Domestic Sex Goddess - Kate Taylor 2009-08-21

Successful sexpert Kate Taylor spent her early career writing sex manuals with tips on getting a better sex life, then she got married - and then she had two children. Suddenly, the books she had previously written bore no relation to her own sex life. Where were the tips on having amazing sex in complete silence during 10 minutes of privacy whilst the kids are watching cartoons? Where was the advice on how to still fancy your partner when you've just spent 10 minutes picking his socks up off the bedroom floor? Where was the section on the most-childproof locks for bedroom doors, or how to laugh it off when your

toddler gatecrashes a dinner party waving your vibrator? Knowing that she wasn't the only wife and mother struggling with these issues, Kate decided to write the book that would solve these problems forever. Domestic Sex Goddess is a sex book for couples in long-term relationships, with or without children. It's for couples who adore each other, but would like new ideas to take to bed that bring back the initial excitement and who want real-life sex tips they can fit in around a busy day and eight hours' sleep at night. Domestic Sex Goddess divulges the secret to achieving a thrilling long-term sex life - it's organisation. In each chapter of this book Kate takes a different area of the home and discusses practical lifestyle changes that you can implement in order to give yourself both the time and energy for sex. From sizzling sex tips for the kitchen, lusty lovemaking positions for the living room and bed-busting moves for the bedroom through to ideas to make the bathroom hot and steamy and even some outrageous outdoor activities, Kate presents all the naughty know-how you'll need to keep the passionate home fires burning.

When Vanessa Price quit her job to pursue her dream of traveling the globe, she wasn't expecting to gain millions of YouTube followers who shared her joy of seizing every moment. For her, living each day to its fullest isn't just a motto. Her mother and sister never saw the age of 30, and Vanessa doesn't want to take anything for granted. But after her half-sister suddenly leaves Vanessa in custody of her baby daughter, life goes from 'daily adventure' to 'hourly nappy change'. The last person Vanessa expects to show up offering help is the hot lawyer next door, Adrian Copeland. After all, she barely knows him. No one warned her that he was the Secret Baby Tamer or that she'd be spending a whole lot of time with him and his geriatric Chihuahua. Now she's feeling things she's vowed not to feel. Because the only thing worse than falling for Adrian is finding a little hope for a future she may never see. _____ FIND OUT WHY READERS ARE FALLING IN LOVE WITH ABBY JIMENEZ . . . Not Tonight, Mr. Right - Kate Taylor 2009-03-25

With the same saucy, tell-it-like-it-is appeal of He's Just Not That Into You, sex author Kate Taylor explains reasons to keep your clothes on in laugh-out-loud detail: how Oxytocin -- the Fatal Attraction hormone -- can make women up to ten times more emotionally attached after sex than men; why men never expect to get lucky on the third date, or any date; that relationships are more fun, easier and longer-lasting when you keep your feet on the ground instead of hooking them round his neck. An absolutely unique plan for making sure Mr. Right is more than Mr. Right Now: The Rules for how, why, and when not to have sex, this completely original take on an age-old concept offers: an Extreme Dating Makeover, a Q&A for skeptics, tactical plans, "questions to say yes to before you say yes to him," what to do on those third, fourth, tenth -- dates when nookie isn't in the plan, and "I told you so" success stories, ultimately helping you to figure out the perfect time to have sex.

Generation Deluxe - Iris Nowell 2004-06-28

Iris Nowell identifies a worldwide class of multi-millionaires and billionaires emerging from the early 1990s - Generation Deluxe. Dot-com survivors, self-made entrepreneurs, celebrities, athletes, financiers, real estate moguls, media titans - their wealth starts at \$100 million and ascends to the stratospheric affluence of Bill Gates, at \$46 billion. The super-rich will spend \$50 and \$100 million just to build a house, and similar amounts for private jets, boats, and fleets of vehicles. The small change goes for a \$25,000 wedding cake, a \$1.2 million watch, a \$33,000 night in a Geneva hotel. Iris Nowell's exploration of consumerism reveals that lavish living imposes huge costs on the environment and endangers many forms of life. To clean up the damage, increasing numbers of the new super-rich, along with old-money inheritors, are redirecting their philanthropy to fund environmental protections - and, as never before, are helping to alleviate the global problems of poverty, hunger, illiteracy, and disease.
