Love Profound - Kelly Elliott 2017-09-21

The second book in bestselling author Kelly Elliott's Cowboys and Angels series. I write about love, but I've never experienced it. Sure, I've been with guys that I cared about. Even thought I found 'the one'. He turned out to be the frog and not the prince. A few Frank Sinatra songs and a wildly handsome cowboy who calls me Darlin', will have me second guessing everything I ever thought I knew about love. Does happily ever after really exist . . . or is it only something I write about in books?

Cowboys & Angels series: 1. Lost Love 2. Love Profound 3. Tempting Love 4. Love Again 5. Blind Love 6. This Love 7. Reckless Love

**This Love** - Kelly Elliott 2018-10-09

The sixth book in bestselling author Kelly Elliott's Cowboys and Angels series. I was a self-appointed bachelor and happy to have the title.

Everyone thought it was time for me to settle down and find a nice girl. Well, no thank you. This cowboy wanted to stay clear of relationships. I wanted the freedom that came with no strings. But what did I know?

Nothing apparently. Everything changed when I looked into her green eyes; my world tilted when she smiled at me. What was this feeling?

Whatever was happening had me losing my damn mind. I fumbled with my words. My body wasn't my own. I wanted her . . . desperately. Was I ready to give up my bachelor days, or was this Irish girl simply an itch I needed scratched? Cowboys & Angels series: 1. Lost Love 2. Love Profound 3. Tempting Love 4. Love Again 5. Blind Love 6. This Love 7. Reckless Love

Of course, there are problems with the idea of staying. Her mother's boyfriend, who's still hunting her. Leo's inability to commit. And his newest plan, where he finally takes all the control out of her hands with the intention of reuniting her with a father she's never met and wants nothing to do with. When all the chips are down, Olivia has one very big decision to make: She's let him off the hook before. But is she willing to do it again? Or is this the time when Leo's need to be in control finally outdoes the love she's starting to feel for him... and the future she thought they could have together?
