Letters to Josep Daniella Levy 2019-01-15 It began as an extraordinary correspondence across the Mediterranean. Josep, a secular Catholic from Barcelona, wanted to learn about Daniella's life as an American-Israeli Orthodox Jew. Her enthusiastic response to his curiosity resulted in this collection of entertaining and enlightening letters. With nuance, candor, and warmth--and a liberal dash of humor--Daniella paints a vivid picture of observant Jewish life. She explains complex concepts in a manner so unassuming and accessible that even the most uninitiated can relate--but with enough depth that the knowledgeable will find new insight, too. Whether you're a curious non-Jew or a Jew hoping to expand your knowledge, Letters to Josep will charm, inform, and inspire you.

Godly Man's Picture Thomas Watson 2015-11-29 The Godly Man's Picture, Drawn with a Scripture Pencil, or, Some Characteristic Marks of a Man who is Going to Heaven. The soul being so precious, and salvation so glorious--it is the highest point of prudence to make preparations for the eternal world. It is beyond all dispute, that there is an inheritance in light; and it is most strenuously asserted in Holy Scripture that there must be a fitness and suitability for it (Col. 1:12). If anyone asks, ""Who shall ascend into the hill of the Lord?"" the answer is, ""He who has clean hands, and a pure heart"" (Psalm 24:4). To describe such a person is the work of this ensuing treatise. Here you have the godly man's portrait, and see him portrayed in his full lineaments

Jesus Outside the Lines Scott Sauls 2015-03-01 Whether the issue of the day on Twitter, Facebook, or cable news is our sexuality, political divides, or the perceived conflict between faith and science, today's media pushes each one of us into a frustrating clash between two opposing sides. Polarizing, us-against-them discussions divide us and distract us from thinking clearly and communicating lovingly with others. Scott Sauls, like many of us, is weary of the bickering and is seeking a way of truth and beauty through the conflicts. Jesus Outside the Lines presents Jesus as this way. Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray. Jesus offers us a way forward--away from harshness, caricatures, and stereotypes. In Jesus Outside the Lines, you will experience a fresh perspective of Jesus, who will not (and should

not) fit into the sides.

The Theology of Food Angel F. Méndez-Montoya 2012-04-23 The links between religion and food have been known for centuries, and yet we rarely examine or understand the nature of the relationship between food and spirituality, or food and sin. Drawing on literature, politics, and philosophy as well as theology, this book unlocks the role food has played within religious tradition. A fascinating book tracing the centuries-old links between theology and food, showing religion in a new and intriguing light Draws on examples from different religions: the significance of the apple in the Christian Bible and the eating of bread as the body of Christ; the eating and fasting around Ramadan for Muslims; and how the dietary laws of Judaism are designed to create an awareness of living in the time and space of the Torah Explores ideas from the fields of literature, politics, and philosophy, as well as theology Takes seriously the idea that food matters, and that the many aspects of eating - table fellowship, culinary traditions, the aesthetic, ethical and political dimensions of food - are important and complex, and throw light on both religion and our relationship to food

Not Yet Married Marshall Segal 2017-06-20 Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

God's Chosen Fast Arthur Wallis 2011 Arthur Wallis offers this balanced study on fasting, and seeks to give to the subject the weight that Scripture gives it while also avoiding exaggeration and over-emphasis. A Hunger for God John Piper 2013-04-23 There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Desperate for More of God: The Heart Cry of Every Believer Shane a. Idleman 2014-01 One of the difficult challenges associated with pastoring is witnessing the tragic results of people dying spiritually with living water just steps away: "Whoever drinks the water I give him will never thirst" (John 4:14). Although most can quote, "Blessed are those who hunger and thirst for righteousness for they shall be filled," many have never truly experienced it-very few are truly hungry and thirsty for God. This book is a compilation of past articles, sections from other books I've written, and sermons preached at Westside Christian Fellowship-the best-of-the-best. We pray that this collection of targeted topics fuels an intense desire for more of God. Though the road ahead may be uncertain at times, the solid ground beneath will never shift. It's all about Who you know. Desperate for More should be the heart cry of every believer. "Bold, Outspoken, and Prophetic, this book is sure to awaken, convict, and challenge..." -Alex Montoya; Associate Professor of Pastoral Ministries, The Master's Seminary in Sun Valley, California

Searching the Scriptures Charles R. Swindoll 2016-09-13 2017 ECPA Christian Book Award Finalist (Christian Living category) Are you getting the spiritual nourishment you need? Optimal health requires optimal nutrition. The same is true spiritually speaking. Without sufficient and regular biblical nutrition, our inner lives begin to suffer the consequences. We become shallow and selfish, more demanding and less gentle, and quick to react impatiently, rashly, and angrily. These are telltale signs of inner malnutrition. In Searching the Scriptures, respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives. He outlines the principles of Bible study that will help you understand God's Word, apply it, and communicate it clearly to those around you. Too many people try to go it alone, without a guide, for this life and the next. Chuck explains how we can fix our own spiritual meals, then invites us to feast on nourishing truths we can discover in God's Word.

