## Sexuality And Literature Ser Vol 6

**Women and Romance** - Laurie Langbauer 2018-03-15

According to Laurie Langbauer, the notion of romance is vague precisely because it represents the chaotic negative space outside the novel that determines its form. Addressing questions of form, Langbauer reads novels that explore the interplay between the novel and romance: works by Charlotte Lennox, Mary Wollstonecraft, Charles Dickens, George Eliot, and George Meredith. She considers key issues in feminist debate, in particular the relations of feminist to the poststructuralist theories of Lacan, Derrida, and Foucault. In highlighting questions of gender in this way, *Women and Romance* contributes to a major debate between skeptical and materialist points of view among poststructuralist critics.

*Great Moments in Social Climbing* - Meaghan Morris 1992

Online Communication - Andrew F. Wood 2004-09-22

Online Communication provides an introduction to both the technologies of the Internet Age and their social implications. This innovative and timely textbook brings together current work in communication, political science, philosophy, popular culture, history, economics, and the humanities to present an examination of the theoretical and critical issues in the study of computer-mediated communication. Continuing the model of the best-selling first edition, authors Andrew F. Wood and Matthew J. Smith introduce computer-mediated communication (CMC) as a subject of academic research as well as a lens through which to examine contemporary trends in society. This second edition of *Online Communication* covers online identity, mediated relationships, virtual communities, electronic commerce, the digital divide, spaces of resistance, and other topics related to CMC. The text also examines how the Internet has affected contemporary culture and presents the critiques being made to those changes. Special features of the text include: \*Hyperlinks--presenting greater detail on topics from the chapter \*Ethical Inquiry--posing questions on the nature of human communication and conduct online \*Online Communication and the Law--examining the legal ramifications of CMC issues Advanced undergraduates, graduate students, and researchers interested in the field of computer-mediated communication, as well as those studying issues of technology and culture, will find *Online Communication* to be an insightful resource for studying the role of technology and mediated communication in today's society.

**Music and Culture in the Middle Ages and Beyond** - Benjamin Brand 2016-10-27

The essays in this volume offer diverse, innovative approaches to medieval music and culture.

Inside Greenwich Village - Gerald W. McFarland 2005-01-01

A vibrant portrait of a celebrated urban enclave at the turn of the twentieth century.

*Joyce* - Susan Stanford Friedman 2018-03-15

Did James Joyce, that icon of modernity, spearhead the dismantling of the Cartesian subject? Or was he a supreme example of a modern man forever divided and never fully known to himself? This volume reads the dialogue of contradictory cultural voices in Joyce's works—revolutionary and reactionary, critical and subject to critique, marginal and central. It includes ten essays that identify repressed elements in Joyce's writings and examine how psychic and cultural repressions persistently surface in his texts. Contributors include Joseph A. Boone, Marilyn L. Brownstein, Jay Clayton, Laura Doyle, Susan Stanford Friedman, Christine Froula, Ellen Carol Jones, Alberto Moreiras, Richard Pearce, and Robert Spoo.

In a Queer Time and Place - J. Jack Halberstam 2005

The first full-length study of transgender representations in art, fiction,

film, video, and music In her first book since the critically acclaimed *Female Masculinity*, Judith Halberstam examines the significance of the transgender body in a provocative collection of essays on queer time and space. She presents a series of case studies focused on the meanings of masculinity in its dominant and alternative forms' especially female and trans-masculinities as they exist within subcultures, and are appropriated within mainstream culture. In *Queer Time and Place* opens with a probing analysis of the life and death of Brandon Teena, a young transgender man who was brutally murdered in small-town Nebraska. After looking at mainstream representations of the transgender body as exhibited in the media frenzy surrounding this highly visible case and the Oscar-winning film based on Brandon's story, *Boys Don't Cry*, Halberstam turns her attention to the cultural and artistic production of queers themselves. She examines the "transgender gaze," as rendered in small art-house films like *By Hook or By Crook*, as well as figurations of ambiguous embodiment in the art of Del LaGrace Volcano, Jenny Saville, Eva Hesse, Shirin Neshat, and others. She then exposes the influence of lesbian drag king cultures upon hetero-male comic films, such as *Austin Powers* and *The Full Monty*, and, finally, points to dyke subcultures as one site for the development of queer counterpublics and queer temporalities. Considering the sudden visibility of the transgender body in the early twenty-first century against the backdrop of changing conceptions of space and time, *In a Queer Time and Place* is the first full-length study of transgender representations in art, fiction, film, video, and music. This pioneering book offers both a jumping off point for future analysis of transgenderism and an important new way to understand cultural constructions of time and place.

