The Hawk and the Dove - Virginia Henley
2009-07-22

A steamy historical romance from the New York Times bestselling author of *Enslaved* and *Desired*. The Dove... She'd been bought for a strip of land, then abandoned: a bartered bride, married by proxy, determined to wreak revenge. As innocent Sara Bishop she'd paid dearly for freedom from her cruel, mocking family. As flame-haired, jade-eyed Sabre Wilde, she would scandalize Queen Elizabeth's court as she set out to seduce her unknown husband, become his mistress—and make him her slave. The Hawk... The Queen's favorite, called The Sea God, his white teeth flashed in his bronze face as his deep, virile voice boomed orders to his men. He branded Sabre with his searing kiss and his masterful touch, not even aware she was already his wife. Captain Shane Hawkhurst knew how to command, how to subdue and ravage an enemy, but was he prepared to be caught in passion's merciless snare by a fiery beauty who ruled his heart and inflamed his senses?

Recipe For Seduction - Gina Gordon 2014-05-26
Veronica Whitfield feels like a frumpy old maid. After ten years of raising her younger siblings, she's desperate to get her sexy back. And why not find it with the man she's been in lust with since she was twelve years old—her brother's best friend, Finn O'Reilly? Finn is looking for love. And not any love—true love. Complete with the white picket fence, two children, and a dog. He's just been a little unlucky finding it, and he sure as hell isn't about to consider his best friend's little sister for the job, no matter how badly he wants her in his bed. But then Veronica propositions him with a game of dark, delicious seduction. Finn is tempted to indulge his hidden

need for kink, but at what cost? Following through could very well ruin their friendship, but maybe—just maybe—helping Veronica rediscover her sexy side is exactly what he needs to find love at last...

Seducing My Guardian - Katee Robert
2021-03-22

On the night my parents die, I meet a sexy stranger who tells me he's my new guardian. Before I can as much as blink, he ships me off to boarding school and then ignores me for three years...until he shows up on my nineteenth birthday to save me from myself. For six years, that's his routine. Show up on my birthday. Save me. Tempt me. And then send me on my way when the chemistry between us sizzles too hot. That all ends tonight. I'm twenty-five and at midnight I gain control of my trust fund. After this, I never have to see Devan again and he'll no longer drive me wild with his devastating dominance. This year, all I want for my birthday is twenty-four hours with my guardian. After nine years of taboo desire and built-up lust, I have a lot of unfulfilled fantasies to act out.

Born A Crime - Trevor Noah 2016-11-17

WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show The Daily Show with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, Born a Crime tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. Born a Crime is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. Born a Crime is a must read.

[Aching to Submit](#) - Natasha Knight 2016-11-02
Though deeply in love with her husband Michael, for years Sophie has longed to give him not only her love, but her submission as well. In spite of her yearning to kneel at his feet, fear of rejection keeps her from sharing the truth with

him. Though she would never give her body to another man, her need to submit drives her to seek out others like herself and learn more... until Michael discovers her deception and she fears her marriage may be over. Despite the anger and sadness which tear at his heart when he learns that his wife has kept such an important secret from him, Michael is not going to give up the love of his life without a fight. It will take time, but he is more than ready to be the man she needs, the man to whom she will gladly submit. First, though, she must be firmly disciplined for her betrayal of his trust... Standing naked before her husband, awaiting a punishment which will bring her to tears and leave her bare bottom red and sore, submission suddenly feels truly real to Sophie for the first time. As Michael asserts his dominance more and more with each passing day, Sophie begins to see him in a way she has never seen him before, and her desire for him seems to know no bounds. But is this just a second honeymoon of sorts, or will Sophie's submission endure through the trials of everyday life?

The Other End of the Leash - Patricia McConnell, Ph.D. 2009-02-19

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get

dominance" over your dog can cause problems • Why "rough and tumble primate play" can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than "alpha wannabes!" Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Daughter of Bluebird - Gina Campbell 2012-10

"This book offers a unique insight into the land and water speed record-breaking dynasty. Gina Campbell, last surviving member of a remarkable dynasty, will forever be most closely associated with the fatal attempt by her father to break the water speed record in his astounding boat. In that sense she is indeed the 'daughter of Bluebird' - and has played a ceaseless role in the boat's restoration. In this absorbing autobiography she talks about: her life with Donald Campbell as father, early-day 'celebrity', and holder of many world records on land and water; her personal life - three failed marriages, a suicide attempt and finding happiness in her later life; her power-boating career and setting two women's world water speed records in 1984 and 1990; her reaction to her father's death while attempting to set a new world water speed record on Coniston Water in January 1967; her complete shock at the discovery of Bluebird and Donald Campbell's body by divers in 2001; her decision to authorize the removal of the boat and Campbell's remains from the lake despite widespread opposition; and the decision to

restore Bluebird and house her in the Ruskin Museum on Coniston Water."--Publisher's description.
