*Mending a Shattered Heart* - Stefanie Carnes  
2011

Practical advice on how to deal with the trauma of discovering that one's spouse or partner is a sex addict.

**Facing Heartbreak** - Stefanie Carnes  
2012-10-16

The first workbook to help partners of sex addicts cope with discovering their loved one has compulsive sexual behaviors.

Out of the Shadows - Patrick J Carnes  
2009-06-21

Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment.

Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

**LONELY ALL THE TIME** - Earle 1990-06  
Compulsive sexual behavior is finally being recognized as an addictive disease like drug abuse, overeating and gambling. The causes and symptoms of sex-addiction are explored as well as the concerns of an addict's co-dependent partner.

Your Sexually Addicted Spouse - Barbara Steffens 2021-06-07

## **Mending A Shattered Heart A Guide For Partners Of Sex Addicts**

---

Sexual addiction and compulsive sexual behavior often steal a person's ability to achieve emotional or sexual intimacy. Both addicts and their partners may suffer in isolation, ashamed and afraid, not knowing where to turn for help. Your Sexually Addicted Spouse shatters that stigma and shame and provides understanding and empathy for the addict and his or her spouse. Barbara Steffens' groundbreaking research was the first to show that partners are not codependents but post-traumatic stress victims, while Marsha Means' personal experience provides insights, strategies, and critical steps to recognize, deal with, and heal partners of sexually addicted relationships. Firsthand accounts and stories reveal the impact of this addiction on survivors' lives. Chapters end with "On a Personal Note" questions and propose new paths that lead from trauma to empowerment, health, and hope. Useful appendices list health and mental health care providers and clergy. Barbara Steffens, PhD,

LPCC, CCPS, CPC specializes in helping women recover from sexual betrayal and is a sought-after speaker and presenter on special issues related to partners of sexual addicts. She was the founding President of the Association for Partners of Sex Addicts Trauma Specialists, an organization that provides training and certification of Clinical Partner Specialists and Partner Trauma Coaches. She has counseled and coached betrayed spouses/partners for over twenty years and her research on trauma after betrayal has changed the field. Barbara also consults with other professionals and provides training for those who want to help partners heal. Marsha Means, MA, founder and director of A Circle of Joy Ministries, is trained as a Marriage and Family Therapist, and writes and speaks on the topic of betrayal trauma and sex addiction. Her work is based on both her personal and professional experience. She has written several books on the topic. Marsha and her team of coaches offer individual and group

support for partners of sex addicts. In addition, Marsha facilitates couple's groups to help them learn to heal the damage done by betrayal trauma.

*Cruise Control* - Robert Weiss, MSW 2013-02-21  
Cruise Control is the premiere book on the growing problem of sex addiction in gay men. This second edition explores how technology has impacted the instant ability to "meet up" and the implications of being in recovery in a committed relationship. Accessible resource for achieving sex addiction recovery including a "30 day test" and a dating plan.

**Sexual Anorexia** - Patrick J Carnes 2009-08-07  
A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual

behavior and recovery. Author Dr. Patrick Carnes begins by defining sexual anorexia and demonstrating how it and its parallel disorder, sexual addiction and compulsivity, often arise from a background of childhood sexual trauma, neglect, and other forms of abuse, Carnes explores the numerous dimensions of sexual health, examining key issues which must be addressed and resolved for recovery to proceed. Utilizing extensive research and elucidating case studies, Carnes develops concrete tasks and plans for restoring nurturing and sensuality, building fulfilling relationships, exploring intimacy, and creating healthy sexuality. Woven throughout the book are stories of recovery which illustrate sexual healing principles, model new behavior, and support motivation for change. Sexual Anorexia enables those suffering from this disorder to recognize that sex need not be a furtive enemy to be fought and defeated but, instead, a deeply sensual, passionate, fulfilling, and spiritual experience that all human

beings are innately entitled to.