**Critical Theory Today** - Lois Tyson 2012-09-10

*Critical Theory Today* is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

**The Improv Handbook** - Tom Salinsky 2017-10-19

*The Improv Handbook* is the most comprehensive, smart, helpful and inspiring guide to improv available today. Applicable to comedians, actors, public speakers and anyone who needs to think on their toes, it features a range of games, interviews, descriptions and exercises that illuminate and illustrate the exciting world of improvised performance. First published in 2008, this second edition features a new foreword by comedian Mike McShane, as well as new exercises on endings, managing blind offers and master-servant games, plus new and expanded interviews with Keith Johnstone, Neil Mullarkey, Jeffrey Sweet and Paul Rogan. *The Improv Handbook* is a one-stop guide to the exciting world of improvisation. Whether you're a beginner, an expert, or would just love to try it if you weren't too scared, *The Improv Handbook* will guide you every step of the way.

Botticelli Past and Present - Ana Debenedetti 2019-01-08

The recent exhibitions dedicated to Botticelli around the world show, more than ever, the significant and continued debate about the artist. *Botticelli Past and Present* engages with this debate. The book comprises four thematic parts, spanning four centuries of Botticelli's artistic fame and reception from the fifteenth century. Each part comprises a number of essays and includes a short introduction which positions them within the wider scholarly literature on Botticelli. The parts are organised

chronologically beginning with discussion of the artist and his working practice in his own time, moving onto the progressive rediscovery of his work from the late eighteenth to the turn of the twentieth century, through to his enduring impact on contemporary art and design. Expertly written by researchers and eminent art historians and richly illustrated throughout, the broad range of essays in this book make a valuable contribution to Botticelli studies.

*Lesbian and Gay Studies and the Teaching of English* - William J. Spurlin 2000

This international collection of essays presents a contemporary overview of issues of sexual identity as they relate to teaching and learning in English from elementary through university levels. Coming from teachers in classrooms in India to North America to South Africa to Europe, the essays theorize lesbian, gay, and transgendered positions in the classroom, offer pedagogical strategies for teaching lesbian and gay studies, and examine the broader social and political contexts that shape classroom discourse and practices. Following the introduction by the editor, the 16 essays are: (1) "Cruising the Libraries" (Lee Lynch); (2) "When the Cave Is a Closet: Pedagogies of the (Re)Pressed" (Edward J. Ingebretsen, S.J.); (3) "Blame It on the Weatherman: Popular Culture and Pedagogical Praxis in the Lesbian and Gay Studies Classroom" (Jay Kent Lorenz); (4) "On Not Coming Out: or, Reimagining Limits" (Susan Talburt); (5) "(Trans)Gendering English Studies" (Jody Norton); (6) "The Uses of History" (Lillian Faderman); (7) "'What's Out There?' Gay and Lesbian Literature for Children and Young Adults" (Claudia Mitchell); (8) "Creating a Place for Lesbian and Gay Readings in Secondary English Classrooms" (Jim Reese); (9) "Shakespeare's Sexuality: Who Needs It?" (Mario DiGangi); (10) "Coming Out and Creating Queer Awareness in the Classroom: An Approach from the U.S.-Mexican Border" (tatiana de la tierra); (11) "'Swimming Upstream': Recovering the Lesbian in Native American Literature" (Karen Lee Osborne); (12) "Reading Gender, Reading Sexualities: Children and the Negotiation of Meaning in 'Alternative' Texts" (Debbie Epstein); (13) "Fault Lines in the Contact Zone: Assessing Homophobic Student Writing" (Richard E. Miller); (14) "Queer Pedagogy and Social Change: Teaching and Lesbian Identity in South Africa" (Ann Smith); (15) "The Straight Path to Postcolonial Salvation: Heterosexism and the Teaching of English in India Today" (Ruth Vanita); and (16) "Rememorating: Quilt Readings" (Marcia Blumberg). (NKA)

