**How to Fall in Love with Anyone** Mandy Len Catron 2018-02-01 In 2014, 33-year- old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone*

*Annabel Lee* Edgar Allan Poe 2014-09-02 After the death of the beautiful Annabel Lee, a young man contemplates their love story—the passionate love in their youth, and the love that continues even after her passing. Despite the fact that his first published works were books of poetry, during his lifetime Edgar Allan Poe was recognized more for his literary criticism and prose than his poetry. However, Poe's poetic works have since become as well-known as his famous stories, and reflect similar themes of mystery and the macabre. “Annabel Lee” was the last complete poem composed by Poe, and was most likely inspired by his wife, Virginia Eliza Clemm Poe. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Instead of platitudes and misinformation, it's time to offer them real protection.

**The Woman I Wanted to Be** Diane von Furstenberg 2014-10-28 One of the most influential, admired, and colorful women of our time: fashion designer and philanthropist Diane von Furstenberg tells the most personal stories from her life, about family, love, beauty and business: “It’s so good, you’ll want to take notes” (People). Diane von Furstenberg started with a suitcase full of jersey dresses and an idea of who she wanted to be—in her words, “the kind of woman who is independent and who doesn’t rely on a man to pay her bills.” She has since become that woman, establishing herself as a major force in the fashion industry, all the while raising a family, maintaining that “my children are my greatest creation.” In *The Woman I Wanted to Be*, “an intriguing page-turner filled with revelations” (More), von Furstenberg reflects on her extraordinary life—from her childhood in Brussels to her days as a young, jet-set princess, to creating the dress that came to symbolize independence and power for generations of women. With remarkable honesty and wisdom, von Furstenberg mines the rich territory of what it means to be a woman. She opens up about her family and career, overcoming cancer, building a global brand, and devoting herself to empowering other women. This “inspiring, compelling, deliciously detailed celebrity autobiography...is as much of a smashing success as the determined, savvy, well-intentioned woman who wrote it” (Chicago Tribune).

**Good Trouble** Joe Biel 2016-03-15 In 1996, everything about Joe Biel’s life seemed like a mistake. He was 18, he lived in Cleveland, he got drunk every day, and he had mystery health problems and weird social tics. All his friends’ lives were as bad or worse. To escape a nihilistic, apocalyptic worldview and to bring reading and documentation into a communal punk scene, he started assembling zines and bringing them in milk crates to underground punk shows. Eventually this became Microcosm Publishing. But Biel’s head for math was stronger than his ability to relate to people, and it wasn’t until he was diagnosed with Asperger’s Syndrome that it all began to fall into place. This is the story of how, over 20 years, one person turned a litany of continuing mistakes and seeming wrong turns into a happy, fulfilled life and a thriving publishing business that defies all odds.

**A Glorious Freedom** Lisa Congdon 2017-10-03 “The remarkable women celebrated in [this] vibrantly illustrated collection . . . offer stirring words of encouragement to any woman, of any age” (Booklist). The glory of growing older is the freedom to be more truly ourselves. With age we gain the confidence to pursue bold new endeavors and worry less about what other people think. In this richly illustrated volume, bestselling author and artist Lisa Congdon explores the power of women over the age of forty who are thriving and living life on their own terms. *A Glorious Freedom* includes profiles, interviews, and essays from women such as Vera Wang, Laura Ingalls Wilder, Julia Child, Cheryl Strayed, and many others who have found creative fulfillment and accomplished great things in the second half of their lives. Each section is lavishly illustrated and hand-lettered in Congdon’s signature style.

**Amores** Ovid 1968 Parallel latin & English texts.

**The Care & Keeping of You** Valorie Lee Schaefer 2013-02-26 For use in schools and libraries only. An updated edition of a best-selling reference for younger adolescents shares practical, expert advice on topics ranging from hair care and healthy eating to menstruation and acne.