The teachings of Jesus today Paul De Marco 2018-08-13 This book brings all the teachings and parables of Jesus to life and shows how relevant they are today. It also covers the miracles that he worked such as the raising of Lazarus from the dead - a startling feat which astounded the crowds and which forced the religious leaders to act. The teachings of Jesus on forty subjects are explored, which range from his claim to be the Christ to how we should handle life's worries, from the importance of covenant to how we can show Christian love, and from marriage to the incredible joys that await us in heaven. The book will appeal to Christians who would like to know more about Jesus and his teachings, but it will also be of interest to people of other faiths who would like an insight into this humble carpenter and prophet, who claimed to be the Son of God. The teachings of Jesus aren't just a fascinating read, but they're also a roadmap that marks out the path to heaven for us.

Living in Love and Faith: The Course 2020-11-09 Living in Love and Faith: The Course aims to help Christians think more deeply about what it means to be human. It provides a structured and accessible way for local groups to engage in and reflect on Living in Love and Faith, a major exploration of Christian teaching and learning about identity, sexuality, relationships and marriage. The five sessions of the course each address a key question: • What does it mean to learn together as followers of Jesus Christ? • How does our identity in Christ relate to sex and gender? • What kinds of relationships does God call us to? • Where do our bodies and sex fit in to all of this? • How do diversity and difference affect our life together as a church? Each session includes an opening reflection about learning together, followed by teaching, time for discussion and Bible study. The sessions end with an invitation to reflect on our learning, bringing it to God in prayer. As well as providing notes for those leading groups, the course also signposts the relevant sections of the Living in Love and Faith book as well as recommending films, podcasts and other digital resources available.

Missional Spirituality Roger Helland 2012-01-20 If all of the earth is God's domain, why are Christians so terribly provincial? We rarely leave our church buildings, and our spirituality rarely takes us beyond ourselves. Veteran church leaders Roger Helland and Leonard Hjalmarson observe that Jesus begins his mission in the temple, where he wows the religious elite and chides his parents by saying, "Didn't you know I had to be in my Father's house?" But Jesus doesn't stay in the temple; indeed, in Christ the temple of the Lord is on the move--even to the ends of the earth. In this book the authors helpfully reconnect spirituality and mission, showing you how the spiritual life, when lived properly, follows a similar progression: we "come home" to Christ, loving him from our heart and soul and mind and strength. And then we set forth to love our neighbors as ourself. Discover how through this process you can reclaim the whole of God's kingdom for his glory and the fulfillment of your heart's longing.

(A) *Typical Woman* Abigail Dodds 2019-01-17 A Woman Through and Through In a culture that can belittle womanhood on the one hand—making it irrelevant—and glorify it on the other—making it everything—it's hard to know what it really means to be a woman. But when we understand womanhood through the lens of Scripture, we see that we need a bigger category for what God has called "woman." This book breathes fresh air into our womanhood, reminding us what life in Christ—as a woman—looks like. When we see that we are women in all we do, we can be at peace with how God has created us, recognizing womanhood as an essential part of Christ's mission and work.

Extravagant Grace Barbara R. Duguid 2013 Why do Christians even mature Christians still sin so often? Why doesn't God set us free? We seem to notice more sin in our lives all the time, and we wonder if our progress is a constant disappointment to God. Where is the joy and peace we read about in the Bible? Speaking from her own struggles, Barbara Duguid turns to the writings of John Newton to teach us a theology with a purpose for our failure and guilt one that adjusts our expectations of ourselves. Her empathetic, honest approach lifts our focus from our own performance back to the God who is bigger than our failures and who uses them. Rediscover how God's extravagant grace makes the gospel once again feel like the good news it truly is

Treasuring God in Our Traditions Noël Piper 2007-09-07 God is the treasure of our lives. He is part of everything we do, think, act, and say—literally, he is a part of us. This precious heirloom of Christ himself must be passed on to future generations. But how? *Treasuring God in Our Traditions* presents the importance of passing along Christ-centered traditions and a Bible-saturated legacy in Christ to future generations. Noël Piper helps her readers recognize how the "everyday" routines of life and the "especially" celebrations of holidays and dates can be practically passed down to future generations. When parents and grandparents seek to pass along the treasure of God to their children and grandchildren, they will develop and deepen their love for him. When family traditions are rooted in the Bible, the next generations will see that the greatest treasure that anyone can have is the treasure of God.

A Spiritual Heritage Glen Schuknecht 2017-10-24 A guide for raising children to be Christ-following adults and parents With three adult children, eleven grandkids, and over forty-five years in Christian education, Glen and Ellen Schuknecht are asked a lot of parenting questions. But the most common question is always "How do I raise my kids to love God and love family—even after they've left my nest?" The truth is that all the rules in the world will do nothing if parents don't reach their kids' hearts. Through compelling, insightful stories from parents and grandparents who've been in the trenches, the Schuknechts demonstrate why that heart-level connection is so crucial in building long-lasting, connected relationships with a foundation of Christ. These stories are intertwined with ideas, tips, and biblical truths any parent can engage with, including a parent-coaching questionnaire to help readers build a more connected parenting style. The authors' fresh approach empowers parents to find their own vision for their families, tailor-made to their children and their circumstances. There's no magic formula here—just truth, grace, and hope instead of to-do lists. Glen and Ellen come alongside fellow parents and grandparents to help them find the ideas they crave, the hope they need, and the grace they must have to raise passionate and God-connected future generations.

