

Love Unscripted

Love, Unscripted Owen Nicholls 2020-02-11 "Nostalgic, tender, and achingly cool."—Josie Silver, #1 New York Times bestselling author of *One Day in December* A film-obsessed romantic rewrites the script to understand why his "picture-perfect" love story crashed and burned in this wonderfully clever debut. Ellie had the quizzical eyebrows of Broadcast News-era Holly Hunter and the neon-red hair of Kate Winslet in *Eternal Sunshine of the Spotless Mind*. At least that's what caught Nick's attention when he met her on the night of 2008's historic presidential election. A cinema buff and devotee of great love stories, Nick always fancied himself the Tom Hanks of his own romantic comedy, and when sparks flew with Ellie that night, he swiftly cast her as the Meg Ryan of his story. For four blissful years, Nick loved Ellie just as he loved his job as a film projectionist: wholly, earnestly, cinematically. But now Ellie has moved out, convinced that "the fire's gone," and Nick is forced to sift through his memories to figure out where it all went wrong. That night was a perfect meet-cute, yes, but was their romance as destined for a "happily ever after" as he'd thought? Was he really the rom-com hero he believes he'd been? Or did this Harry let his Sally down? Peppered with references to beloved movies, *Love, Unscripted* explores how even a hopeless romantic can learn that in real life, love isn't—shouldn't be—like what we see in the movies.

Catching Air Sarah Pekkanen 2014-05-06 A vibrant, compulsively readable novel about two married couples who pursue a dream to open a bed-and-breakfast in small-town Vermont, from the internationally bestselling author of *Perfect Neighbors* and *The Wife Between Us*. In her previous works including *The Best of Us*, "rising star" (*Library Journal*) Sarah Pekkanen captivated readers by penning "refreshingly introspective, sharply realistic, and tenderly humorous" novels (*Booklist*) that had readers "flying through the pages" (*Hoda Kotb, Today show*). Now, in *Catching Air*, Pekkanen turns an unflinching eye on the tangled relationships of two pairs of thirty-somethings. A chance to run a B&B in snowy, remote Vermont—it's an offer Kira Danner can't resist after six soul-crushing years of working as a lawyer in Florida. As Kira and her husband, Peter, step into a brand new life, she quells her fears about living with the B&B's co-owners: Peter's sexy, irresponsible brother Rand, and Rand's wife, Alyssa...who is essentially a stranger. For her part, Alyssa sees taking over the B&B as the latest in a string of adventures. Plus, a quiet place might help her recover from the news that she can't bear children. But the idyllic town proves to be anything but serene: Within weeks, the sisters-in-law are scrambling to prepare for their first big booking—a winter wedding—and soon a shy, mysterious woman comes to work for them. Dawn Zukoski is hiding something; that much is clear. But what the sisters-in-law don't realize is that Dawn is also hiding from someone... Relatable and dynamic, *Catching Air* delves deeply into the vital relationships that give shape to women's lives.

Love Unscripted Owen Nicholls 2019-08-22 "For film projectionist Nick, love should mirror what he sees on the big screen. And when he falls for Ellie on the eve of the 2008 presidential election, it finally does. For four blissful years, Nick loved Ellie as much as he loved his job splicing film reels together in the local cinema. Life seemed ... picture-perfect. But now it's 2012, Ellie has moved out and Nick's trying to figure out where it all went wrong. With Ellie gone and his life far from the happy ending he imagined, Nick wonders if their romance could ever again be as perfect as the night they met. Can love really be as it is in the movies?"--Publisher description.

[I Love It Here](#) Clint Pulver 2021-04-13 "The greatest part about your role in leadership is that it matters. The hardest part is that it matters every day. For years, Emmy Award winning speaker Clint Pulver has been the Undercover Millennial, gathering the secrets of great management from companies of all sectors and sizes. Now, he is ready to reveal the insights he has from his undercover interviews with more than 10,000 employees across the country, and show you exactly what you can do to generate higher staff engagement and retention--and build true loyalty that lasts. *I Love It Here* is not another leadership book written by a self-proclaimed leadership expert; rather, it's the data-driven product of intensive research with employees who knew exactly when their leaders were getting it right--and getting it wrong. By pulling back the cover on tired, "too tried and

not true" leadership strategies that just aren't cutting it anymore, Clint will open your eyes to the mentorship qualities that are earning genuine employee loyalty in the world of today, along with the behaviors that--whether you know it or not--are triggering a rush for the door. By reading this book, you'll learn what one shocking factor is the number one driver of employee turnover (spoiler: it has everything to do with you!), what you can do to stop the leak, and how you can start building a team that works, right from the moment a prospective employee walks through the door. Using real-world examples from companies he has visited as an undercover retention agent, Clint will reveal in detail the best, most proven methods he has seen for identifying talent, building a sense of ownership, and developing staff in a way that helps them recognize and realize their own individual dreams. Through thoughtful and engaging chapter-by-chapter exercises, he'll guide you through each strategy, moving you seamlessly toward building an authentic culture of valuing and empowering the individual in your own workplace. Soon, you'll be recognizing possibility where others see problems, and capturing the power of small moments to create a meaningful legacy. *I Love It Here* is a vision of leadership that reaches beyond career to become almost like a calling: a day-by-day, moment-to-moment journey toward becoming the best for the world. Let Clint's inspiring personal stories, deep knowledge, and unique challenges help you become that beloved Mentor Manager who is remembered forever, and who knows how to bring out true passion and commitment in the people on your team. This book is your key to the solutions-based principles behind every organization that people never want to leave. Your company can be more than simply a fancy facade. It can be a place that has an authentic core built on valuing the individual--a place where people don't just survive, but thrive. *I Love It Here* will show you how."--

