Excavating Women - Magarita Díaz-Andreu
2005-08-11

Archaeologists are increasingly aware of issues of gender when studying past societies; women are becoming better represented within the discipline and are attaining top academic posts. However, until now there has been no study undertaken of the history of women in European archaeology and their contribution to the development of the discipline. *Excavating Women* discusses the careers of women archaeologists such as Dorothy Garrod, Hanna Rydh and Marija Gimbutas, who against all odds became famous, as well as the many lesser-known personalities who did important archaeological work. The collection spans the earliest days of archaeology as a discipline to the present, telling the stories of women from Scandinavia, Mediterranean Europe, Britain, France, Germany and Poland. The chapters examine women's contributions to archaeology in the context of other, often socio-political, factors that affected their lives. It examines issues such as women's increased involvement in archaeological work during and after the two World Wars, and why so many women found it more acceptable to work outside of their native lands. This critical assessment of women in archaeology makes a major contribution to the history of archaeology. It reveals how selective the archaeological world has been in recognizing the contributions of those who have shaped its discipline, and how it has been particularly inclined to ignore the achievements of women archaeologists. *Excavating Women* is essential reading for all students, teachers and researchers in archaeology who are interested in the history of their discipline and its sociopolitics.

Women, Feminism, and Femininity in the 21st Century - B. Mousli 2009-05-11

American women look at French women as having it all: sex, motherhood, work, and public

office, while French women look at American women as puritanical, excessively feminist, and unable to "have it all" without guilt. The essays in this book by leading American and French academics and critics set the record straight by assessing the truth of each outlook. They conclude that facts are different from imagination, and that on many issues, French feminists could actually look to the U.S. for inspiration. This book offers the first comparative critical appraisal of how women live in the US and in France and suggests paths of reflection on what women can do to improve their lives in the twenty-first century. This is a must read for anyone interested in the nature of womanhood today in the Western World.

IB French B Course Book - Christine Trumper
2012-08-16

Developed with the IB to accurately match the 2011 syllabus, this comprehensive text tangibly builds fluency and strengthens assessment potential. Oral activities in every chapter build confident speaking skills, and a dedicated unit on literature stretches learners beyond functional language-learning, ensuring exceptional achievement.

Culture: urban future - UNESCO 2016-12-31

Report presents a series of analyses and recommendations for fostering the role of culture for sustainable development. Drawing on a global survey implemented with nine regional partners and insights from scholars, NGOs and urban thinkers, the report offers a global overview of urban heritage safeguarding, conservation and management, as well as the promotion of cultural and creative industries, highlighting their role as resources for sustainable urban development. Report is intended as a policy framework document to support governments in the implementation of the 2030 Agenda for Sustainable Urban Development and the New Urban Agenda.

Boys Don't Cry - Malorie Blackman 2011

"You have it all planned out. A summer of freedom, university, a career as a journalist - your future looks bright. But when the doorbell rings it's your ex-girlfriend; and she's carrying a baby. Your baby. You agree to look after it, just for an hour or two. Then she doesn't come back and your life changes for ever"--Back cover. First person recount.

Oxford IB Diploma Programme: French B Course Book Companion - Christine Trumper
2013-03-21

The French course book and Study Guide have been written specifically for the Languages B programme which will be taught from September 2011 with first assessment from May 2013. These two components are suitable for both Higher and Standard level students. These two components provide plenty of guidance and information about topics that students need to deal with the themes, text types and assessment required for the new Languages B Diploma programme. The course book covers all the core and optional topics and has a separate unit on literature. Students are given a wide variety of text types and assessment-style questions and are encouraged to think and reflect in an IB-inspired way. Further links are made throughout to Theory of Knowledge and Creativity, Action, Service. The most comprehensive and written specifically for the most recent Language B syllabus, including all the options Authentic and current French texts resonate with learners and drive discussion, strengthening critical thought.

