*The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18*

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • **BY QUEERS, FOR QUEERS:** This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience,

effort, and the support of our friends and communities. • **EXCITING DEBUT AUTHOR:** In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • **GORGEOUS ILLUSTRATION:** Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • **AMAZING GUEST EXPERTS:** Because one queer cannot possible hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalya Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. 2016-01-11

"This book had me swooning, laughing, and crying - a truly enjoyable read." -Brett Jonas, Goodreads Reviewer Emma has been best friends with Eli since she moved to his neighborhood ten years ago. Tired of being cast in the role of the girl next door, Emma creates a fake Facebook profile in the hopes of starting an online friendship with Eli, which would hopefully lead to more. Like...way more. From friend request to In a Relationship--it all seemed so completely logical when she'd planned it. Eli can't figure out what Emma is up to. He's pretty sure she's the one behind the Facebook profile, but then again, why would she do something so drastic instead of just admitting she wants to be more than friends? And who the heck is this new guy he saw her with? Eli starts to think that just maybe...he missed his chance with the girl next door. Two best friends, one outlandish ruse. Their status is about to become way more than It's Complicated... Disclaimer: This Entangled Teen Crush book contains one fake Facebook profile, two best friends who secretly crave each other, and a dreaded sex talk with parents...boy crush in the room included. Pushing a relationship beyond the friend zone has never been so crazy... Each book in the Girlfriend Request series is STANDALONE: \* The Girlfriend Request \* The Boyfriend Bid

**The Noble Art of Seducing Women - My Foolproof Guide to Pulling Any Woman You Want** - Kezia Noble 2012-02-23

Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

**The Man's Guide to Women** - John Gottman 2016-02-02

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or

the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two

chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