**Julia Margaret Cameron's Women** - Sylvia Wolf 1998-01-01

Profiles the life and work of a nineteenth century pioneer of photography and offers a selection of her portraits of women

**From Puritanism to Postmodernism** - Richard Ruland 2016-04-14

Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, *From Puritanism to Postmodernism: A History of American Literature* brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville, Fitzgerald, Pound, Wallace Stevens, Gwendolyn Brooks and Thomas Pynchon. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury. It is published here for the first time.

**Beginning Theory** - Peter Barry 2002-09-07

In this second edition of *Beginning Theory*, the variety of approaches, theorists, and technical language is lucidly and expertly unraveled and explained, and allows readers to develop their own ideas once first principles have been grasped. Expanded and updated from the original edition first published in 1995, Peter Barry has incorporated all of the recent developments in literary theory, adding two new chapters covering the emergent Eco-criticism and the re-emerging Narratology. *The Open Work* - Umberto Eco 1989

Essays discuss poetry, communication, television, form, aesthetics, bad taste, and art

**Feminizing the Fetish** - Emily Apter 2018-03-15

Shoes, gloves, umbrellas, cigars that are not just objects—the topic of fetishism seems both bizarre and inevitable. In this venturesome and provocative book, Emily Apter offers a fresh account of the complex relationship between representation and sexual obsession in turn-of-the-century French culture. Analyzing works by authors in the naturalist and realist traditions as well as making use of documents from a contemporary medical archive, she considers fetishism as a cultural artifact and as a subgenre of realist fiction. Apter traces the web of connections among fin-de-siècle representations of perversion, the fiction of pathology, and the literary case history. She explores in particular the theme of "female fetishism" in the context of the feminine culture of mourning, collecting, and dressing.

**The East India Company at Home, 1757-1857** - Margot Finn 2018-02-15

*The East India Company at Home, 1757-1857* explores how empire in Asia shaped British country houses, their interiors and the lives of their residents. It includes chapters from researchers based in a wide range of settings such as archives and libraries, museums, heritage organisations, the community of family historians and universities. It moves beyond conventional academic narratives and makes an important contribution to ongoing debates around how empire impacted Britain. The volume focuses on the propertied families of the East India Company at the height of Company rule. From the Battle of Plassey in 1757 to the outbreak of the Indian Uprising in 1857, objects, people and wealth flowed to Britain from Asia. As men in Company service increasingly shifted their activities from trade to military expansion and political administration, a new population of civil servants, army officers, surveyors and surgeons journeyed to India to make their fortunes. These Company men and their families acquired wealth, tastes and identities in India, which travelled home with them to Britain. Their stories, the biographies of their Indian possessions and the narratives of the stately homes in Britain that came to house them, frame our explorations of imperial culture and its British legacies.

**The Sword of Judith** - Kevin R. Brine 2010

*The Book of Judith* tells the story of a fictitious Jewish woman beheading the general of the most powerful imaginable army to free her people. The parabolic story was set as an example of how God will help the righteous. Judith's heroic action not only became a validating charter myth of Judaism itself but has also been appropriated by many Christian and secular groupings, and has been an inspiration for numerous literary texts and works of art. It continues to exercise its power over artists, authors and academics and is becoming a major field of research in its own right. *The Sword of Judith* is the first multidisciplinary collection of essays to discuss representations of Judith throughout the centuries. It transforms our understanding across a wide range of disciplines. The collection includes new archival source studies, the translation of unpublished manuscripts, the translation of texts unavailable in English, and Judith images and music.