Moving Beyond Betrayal - Vicki Tidwell Palmer  
2016-05-16

Partners experience dire consequences as a result of being in a relationship with someone suffering from compulsive sexual behavior. Their emotional well-being requires developing new skill sets for self-care and self-protection as they confront the difficult and painful process of discovery, disclosure, and beyond. In other words—they need boundaries. This is the first book specifically for partners affected by addictive behavior that addresses, in detail, how to identify, create, and maintain boundaries as a vital component of self-care and an indispensable tool for healing and growth.

Moving Beyond Betrayal guides partners to define the current problem(s); identify needs that aren't being met; find where they have the power to effect change; take action; and evaluate the results to determine if their goal has been accomplished. The author examines all

aspects of effective boundary work, including what to do when boundaries are violated. Through working the 5-Step Boundary Solution partners will: Gain clarity Reduce the chaos inherent in relationships impacted by sex addiction Feel more empowered and in control of their lives Discover whether or not their relationship with the addict is salvageable Vicki Tidwell Palmer is a Licensed Clinical Social Worker (LCSW), Certified Sex Addiction Therapist (CSAT), and Somatic Experiencing Practitioner (SEP) in private practice in Houston, Texas. She is the author of the blog for partners Survival Strategies for Partners of Sex Addicts.

Deceived - Claudia Black 2019-08-20  
Multiple affairs, compulsive pornography, prostitutes, and voyeurism—no matter their “drug” of choice, men who act out sexually leave their partners reeling in fear, rage, shame, and isolation. But there is hope. Bestselling author Claudia Black’s revised edition of her classic

work Deceived offers women in relationships plagued by sexual betrayal the validation and guidance to create a new path of clarity, direction, and confidence. Dr. Black uses stories of women who have been through a wide variety of experiences to help readers develop the understanding and skills to confront the trauma of the betrayal. She offers them the opportunity to shift from their overwhelming emotions to action derived from self-esteem and integrity. Deceived encourages women to proactively emerge from traumatic stress and emotional isolation and discover their power to facilitate their own healing, allowing them to move forward in their lives.

A House Interrupted - Maurita Corcoron  
2012-07-10

A can't-put-it-down read about a wife's devastating discovery that her physician husband is a sex addict Maurita Corcoran's world collapsed when she learned that her husband of fourteen years, a successful

physician, was a sex addict. She had never even heard of a "sex addict," but she was suddenly submerged in a world of painful choices about how to rebuild a life for herself and her four children. This is an absorbing memoir about forgiveness, resilience, and hope. With the growing public awareness of how pervasive sex addiction has become in our culture, this memoir answers the questions that spouses must face in building lives of self-respect and confidence. Filled with actual raw journal entries, this first-hand account will help any spouse or partner who needs to know more about this devastating addictive disease. This engaging memoir proves that women can emerge from the betrayal, anger, and heartache to become authentically peaceful and resilient sources of support to other women. Maurita Corcoran and her husband have been in recovery for more than a dozen years. They have raised four children, and they remain happily married.

Letters to a Sex Addict - Wendy Conquest

2013-09-10

Sudden changes in routine, bizarre and inexplicable shifts in behavior, in the bedroom and out. Emotional distance and excuses for lack of connection. These are all telltale signs that something is very, very wrong. For a sex addict's spouse or partner, these changes and fluctuations are upsetting and crazy making, leading to thoughts that they have done something wrong, aren't good enough or that there is some other reason for the inconsistent, bewildering behavior. For many, sex or porn addiction is farthest from their minds or too scary to consider. Inspired by a career of working with sex addicts and their partners/spouses, Wendy Conquest's collection of letters fuses fiction and nonfiction to astounding results. Diving deeply into the psyches of those whose lives are shattered by betrayal and the resultant feelings of hurt, rage, resentment and despair, this book directly mirrors a partner's experiences from multiple

perspectives. Each letter explores a different facet of the relationship dynamic, the addict's illness, and the partner's thoughts and feelings throughout all the stages of this devastating experience. This powerful book is for men and women experiencing the trauma of infidelity caused by their partner's sexual addiction and the fallout that occurs. This informative book was written for anyone needing to understand what is happening to them, that they are not alone, that there is help and that there is recovery. In addition, this book is for addicts to better understand what is happening for their partner, why healing is taking so long and what they can do to help their spouse. Therapists, ministers, counselors, pastors and doctors will be better able to relate to people whose partners are unfaithful. This book is a must read for anyone doing couples work when pornography use or affairs are present to assess how much damage has occurred for the spouse and the relationship. These insightful, gut-wrenching,

yet hopeful letters create a well-rounded picture that delivers clarity, understanding and a path of healing. Letters to a Sex Addict: The Journey Through Grief and Betrayal will help those affected to regain sanity and clarity and peace of mind.

