Joining the Cloverleah pack after he heard they were having trouble with another wolf shifter, Matthew is overjoyed to find his mate is the cute little Omega of the small pack. [When No Doesn't Cut It](#) - Lisa Oliver 2014-05-12

Scott Peterson, beta wolf in the Cloverleah Pack, had a good life. He loved his cars, riding his Harley, and going out with pack members and friends. But when an attack on his pack by a bear shifter, brings his mate into his world, from Texas of all places, Scott realizes he could lose everything he ever held dear. Damien, Alpha wolf of the San Antonio Pack, didn't want to go to Cloverleah and definitely didn't want to be chasing a rogue bear shifter that was threatening the Alpha of the Cloverleah Pack. But he was in for a pleasant surprise when he finds his mate. Now, if he could just find the time to enjoy him. Between murderous bears, deceptive wolves, two packs and a BDSM club, the road to HEA is anything but smooth for Scott and Damien. And then there's a fire, and an Alpha Challenge, and let's not forget Diablo and Griff's wedding. About the only thing Scott and Damien haven't got is time to be together, and it is that lack of time that could pull them apart.

[Don't Tempt Fate](#) - Lisa Oliver 2017-11-22

Don't Tempt Fate Book 11 of the Cloverleah Pack series. Pack enforcer, Marius Reef has a lot on his mind. Life in Cloverleah has been quiet for months; giving him too much time to think. He still suffers nightmares from his father's abuse decades ago and now his brothers are mated, he is struggling to find and keep his place in the pack. Determined to be useful, his waking hours are spent patrolling the pack's territory but at night his dreams are haunted by a hunky blond, so perfect he couldn't exist in real life. As the Battle Lord for his people, Cathair is used to being sent from the elven realm to dispel injustices found on many realms including earth. Guided by the Seers, he's never questioned his assignments before. But when his father, the High Elder insists he must take a message to a tiny pack in the middle of nowhere, and actually stay with them, he puts up a token protest. His place was on the elven realm, wasn't it? Prophecies and kidnappings, the evil that stalks Cloverleah is getting closer and all will be affected. Plagued with troubles and misunderstandings on both realms, Marius and Cathair must forge a bond or the whole pack could be lost. But when trouble comes from one of their own, the two men reach a crossroads. Will they choose the right path or will the fate of the Cloverleah pack be doomed? This is an M/M story that includes some violence, references to past abuse and a scene of attempted rape (not between MCs). Like all of my books, it has an HEA, no cheating and no cliffhanger. However, the epilogue sets the

scene for the next book in the series. This book is part of a series and while this story is based on one couple and is complete in itself; to appreciate the over-arching story line and the stories behind the secondary characters, reading the previous books in order is advised.

[Home is Where the Heart Is](#) - Lisa Oliver 2020-02-26

Home is Where the Heart Is... The final book in the Cloverleah Pack series. All Cloverleah Pack Enforcer Wesley (Wes) wanted the night he went out, was to have a few drinks, maybe find some company, and try and forget his worries and insecurities for few hours. The drinks flowed and he found the company; a gorgeous man with a mysterious scent, who seemed to completely understand the anger, shame, and jealousy Wes was hiding from his pack mates. Unfortunately, Wesley didn't understand how badly he'd been conned until he woke up the next morning alone in a cave. Fast forward months later and Wes discovered the wards that had held him captive from day one had suddenly disappeared. Not one to dither when a chance to escape presented itself, Wesley set off, sometimes on two feet and sometimes on four... looking for a way out of a barren realm that held nothing but red sand and black rocks. Cass enjoyed being a demon from a large family. The Underworld was good to him; he had a job, a house, and he didn't lack for company. Unfortunately, his carefree attitude tended to get him into trouble at times and when his brother Myka insisted on him paying back a "favor" he'd incurred through a badly placed bet, Cass had no choice but to agree. It sounded simple enough. Meet with the snobby and reclusive members of the Cloverleah Pack, find out about a missing wolf, and then search for that wolf in the Underworld. Cass figured he could be home in time for his mama's Sunday dinner. Finding Wes wasn't the problem, but Wesley had stumbled onto a situation of his own he couldn't leave. What was worse, was when Cass was forced to tell Wesley about why no one from his pack had been looking for him before, Wes knew he had no way of ever going back to the life he had. The fact that Cass and Wesley were fated mates was hard to celebrate as Wes tried to cope with the loss of his pack status and the implications of his current situation. Meanwhile, the men from Cloverleah were coming to terms with some home truths of their own. The thought of having to see Wesley again, and actually apologize for thinking he'd sunk so low as to try and destroy a mating, was too hard for some pack members to face. This in turn causes issues between those who struggled and those who believed in the bonds of a pack. Serious soul searching was needed if the men were ever going to understand that the only powers worth trusting were unconditional love and acceptance. This book is not a standalone. It is the fifteenth and final book in the series (Thirteen full novels and two compilations of short stories). It is recommended that you have read at least the last three books before reading this one. The Cloverleah Pack Series Book 1 - The Reluctant Wolf - Kane and Shawn Book 2 - The Runaway Cat - Griff and Diablo Book 3 - When No Doesn't Cut It - Damien and Scott Book 3.5 - Never Go Back - Scott and Damien's Trip and a free story about Malacai and Elijah Book 4 - Calming the Enforcer - Troy and Anton Book 5 - Getting Close to the Omega - Dean and Matthew Book 6 - Fae for All - Jax, Aelfric and Fafnir (M/M/M) Book 7 - Watching Out for Fangs - Josh and Vadim Book 8 - Tangling with Bears - Tobias, Luke and Kurt (M/M/M) Book 9 - Angel in Black Leather - Adair and Vassago Book 9.5 - Scenes from Cloverleah - four short stories featuring the men we've come to love Book 10 - On the Brink - Teilo, Raff and Nereus (M/M/M) Book 11 - Don't Tempt Fate - Marius and Cathair Book 12 - My Treasure to Keep - Thomas and Ivan

