**Great Sex after 40** - Marvel L. Williamson 2000-05-24

Discover the secrets of lifelong sexual fulfillment. As our active years grow longer, what can we expect of our relationships? The truth may surprise you.

Both sexes report a wonderful mutual discovery: "The desire--and the ability--to engage in gratifying sex can be sustained for a lifetime!" as leading sexuality and health expert Marvel Williamson tells us in this encouraging book. Great Sex after 40 is your well-informed and candid guide to recognizing and adjusting to the normal sexual changes brought on by aging. It dispels many long-standing myths about the effects of passing years on a healthy libido. And it answers common questions (about pain during intercourse, male dysfunction, and female anorgasmia) you may have been reluctant to ask your physician. You'll find strategies you can implement yourself for

lessening the impact on sexual function associated with diseases commonly encountered at middle age and beyond. The advantages and drawbacks of the growing range of corrective surgeries and prescription drugs are fully described from the viewpoints of both patients and their partners. Whether you are approaching your middle years accompanied by a loved one or discovering new relationships later in life, Great Sex after 40 is a reassuring advisor on your journey towards intimacy.

What if it were possible to have the best sex of your life at 40, or even 70? With over twenty years of experience as a highly regarded physician and founder of the largest all-female-staffed OB/GYN practice in the nation, Dr. Susan Hartwick-Smith, also known as Dr. Susan, presents *Sexually Woke*, a surprisingly frank and thought-provoking look at midlife sexuality. This optimistic new perspective is based not only on wisdom gained from sharing intimate stories with thousands of patients, but also on her own very candid journey as a menopausal woman navigating life post-divorce. Through a unique and comprehensive research study and subsequent interviews, Dr. Susan outlines the misconception and conditioning around our attitudes to mature sex and shares the intimate secrets of a cohort of women who have discovered the path to a vibrant, deeply connected and intimated sex life after 40. These women are the mysterious "Sexually Woke",

and their surprising secrets are now available to all of us. Through her own story, as well as the raw and uncensored interviews with study participants that include the "Sexually Woke", Dr. Susan re-frames the second half of life as an open field of possibility in which to play, explore, and finally be your true self. While openly discussing our tremendous struggles-with kids, aging parents, changing careers, divorce, death, abuse, sexual trauma, and personal illness-she teaches us that the wisdom of midlife allows us to look inward in order to recognize the importance of sex in making our lives whole. A reawakened sex life, an essential step towards living life to its fullest, is no longer the secret knowledge of a few outliers. The path to deep sexual connection and satisfaction in midlife and beyond is available to anyone who is ready to commit and willing to embark on the journey with Dr. Susan and *Sexually Woke*.

**40** - Tim LaHaye 2019-07-23  
 Yes, lovemaking does change after 40, but it is still the most thrilling experience two married people of the opposite sex can experience on this earth! In this practical, fun-to-read, illustrated guidebook, Tim and Beverly LaHaye cover a broad spectrum of key topics and show married couples how to experience a more satisfying and joy-filled sex life long after age 40. Millions of married couples have questions about sexual intimacy. Yet all too often, their questions go unasked . . . or unanswered. This easy-reading, medically sound book candidly addresses issues of intimacy: Does sexual desire actually reverse with aging? How does menopause affect a woman's sex drive? How can exercise and nutritional supplements improve our sex life? Is there such a thing as male menopause? What can we do to put more spark into our lovemaking? You'll learn about sexual desire and dysfunction. Understand the risk and temptation of extramarital

affairs. Gain a better understanding of menopause and the dangers of breast and prostate cancer. Learn how to prepare for, and adjust to, physical changes affecting lovemaking. You and your spouse can rekindle that sexual spark in your marriage--or build even stronger intimacy and commitment.

2004-05

This book is fiction and very erotic, based on facts in life, some of which I have witnessed, some of which I have observed. It is based on life's experiences and fantasies. It tells of sexual torture and humiliation. The pain and enjoyment of such sex! The craving for sex in all its forms in or out of partnerships! Jim and Sarah, the main characters

of the story, tell of how they became involved in sexual blackmail through Jim's previous sexual experiences. They got their sexual satisfaction by associating with members of the same sex as well as the opposite sex and by public exhibition. Charles, their friend, is asked to help them out. How he becomes involved with them and those in higher places is fascinating. There is the usual villain, a sinister and sadistic Chinese old man, who tries to use blackmail to intimidate people and subject them to his lust for power over other human beings. Charles's deceased wife tries to show him the way forward by planting thoughts in his mind and appearing before him in the form of visions. An erotic and fantasised story for those with such interests, take it to bed with you!