**Surviving Disclosure** - Jennifer P. Schneider, M.d. 2012-08-22

Drs. Schneider and Corley's groundbreaking 2002 workbook, *Disclosing Secrets*, addressed the impact of disclosure on both addicts and their partners. Their subsequent research showed that the impact of disclosure is very different for partners than addicts. *Surviving Disclosure*, helps partners better understand the trauma resulting from the addict's behaviors and offers a step-by-step guide for how to begin the healing process, prepare for the impact of living with an addict (even an addict in recovery), and deal with shame, anger and fear. The book describes what to tell the children and others, how to promote self-care and well-being no

matter what the addict does, and how to set boundaries as part of rebuilding trust. Relationships can heal and partners can thrive after disclosure.

**Erotic Intelligence** - Alexandra Katehakis 2010-05-03

ENJOYABLE, EXCITING SEX IS POSSIBLE AFTER SEX ADDICTION In the journey to sexual sobriety, many sex addicts find themselves wondering, 'How am I going to have a normal relationship?' or 'Will it be possible to repair my marriage now that I've confessed my destructive behavior?' and 'Will I ever have great sex again?' As a sex, marriage, and family therapist, Alexandra Katehakis introduces a successful program for sufferers and their loved ones that will help them hone their erotic intelligence by making sense of the past, creating healthy habits in the present, and looking toward a more intimate relationship that nurtures honesty and closeness. With Katehakis's help, sex addicts can get in touch with their healthy sexual side—and

*Mending a Shattered Heart* - Stefanie Carnes 2012-07-10

When your partner betrays, what are the first steps to picking up the pieces of your shattered heart? Many unsuspecting people wake up every day to discover their loved one, the one person whom they are supposed to trust completely, has been living a life of lies and deceit because they suffer from a disease-sex addiction. This is a disease shrouded in secrecy and shame. This is

your go-to-guide for what to do when you discover your partner is a sex addict. Each chapter is based on frequently asked questions by partners such as: Should I Stay or Should I Go? Is This Going to Get Better? How Do I Set Boundaries and Keep Myself Safe? and What Should I Tell the Kids?

*Sex Addiction as Affect Dysregulation: A Neurobiologically Informed Holistic Treatment (Norton Series on Interpersonal Neurobiology)* - Alexandra Katehakis 2016-09-20

Examining the neurobiological underpinnings of sex addiction. Neuroaffective science—studying the integrated development of the body, brain, and mind—has revealed mechanisms linking psychological and biological factors of mental disorders, including addiction. Indeed, its paradigm-shifting theoretical umbrella demonstrated that substance and behavioral dependencies share identical neurobiological workings, and thus that problematic repetitive behaviors are genuine addictions—a state

increasingly understood as a chronic brain disorder. Clinical experience strongly suggests that sex addiction (SA) treatment informed by affective neuroscience—the specialty of Alexandra Katehakis—proves profoundly transformative. Katehakis's relational protocol, presented here, blends neurobiology with psychology to accomplish full recovery. Her Psychobiological Approach to Sex Addiction Treatment (PASAT) joins therapist and patient through a relationally-based psychotherapy—a holistic, dyadic dance that calls on the body, brain, and mind of both. Written with clarity and compassion, this book integrates cutting-edge research, case studies, verbatim session records, and patient writings and art. Katehakis explicates neurophysiological, psychological, and cultural forces priming and maintaining SA, then details how her innovative treatment restores patients' interpersonal, sexual, and spiritual relationality.