Searching for Jehanne - the Joan of Arc Project - Susan Aurinko 2017-07

Breaking The Glass Ceiling - Ann M. Morrison
1994

At a time when women have more tools than ever before to help them break through the glass ceiling, including the government's Glass Ceiling Initiative and the 1991 Civil Rights Act, far too many remain trapped beneath it. Based on the ground-breaking three-year study of female executives that brought the glass ceiling to national attention, this book examines the factors that determine success or derailment in the corporate environment, reveals how the executive environment is different for women, and looks at the new obstacles along the road to

the top. Vital reading for every woman in business and for every employer and manager now responsible for the removal of advancement barriers for women, *Breaking the Glass Ceiling* explodes the long-held myths and provides practical advice on how to smash the glass ceiling.

Tom is Dead - Marie Darrieussecq 2009-08-03
Set in the Blue Mountains and in Sydney, Tom is Dead is a suspense novel about grief. The narrator's son has been dead for ten years; he was four and a half. For the first time since that day, she spends a few minutes without thinking of him. To stop herself from forgetting, she tries to write Tom's story, the story of his death. She writes about the first hours, the first days, and then about the hours and the days before. She strives to describe it all as precisely as possible. It's the details that will lead her and the reader to the truth.

A Reference Grammar of French - R. E. Batchelor 2011-07-14

A Reference Grammar of French is a lively, wide-ranging and original handbook on the structure of the French language. It includes new information on register, pronunciation, gender, number, foreign words (Latin, Arabic, English, Spanish, Italian), adjectives and past participles used as nouns, texting, word order, frequency of occurrence of words, and usage with all geographical names. Examples come not only from France, but also from Quebec, Belgium and Switzerland. Readers will appreciate the initial passages illustrating the grammatical features of a given chapter. Also included is a user-friendly introduction to the French language, from its Latin origins to modern times. A full glossary explains any terms that might confuse the less experienced reader, and the index leads the student through the detailed labyrinth of grammatical features. This handbook will be an invaluable resource for students and teachers who want to perfect their knowledge of all aspects of French grammar.

How to Succeed at University (and Get a Great Job!) - Thomas R. Klassen 2015-08-01
Going to university is exciting, but it can also be stressful. What courses should I take? What program should I choose? Will I get a job after graduation? This book shows that the best preparation for success on the job, and in life, is

Downloaded from
legacy.opendemocracy.net on
2022-03-02 by guest

succeeding at university. Teamwork, meeting deadlines, overcoming challenges, writing well, and dealing with people are essential in any professional job. These same skills are also vital to becoming a strong student. This practical guide shows you how to master the critical skills and strategies for success at school, work, and in life.

Palladio - Jonathan Dee 2003-02-04

In her small upstate New York town, Molly Howe is admired for her beauty, poise, and character, until one day a secret is exposed and she is cruelly ostracized. She escapes to Berkeley, where she finds solace in a young art student named John Wheelwright. They embark on an intense, all-consuming affair, until the day Molly disappears—again. A decade later, John is lured by the eccentric advertising visionary Mal Osbourne into a risky venture that threatens to eviscerate every concept, slogan, and gimmick exported by Madison Avenue. And much to John's amazement, one of the many swept into Osbourne's creative vortex is the woman who left him devastated so many years before.

The First True Lie - Marina Mander 2014-02-06

'They always tell you that you shouldn't tell lies, but without lies I'd already be in an orphanage. This, in any case, is my first true lie' Luca and his mum are like two peas in a pod in their special, fragile world. Then, one winter morning his mother doesn't wake up. Luca suddenly finds himself alone for the first time. Terrified of what telling the truth might bring, he decides to keep the biggest secret of his life. Luca goes along to school every day, pretending everything is as it always has been. But he returns home every night to a cold, dark house. So he begins to build a protective bubble with the memories of his mother, the words and stories he so loves - and his cat Blue - against the truth on the other side of the bedroom door.

