vivid inner world of thoughts and emotions that your peers and loved ones can’t seem to access? Have you ever been told you’re too “quiet,” “shy,” “boring,” or “awkward”? Are your habits and comfort zones questioned by a society that doesn’t seem to get the real you? If so, you might be an introvert. On behalf of those who have long been

misunderstood, rejected, or ignored, fellow introvert Jenn Granneman writes a compassionate vindication—exploring, discovering, and celebrating the secret inner world of introverts that, only until recently, has begun to peek out and emerge into the larger social narrative. Drawing from scientific research, in-depth interviews with experts and other introverts, and her personal story, Granneman reveals the clockwork behind the introvert’s mind—and why so many people get it wrong initially. Whether you are a bona fide introvert, an extrovert anxious to learn how we tick, or a curious ambivert, these revelations will answer the questions you’ve always had: What’s going on when introverts go quiet? What do introvert lovers need to flourish in a relationship? How can introverts find their own brand of fulfillment in the workplace? Do introverts really have a lot to say—and how do we draw it out?