She's a fresh voice, and one that it's certainly worth listening to.' *Vogue* 'Miranda Popkey's debut explores the paradox of longing to assert control and longing to lose it ... She depicts what it feels like to exist, actually live, at that intersection, which can so often bring about paralysis.' *New Yorker* What is the shape of a life? Is it the things that happen to us? Or is it the stories we tell about the things that happen to us? From the coast of the Adriatic to the salt spray of Santa Barbara, the narrator of *Topics of Conversation* maps out her life through two decades of bad relationships, motherhood, crisis and consolation. The novel unfurls through a series of conversations - in private with friends, late at night at parties with acquaintances, with strangers in hotel rooms, in moments of revelation, shame, cynicism, envy and intimacy. Sizzling with enigmatic desire, Miranda Popkey's debut novel is a seductive exploration of life as a woman in the modern world, of the stories we tell ourselves and of the things we reveal only to strangers.

The two are forced to "pull a Twilight"-fake a relationship to gain publicity that neither of them want. Who's going to believe them, anyway? Chelsea's not Aaron's type. She's not exactly a model, she certainly isn't rich, and she's a little too much for Aaron Shae to handle. So as expected, every fake date makes Chelsea want to barf all over Aaron's Louis Vuitton shoes. But as time goes on, amidst filming, dates with Mr. Filthy Rich, and cat-fights with Aaron's crazy ex-girlfriends, Chelsea slowly starts to become closer to her fake boyfriend and pulled further away from her real one. But she only wants James. She should only want James. She wants nothing to do with this movie or her infuriatingly sexy co-star. Besides, Aaron Shae doesn't want anything to do with her, anyway. Or does he? Well, that definitely wasn't part of the script.

The Millionaire Fastlane MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. Why We Love and Exploit Animals Kristof Dhont 2019-11-08 This unique book brings together research and theorizing on human-animal relations, animal advocacy, and the factors underlying exploitative attitudes and behaviors towards animals. Why do we both love and exploit animals? Assembling some of the world's leading academics and with insights and experiences gleaned from those on the front lines of animal advocacy, this pioneering collection breaks new ground, synthesizing scientific perspectives and empirical findings. The authors show the complexities and paradoxes in human-animal relations and reveal the factors shaping compassionate versus exploitative attitudes and behaviors towards animals. Exploring topical issues such as meat consumption, intensive farming, speciesism, and effective animal advocacy, this book demonstrates how we both value and devalue animals, how we can address animal suffering, and how our thinking about animals is connected to our thinking about human intergroup relations and the dehumanization of human groups. This is essential reading for students, scholars, and professionals in the social and behavioral sciences interested in human-animal relations, and will also strongly appeal to members of animal rights organizations, animal rights advocates, policy makers, and charity workers.

Unscripted Jayne Denker 2013-08-01 One of Hollywood's hardest working women is about to discover there's a lot more drama behind the camera than in front of it. . . Faith "Freakin'" Sinclair probably shouldn't have called her boss a perv. . .or grabbed his "privates." But as creator of the hit dramedy *Modern Women*, she'd had enough of his sexist insults. Now she's untouchable in the industry—not in a good way. The only way to redeem herself is to convince Alex, the wildly popular, wildly demanding former star of her show, to come back. But there's one obstacle in her way—one very handsome, broad-shouldered obstacle. . . Professor Mason Mitchell is head of the theater department where Alex is studying "real" acting. The only way he'll let Faith anywhere near Alex is if she agrees to co-teach a class. It's an offer she can't refuse—and as it turns out, the professor just might end up teaching Faith that there's more to life than work—and that real-life love scenes are way more fun than fake ones. . . you've been old enough to sit obediently in a classroom, you have been culturally engineered for servitude, unwittingly enslaved into a Machiavellian system where illusionary rules go unchallenged, sanctified traditions go unquestioned, and lifelong dreams go unfulfilled. As a result, your life is hijacked and marginalised into debt, despair, and dependence. Life's death sentence becomes the daily curse of the trivial and mundane. Fun fades. Dreams die. Don't let life's consolation prize become a car and a weekend. Recapture what is yours and make a revolutionary repossession of life-and-liberty through the pursuit of entrepreneurship. A paradigm shift isn't needed—the damn paradigm needs to be thrown-out altogether. The truth is, if you blindly follow conventional wisdom pushed by conventional people living conventional lives, can you expect to be anything but conventional? Rewrite life's script: ditch the job, give Wall Street the bird, and escape the insanity of trading your life away for a paycheck and an elderly promise called retirement.