The Nowhere Girls - Amy Reed 2019-07-09

"A call-to-action to everyone out there who wants to fight back." —Bustle "Scandal, justice, romance, sex positivity, subversive anti-sexism—just try to put it down." —Kirkus Reviews (starred review) "Cuts straight to the core of rape culture—masterfully fierce, stirring, and deeply empowering." —Amber Smith, New York Times bestselling author of *The Way I Used to Be* Three misfits come together to avenge the

rape of a fellow classmate and trigger a change in the misogynist culture at their high school transforming the lives of everyone around them in this searing and timely story. Who are the Nowhere Girls? They're everygirl. But they start with just three: Grace Salter is the new girl in town, whose family was run out of their former community after her southern Baptist preacher mom turned into a radical liberal after falling off a horse and bumping her head. Rosina Suarez is the queer punk girl in a conservative Mexican immigrant family, who dreams of a life playing music instead of babysitting her gaggle of cousins and waitressing at her uncle's restaurant. Erin Delillo is obsessed with two things: marine biology and *Star Trek: The Next Generation*, but they aren't enough to distract her from her suspicion that she may in fact be an android. When Grace learns that Lucy Moynihan, the former occupant of her new home, was run out of town for having accused the popular guys at school of gang rape, she's incensed that Lucy never had justice. For their own personal reasons, Rosina and Erin feel equally deeply about Lucy's tragedy, so they form an anonymous group of girls at Prescott High to resist the sexist culture at their school, which includes boycotting sex of any kind with the male students. Told in alternating perspectives, this groundbreaking novel is an indictment of rape culture and explores with bold honesty the deepest questions about teen girls and sexuality.

Hilda - Marie NDiaye 2002-06

Peek-a-Boo Sliders: Pets - Editors of Silver Dolphin Books 2017-07-01

Playtime with pets! Discover adorable pets in *Peek-a-Boo Sliders: Pets*. Young children can use the sliders to watch kittens, bunnies, and all kinds of animals come to life. Each page contains a unique slider that shows pets moving up, down, left, and right. Children will love sliding their favorite animals across the pages. *Women Reinventing Globalisation* - Caroline Sweetman 2003

This volume analyses approaches to economic and political change and propose ways of ensuring that ideas are translated into concrete actions. The aim is to re-politicise the gender and development community with a solutions-oriented approach which looks at globalisation

through women's eyes, and finds energising ideas.

Women and Trade - World Bank;World Trade Organization 2020-09-04

Trade can dramatically improve women's lives, creating new jobs, enhancing consumer choices, and increasing women's bargaining power in society. It can also lead to job losses and a concentration of work in low-skilled employment. Given the complexity and specificity of the relationship between trade and gender, it is essential to assess the potential impact of trade policy on both women and men and to develop appropriate, evidence-based policies to ensure that trade helps to enhance opportunities for all. Research on gender equality and trade has been constrained by limited data and a lack of understanding of the connections among the economic roles that women play as workers, consumers, and decision makers. Building on new analyses and new sex-disaggregated data, *Women and Trade: The Role of Trade in Promoting Gender Equality* aims to advance the understanding of the relationship between trade and gender equality and to identify a series of opportunities through which trade can improve the lives of women.

[Global Wage Report 2018/19](#) - 2018

The 2018/19 edition analyses the gender pay gap. The report focuses on two main challenges: how to find the most useful means for measurement, and how to break down the gender pay gap in ways that best inform policy-makers and social partners of the factors that

underlie it. The report also includes a review of key policy issues regarding wages and the reduction of gender pay gaps in different national circumstances. "The Global Wage Report is an indispensable for economists, trade unionists, employers and the interested public." – Hansjörg Herr, Berlin School of Economics and Law.

Gender Matters - Dennis van der Veur
2007-01-01

"'Gender Matters' is a manual aimed to assist educators and youth leaders work on issues of gender and gender-based violence with young people. This publication presents theoretical information, methods and resources for education and training activities, along with concrete exercises that users can put into practice in their daily work. Violence is a serious issue which directly affects the lives of many young people. It often results in lasting damage to their well-being and integrity, putting even their lives at risk. Gender-based violence, including violence against women, remains a key human rights challenge in contemporary Europe and in the world. Working with young people on human rights education is one way of preventing gender-based violence from occurring. By raising awareness on why and how it manifests and exploring its impact on people and in society, gender-based violence will no longer go undetected. Gender really does matter, to women, to men, to young people - to all of us. This manual serves to explore these human rights issues and act upon them."--Book jacket.
