**Deconstructing Dirty
Dancing** - Stephen Lee Naish
2017-04-28

Renowned film critic Roger
Ebert said Dirty Dancing
"might have been a decent
movie if it had allowed itself to
be about anything." In this
broadly researched and
accessible text, Stephen Lee
Naish sets out to deconstruct
and unlock a film that has
haunted him for decades, and
argues that Dirty Dancing, the
1987 sleeper hit about a young
middle-class girl who falls for a
handsome working-class dance
instructor, is actually about
everything. The film is a union
of history, politics, sixties and
eighties culture, era-defining
music, class, gender, and race,
and of course features one of
the best love stories set to film.

Using scene-by-scene analyses,
personal interpretation, and
comparative study, it's time to
take Dirty Dancing out of the
corner and place it under the
microscope.

The Darcy Myth - Rachel
Feder 2023-11-07

What if we've been reading
Jane Austen and romantic
classics all wrong? A literary
scholar offers a funny, brainy,
eye-opening take on how our
contemporary love stories are
actually terrifying. Covering
cultural touchstones ranging
from Normal People to Taylor
Swift and from Lord Byron to
The Bachelor, *The Darcy Myth*
is a book for anyone who loves
thinking deeply about
literature and
culture—whether it's Jane
Austen or not. You already
know Mr. Darcy—at least you
think you do! The brooding,
rude, standoffish romantic hero
of *Pride and Prejudice*, Darcy
initially insults and ignores the
witty heroine, but eventually
succumbs to her charms. It's a
classic enemies-to-lovers plot,
and one that has profoundly
influenced our cultural ideas

about courtship. But what if this classic isn't just a grand romance, but a horror novel about how scary love and marriage can be for women? In *The Darcy Myth*, literature scholar Rachel Feder unpacks Austen's Gothic influences and how they've led us to a romantic ideal that's halfway to being a monster story. Why is our culture so obsessed with cruel, indifferent romantic heroes (and sometimes heroines)? How much of that is Darcy's fault? And, now that we know, what do we do about it?

The Time of My Life - Patrick Swayze 2009-10-01

In January 2008, movie star Patrick Swayze was given the worst news of his life. What he

hoped was just a stomach ache was actually stage four pancreatic cancer, a diagnosis that is fatal within a year for 79% of the people to whom it is given. Remarkably, Patrick is not just alive a year later but continuing his treatment, and responding well. But this book isn't just the story of Patrick's fight against cancer. In the public eye from the early 1980s, this is the story of a remarkable life and career. Intended as a low budget, straight-to-video production, *Dirty Dancing* became a cult hit and remains one of the most enduring films of the 80s. *Ghost* cemented Patrick as a hugely bankable star, in a role that has had a considerable cultural impact. Most recently Patrick has returned to the public's adoring arms in TV's *The Beast*. This book will chronicle Patrick's personal life as well -- including his treatment for alcoholism following the death of his father and sister's sudden death. What has remained a constant in Patrick's life is his marriage and Patrick and

Lisa's love story is inspiring, honest, heartfelt and transcends the typical celebrity marriage. This is a book that anyone who has faced cancer or a terminal illness can turn to: Lisa and Patrick have shown the world that cancer isn't just a diagnosis given to one individual, but a disease that can bring a household together or pull a family apart. Bold, honest and inspiring, Patrick Swayze's memoir is the story of a remarkable man's life and career and of his refusal to give in.

cover flocking and debossing with four-color tip, adorned with a colorful ribbon. Each week explores a new aspect of our romantic lives, from flirtation and fear of commitment to longing, seduction, and jealousy. And every daily entry examines that theme through a single artistic medium, be it a sonnet, novel, film, opera, TV show, or sculpture. These thought-provoking nuggets, both old and new, go from ancient times right up through Sex and the City. Botticelli's *The Birth of Venus* jubilantly celebrates "Love and Beauty." "May December Romance" looks at real-life couple Bogie and Bacall, while "From Friendship to Love" presents on-screen pair Holly Golightly (Audrey Hepburn) & Paul Varjack (George Peppard) in *Breakfast at Tiffany's*. With keen insight or subtle implication, Wilentz interprets the wisdom or lesson readers can glean from each selection.

Worth Fighting For - Lisa Niemi Swayze 2012-01-05
Lisa Niemi and Patrick Swayze first met as teenagers at his mother's dance studio. He was older and just a bit cocky; she was the gorgeous waif who refused to worship the ground he walked on. It didn't take long for them to fall in love. Their thirty-four year marriage -- which they explored together in *The Time of My Life* -- was a uniquely passionate partnership. Now, for the first time, Lisa will share what it was like to care for her husband as he battled Stage IV pancreatic cancer, and will describe his last days when she simply tried to keep him comfortable. She writes searingly about her grief in the aftermath of Patrick's death, and candidly discusses the challenges that the past fourteen months without him have posed. But while this is an

emotionally honest and unflinching depiction of illness, death, and loss, it is also a hopeful and life-affirming exploration of the power of the human spirit. Lisa shows that no matter how dark the prospect of another day may seem, there are always reserves of strength to call upon, and the love shared between two people will never truly die.

How to Deal with 21st Century American Women - Frosty Wooldridge 2013-10-20

How to Deal with 21st Century American Women teaches men from all walks of life how to understand and adapt to the evolving male-female paradigm shift occurring at every level of American society. Today, women run companies, become school principals, military generals, police chiefs, corporation CEOs and dozens of other power positions where they make more money and give orders to male employees. Its no longer exclusively a

mans world. Women compete for the highest job slots at colleges, governorships of states, Ph.D. programs and athletic money in professional sports. Where men once drove the car for dates, women demand equality in the work, family and social realm. Men need to slide over and share the driving with women. This enormous emotional, social and sexual shift in the Western world creates a new male-female relationship dynamic. This shift proves the first of its kind in human history. The new dynamic also creates incredible confusion, frustration and exasperation. Along the way, women want men to be men. They want a good man to marry and raise a family. But early in the 21st century, half of all marriages end in divorce. Male domestic violence continues at distressing levels. Weekend fathers explode on the emotional landscape. Children suffer the loss of structure, a balanced family unit and a sense of belonging. This book enlightens, educates and encourages men to

maintain their masculinity while adapting and thriving in the new male-female paradigm of the 21st century. The book presents straight-forward ideas to men on how to deal with a 21st century American woman. This book shows men how to successfully marry the right woman for long-term success. It shows which women to avoid. The book creates new understandings to move men forward in relationships in the 21st century.
