Hearts at Stake - Alyxandra Harvey 2018-11-20

The first novel in a YA fantasy romance series featuring “vampires with bite and girls who bite back. A witty, exhilarating and fresh take on an old tale” (Kelley Armstrong). On her sixteenth birthday, Solange Drake is going to die . . . But that’s okay. As the only daughter ever born to an ancient vampire dynasty, Solange’s sweet sixteen just means she will fully come into her own as an immortal. Unfortunately, it also means a lot of people both dead and undead are now watching her. Especially Kieran Black—a vengeful agent with an anti-vampire league who blames Solange’s family for his father’s death. Luckily, Solange has her human best friend, Lucy, who tries to help her have as normal a life as possible, despite her overprotective brothers and the politics of the undead realm. But when Solange is abducted by a power-hungry vampire queen, it will take all her friends—as well as the daring and dangerous Kieran—to rescue her before she loses her eternal life . . . In this “action-packed” (School Library Journal) story of love, loyalty, and blood ties, Alyxandra Harvey kicks off a saga of thrills with a nail-biter—and a neck-biter—that will have readers eager to devour the rest of the series. *Hearts at Stake* is the 1st book in the Drake Chronicles, which also includes *Blood Feud* and *Out for Blood*.

Love Lies Bleeding - Jess McConkey 2011-07-26

Bones by Alice Sebold comes Love Lies Bleeding, a haunting story about the lengths to which people will go to keep their pasts buried. Jess McConkey (aka award-winning author Shirley Damsgaard) enthralls with her ingenious blending of family drama and gripping mystery.

Suspenseful and absolutely chilling, Love Lies Bleeding grabs hold of the reader from page one, as a young woman whose golden life is shattered by unexpected violence is sent to a small, secluded lake town in Northern Minnesota to recover—and soon suspects the town's eccentric residents are hiding more than one truly frightening secret.

The Drakes are rather different to your usual neighbours. They are vampires and some of the members of the family date back to the twelfth century. One of the children, Solange, is the only born female vampire known and, as such, she poses a direct threat to the vampire queen. Her best friend Lucy is human, and when Solange is kidnapped Lucy and Solange's brother, Nicholas, set out to save her. Lucy soon discovers that she would like to be more than just friends with Nicholas. But how does one go about dating a vampire? Meanwhile, Solange finds an unlikely ally in Kieran, a vampire slayer on the hunt for his father's killer . . .

Love-Lies-Bleeding - Don DeLillo 2011-08-19

Like *Wit* and *Whose Life Is It Anyway?*, Don DeLillo's *Love-Lies-Bleeding* explores the perilous question of when life ends - or should. It is also a play about a son looking for the father who abandoned him, and it is about the odd emotional tenacity of relationships long-ended, about shared language as the antidote to loss. Alex Hauser left New York and gave up easel painting to live and create land art in the southwestern desert. Now seventy, he has had his second massive stroke. His young

third wife Lia believes that somewhere deep inside his mind is still alive, but Alex's ex-wife and son, Toinette and Sean, have come to this remote place to help him die. Scarlet four o'clock, terminal sedation, night blooming cereus, respiratory depression, sacred datura, persistent vegetative state, love-lies-bleeding, life long devotion: the names of desert flowers and the language of death are equally potent and mysterious in this haunting and urgent play.