The Crucified Life A.W. Tozer 2011-09-09 What Does it Mean to Be "Crucified With Christ?" During

Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life.

For the Love of God (Vol. 1, Trade Paperback) D. A. Carson 2006-07-10 In a world that views absolute truth, right and wrong, and salvation as being subject to individual interpretation, the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times. But it is not God's Word that has changed. Indeed, its relevancy and its power to transform lives are intact. What has changed is the number of people who consult it. Now more than ever the need to read the Bible, to understand the big picture of its storyline, and to grasp the relevance this has for your life is critical. As with its companion volume, *For the Love of God-Volume 2*, this devotional contains a systematic 365-day plan, based on the M'Cheyne Bible-reading schedule, that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once. In an effort to help preserve biblical thinking and living, D. A. Carson has also written thought-provoking comments and reflections regarding each day's scriptural passages. And, most uniquely, he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty-and the unity and power of his Word.

Pray Like a Gourmet David Brazzeal 2015-04-01 Imagine that prayer could be like savoring a fine French meal—a flow of engaging courses featuring creative recipes, infusing all your senses, and enticing a return for more. Is it possible? Yes! David Brazzeal stirs together a love of French dining

and his innovative prayer practices with a dash of international adventure to concoct an inspiring, reinvigorating prayer experience. Fun, yet profound, from confession to meditation, from observing to lamenting to praising, this book is full of practical ideas. Some can be used immediately; others take a lifetime to master. Some can be used with groups, while others work well throughout the day. Brazzeal (Now Paul, He was a Servant) has written a cookbook for prayer—literally. After a first section that likens learning to pray to learning to cook and also notes the importance of food in the Bible, the author, who lives in Paris, divides the book into sections. Instead of soups, salads, sides, main courses, and desserts, these sections cover different types of prayer, such as thanksgiving, confessing, and asking, complete with “recipes.” Thus “praising” prayers, which are likened to hors d’oeuvre, contain “recipes” that call for praying by writing down all the verbs in Psalm 147 or by creating a physical movement that opens you to God. Likewise, recipes for “blessing” prayers include visualizing a friend in a setting that represents well-being and joy. The book’s voice is exuberant and the cookbook idea clever and appealing. Rather than a tome to be read and forgotten, the volume is formatted as a resource to keep handy, maybe even among cookbooks. The book might benefit from less autobiography and even more recipes, but it’s still a delectable read, supplemented by tasty quotes from Christian sages. —Publishers Weekly “Pray like a gourmet—I love the metaphor. I know what it means to have been preoccupied by excellent food and wine. I have also learned to apply that strong desire to my personal relationship with Jesus Christ and to be nourished and sustained, even to the point of resilience. I shall keep this series of “tasteful disciplines” close at hand and consume them daily as I hunger and thirst after his righteousness.” —Graham Kerr, *The Galloping Gourmet* “Pray Like a Gourmet is the gentlest, most readable, kindest guide to prayer one could ever hope to explore. Reading through its storied pages, one goes from ‘I never thought of that before’ to ‘I could do that’ to ‘I want to do that’ and back again. This one is an adventure for the believing heart.” —Phyllis Tickle, compiler, *The Divine Hours* “If I were a beginning cook, I would want a guide who was experienced, flexible, enthusiastic, and sensitive to the questions and insecurities of an absolute beginner. And if I were a beginner in prayer, I would want David Brazzeal to be my teacher. Even as someone who has prayed for most of my life, I found *Pray Like a Gourmet* to be nourishing, delicious, and delightful.” —Brian D. McLaren, author and speaker (brianmclaren.net) “From the moment you read the Menu, - oops, my error! Let's start again. From the moment you read the Table of Contents, *Pray Like A Gourmet* becomes a banquet for the soul and for the spirit. Since when has prayer been such a mouth-watering, taste-bud awakening experience? Like food and wine, artisan bread and spring-fed water, prayer in its' multiple forms is to be savored as it feeds our inner beings. Prayer is the place of communion and of life-giving union with God. No room for deprivation here. Come and most heartily feast!” —Pierre LeBel, author and teacher, Member of the Canadian Leadership Team and the NA Cities Leadership Team for YWAM.

I Love Jesus, But I Want to Die Sarah J. Robinson 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.” —Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Living in Love and Faith The Church of England 2020-11-09 Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England - and of the worldwide Anglican Communion - are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGTBI+ people. Living in Love and Faith sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the Living in Love and Faith project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do

Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of *Living in Love and Faith*. The *Living in Love and Faith* book is accompanied by a range of free digital resources including films, podcasts and an online library, together with *Living in Love and Faith: The Course*, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.
