Love Satisfies Keepitup Johnson 2012-10-12 You can have the same wonderful, mind-blowing, and satisfying orgasms without ejaculating. Google it. Ejaculating and orgasms are two separate things. Google it. You can have either one without the other one. Many books teach how to have dry orgasms, also known as non-ejaculatory orgasms and male multiple orgasms. Why bother having orgasms without ejaculating? Because instead of going limp and falling asleep, you'll stay hard and full of energy. Why buy this particular book? Love Satisfies is a picture book. Creatively-drawn illustrations (one for every page of writing) teach dry orgasms. It's written at the fifth grade level - simple and easy to understand. "Do dry orgasms feel the same?" Yes, you'll feel the same wonderful feelings of release. Your throbbing, pulsing, contractions just won't pump anything out. "Will I still be able to ejaculate?" Yes, you'll ejaculate whenever you want to, but you probably won't want to. \* Not ejaculating eliminates premature ejaculation. \* Dry orgasms are more powerful than ejaculatory orgasms. \* After a dry orgasm, there's no letdown. I have 10,000 times more sexual energy. \* After having ten orgasms in a row and withdrawing hard, I feel fantastic! I feel stronger, and I feel more alert. Not only am I better in bed, but I feel better in bed. I feel better out of bed too! Not only has my pleasure increased; my energy levels have also increased since learning to have non-ejaculatory orgasms. I can have sex all day long if I want to. \* When I don't ejaculate, my testosterone level increases. I sleep better, I heal faster, I think more clearly, and I can have all the sex I want. After sex, I feel satisfied instead of tired. Try it, you'll like it. Once a man tastes honey, he is no longer content to eat shi. Don't believe me, experience dry orgasms for yourself. Experience all of the pleasure with none of the loss of energy. What on Earth are you waiting for?

Yoni Massage Michaela Riedl 2009-03-02 A tantric massage practice for awakening and enhancing women's innate sensual, emotional, and spiritual energies • Provides emotional healing by releasing traumatic memories stored in the yoni • Includes exercises that use sexual energy to cleanse and stimulate the chakras • Empowers women to draw strength and radiant vitality from the restored connection to their innermost core "Yoni" is the Sanskrit word for the female genitalia, describing not only the anatomy but also encompassing the energetic and spiritual dimensions. While a yoni massage offers women the opportunity to enhance their sexuality, Michaela Riedl shows that the effects of this practice are much more profound and have ramifications affecting every area of life. Long held inhibitions in the West about sexuality and the shame and guilt associated with the sexual zones of the body have created deep-seated barriers that prevent individuals from fully expressing themselves. The practices provided in Yoni Massage are designed to allow women to overcome these barriers and reconnect to their innermost core and deepest feminine nature. Yoni massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body through deep breathing and visualization. It provides women the ability to cleanse and energetically stimulate the chakras as well as achieve emotional healing by releasing the traumatic pain that often becomes seated in the yoni. The author explains that the relegation of this important spiritual and energetic center to a "private part" hinders the process of enlightenment. Once women are able to be in touch with their yoni energy, their connection to the entire web of life is restored to its rightful place.

**Healing Love through the Tao** Mantak Chia 2005-07-15 A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which enables higher practices of spiritual development. Jing is produced in the sexual organs, and it is energy women lose continually through menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm. *The Penis Book* Aaron Spitz, M.D. 2018-02-20 What's the weirdest thing you've ever wanted to know about the penis but were afraid to ask? The most powerful reflex points on the body are on the sexual organs. While the practice of reflexology is normally associated with massage of the feet, in *Sexual Reflexology* Mantak Chia gives applications for using the sexual reflex points in lovemaking, transforming sexual intercourse into a form of ecstatic acupressure. By combining the classic Taoist sexual texts with modern reflexology theory, the author provides a unique opportunity for couples to practice sexual intimacy as an act of healing. Mantak Chia shows how to evaluate a person's sexual energy potential as well as how the size and shape of the sexual organs determine a couple's compatibility. In addition to the specific ecstatic acupressure exercise instructions, he provides thoughtful commentary on ancient Taoist practices that reveal how we can all use our sexual essence to create healthy and loving relationships.

**The Alchemy of Sexual Energy** Mantak Chia 2009-12-23 Taoist techniques for replenishing our internal energy with universal cosmic energy • Shows how to transform excess sexual energy (Ching Chi) into self-healing energy • Presents advanced Cosmic Healing Chi Kung practices, which gather the limitless resources of Cosmic Chi for healing • Explains how opening of the three tan tiens to the six directions allows personal consciousness to connect directly to higher sources of energy Taoists consider our sexual energy to be the creative force that we can use to

regenerate the body's internal energy, but we must learn how to harness excess sexual energy and transform it into chi, or life-force energy. When we circulate the sexual energy in the Microcosmic Orbit--a continuous energy loop that runs up the spine and down the front of the body--we transform it into self-healing energy that can be stored in the organs and the three tan tiens: energy centers in the brain, the heart center, and the lower abdomen. The *Alchemy of Sexual Energy* builds upon Microcosmic Orbit practices discussed in *Healing Light of the Tao*. The more we open the flow of our internal energy the more capable we are of connecting to the cosmic energy that exists outside ourselves in the universe. By learning to open the three tan tiens to the six directions, the Taoist practitioner combines mind power with extension of chi to draw cosmic energy into the body. This energy, too, can be stored in the three tan tiens and used as needed for healing. When we learn to flow in this way with the energy of the Tao, life ceases to be a struggle.