[The Runaway Cat](#) - Lisa Oliver 2014-03-07

The sexy cat shifter was deep undercover for the FBI and although his case was coming to an end, he had hopes for his career that didn't involve finding a mate. However after

Angel in Black Leather Pants - Lisa Oliver 2016-10-30

Cloverleah Pack Series, Book 9 Adair was tired of waiting. He knew he had a mate, although they'd never met, and his waiting wasn't made any easier watching Tobias snuggling close with his two mates. He'd thought a lot of the smaller wolf at one time. All he had was the company of his two brothers, and endless patrols trying to keep the Cloverleah pack lands safe. A trip to Claude's with his brothers one night has some unexpected, but pleasant consequences, and after an initial misunderstanding, Adair is suddenly thrust into the world of magic, and the demands of a relationship. Vassago's never had a chance to be proud of who he was. As the second son of the king of the djinn, and being a lot smaller than his father or brother, Vassago spent a lot of time on the human realm, avoiding his family and those who had nothing better to do than bully him. After spending a horrible nine months trapped in Jake Poindexter's body, he knew he had to find his potestatem before he could claim his mate. Unfortunately, that was easier said than done. When help is offered, he's hesitant to take it, but the lure of finally being in his mate's arms was too strong to ignore. The troubles hitting Cloverleah are falling thick and fast. Insane plans of wiping out all paranormal life isn't confined to a few errant humans. It'll take the steadfast nature of a wolf shifter, who still has a habit of saying the wrong thing, and the magic of a djinn who's struggling to believe in himself, before these two will find their HEA. Warning: Contains M/M adult content. If this isn't your preference, please don't buy. All of the books in the Cloverleah Pack series can be read as standalone. However, to fully appreciate the relationships between secondary characters, it might be wise to read the series in order.

Tangling with Bears - Lisa Oliver 2016-04-23

Tobias tells himself he's having fun. He has a great life as a beta in the Cloverleah Pack, and while danger still threatens the pack, he has his friend's wedding to look forward to, and the pleasures that come from hookups in random places. He'd like to meet his mate, just so he's not the odd one out in the inner circle, but it's not something he's expecting anytime soon. So when a hookup just before the wedding leaves Tobias with a permanent scar, he wonders where the heck his life went wrong. Especially when the man responsible for the wicked set of tooth marks, disappeared after the deed was done, to ring a man called Kurt. Kurt and Luke have been mated for three years. As bear shifters, Kurt has known from puberty that he will have two mates and once he'd claimed Luke, his mama warned him to be on the look out for a human female. So when Luke rings him and lets him know he might have accidentally on purpose bitten a wolf shifter, from some town they'd never heard of, Kurt heads to Cloverleah to sort out the mess. Sorting out their mating is just one of the things the three men have to contend with. A magic user has stepped up his game and no where on packlands seems safe. When Tobias gets taken, Kurt and Luke are helpless to do anything about it. It's going to take the power of the pack before life will be safe again, for any of them. Warning: Contains scenes of M/M and M/M/M sex. It also contains a special kind of bear, his grumpy mate, and a wolf that just wants to be

loved. HEA and no cheating guaranteed. While this book can be read as standalone, you will understand more about the secondary characters in the book, if you have read the others in the series.
