

Opening And Presence A Spiritual Path Of Relationship

The Blessing Is the Journey -

Angela E. Mcknight 2015-09-02

The Blessing is The Journey is a Christian inspiration book that gives testimony that when the hand of God is positioned on your life, there is no plan that can override his plan. It discusses the issue of fulfilling the destiny that God has planned for your life. I share overcoming obstacles and facing fears on the journey to purpose. The Bible tells us that the steps of a righteous man are ordered. It is in my journey and in my spiritual development to see these words become life lessons in the flesh. In it, I share my journey to building a relationship with God, as well as some of the trials in which God used to teach me his

purpose for my life. It discusses those unique and precious gifts he gives us to help us along our journey and, most of all, his love for us and his desire to have us live fulfilled lives. I have not only learned to hear the voice of God, but I also have learned that a relationship with him will teach you to hear his voice along this journey. My proof is that over the course of twelve years, God did some of the most amazing things, as it is his will that my life be in alignment with his will. I am in no way saying that I am the perfect Christian, and in fact, there is no such thing as a perfect person. All I can say is that trusting and obeying God will eventually lead you to his promises for your life. If I am

Opening And Presence A Spiritual Path Of Relationship

there yet is the question you might ask. It is only a question that I can answer with transparency and humility. No, I am not there yet, but I am closer than I have ever been. I believe that our lives are the evolution of who we were created to be. When you have a relationship with God and he reveals himself to you, you are moving to your higher self, the person he created you to be. This has been my journey, and this is just the beginning of my spiritual growth in him. I am his work in progress, and I am evolving toward the real me. I share my testimony as evidence that God does truly use the foolish things of this world to confound the wise. I can give witness that it is truly a humbling experience to hear the voice of God and even more so when he reveals himself to you. It is a thirst that nothing in this world can satisfy. I share with you my story of how I had to grow to an understanding of the gifts that God had placed inside of me and how they are to be used for the building of his kingdom.

When God gives you a gift, it is never just for you. The gift that he gives us, when shared, ultimately shows his glory. In finding that gift, you must first be open to his love. God is love and is the greatest gift to us. It is his love that empowers us and gives us the strength to just keep going. In the face of adversity, he will give us his strength and his power to endure life's storms and attacks that seek to rob us of his promises to give us a better life. Love is the connection to him, and when we share that love, the greater the strength in us. This is my testimony of God's love.

Our Eternal Relationship - Joseph V. McCarthy 2021-07-14

Many years ago, Joseph V. McCarthy dreamed a revelation that shattered his world-view and altered his life direction forever. After nine years as a correctional officer in the prison system, Joe left for a monastic life at Tarrawarra Abbey in Victoria, Australia. He lived as a monk for six years, immersed in a life of spiritual contemplation. During this time, he was introduced to "A Course in Miracles". It's message of divinity as a tangible force in the world prompted Joe to reflect on its presence in the wider community beyond the cloister. Joe left the monastery and eventually became a training officer for emergency services in a rural/tourist area. While

engaged in lost person searches; flood, cliff and car crash rescues; and more, he witnessed tragic misfortune and miraculous survival. His eyes were opened to the fragility of this precious life. In his role as a spiritual director, and later as pastoral carer in a hospital, Joe realised the deep longing in all human hearts for spiritual meaning and peace. He was inspired to write 'Our Eternal Relationship', which shares the key insights and contemplations that were so transformative in his journey. From prison officer to monk to emergency rescuer to pastoral carer for the sick and dying, Joseph V. McCarthy has not flinched from witnessing life's darkest pits of despair. He believes, "There is not a person in this world who does not deserve our sympathy," and he offers simple steps towards a life of spiritual integrity and contribution, free of religious dogma.

[The Masters and the Spiritual Path](#) - Mark L. Prophet 2001

This intriguing work offers an innovative perspective on the universe and your role in it: - The relationship between the ascension, nirvana and samadhi - The parallel structure of the spiritual and

material universes - The difference between ascended and unascended masters - The function of the spiritual hierarchy and the role of the Masters - A unique meditation on the bliss of union with Spirit - A breathing exercise to help you balance and expand consciousness In this brilliant blend of East and West, you will discover valuable keys for own spiritual path.

The Sacred Art of Soul

Making - Joseph Naft 2006-06

"Deep within each of us dwells the source of peace, purpose, and love. Yet we live in the chaotic dissonance of the superficial layers of our hearts and minds. A sea of the most precious spiritual energies surrounds us, inside and out, yet our thirst remains unquenched, our souls malnourished and unformed." (from the Introduction).

Bridging East and West, "The Sacred Art of Soul Making" addresses the central questions of spiritual practice with the depth and subtlety they require and with unexpected clarity. As Westerners raised in

Christianity or Judaism progress in their Eastern practices, they often find themselves drawn back toward their own religious roots and the search for the Divinity. They may rediscover their need for a personal relationship with the Divine, for the practice of prayer, openness to conscience and the understanding of will found in the monotheistic religions. Many people have not engaged Eastern meditative practices out of devotion to their own religion. Those may well find the inner work forms of presence and meditation, stripped of cultural trappings, to be important adjuncts to the practice of prayer, helping open the way to the sacred depths sought in Western religions. This authentic, substantive, and multi-faceted spirituality for our time begins where we are and ultimately takes us beyond consciousness, toward the abode of the sacred. That sacredness can touch and transform each of us, if we make the necessary, devoted effort. This book helps make

Opening And Presence A Spiritual Path Of Relationship

that possible.

The Practice of the Presence of God - Brother Lawrence
2022-01-27

The Practice of the Presence of God - Brother Lawrence - *The Practice of the Presence of God* is a book of collected teachings of Brother Lawrence (born Nicolas Herman), a 17th-century Carmelite friar, compiled by Father Joseph de

Opening And Presence A Spiritual Path Of Relationship

Beaufort. The compilation includes letters, as well as records of his conversations kept by Brother Lawrence's interlocutors. The basic theme of the book is the development of an awareness of the presence of God. This collection of conversations and letters of Brother Lawrence, born Nicholas Herman, describe his daily habits in developing his relationship with an almighty being, God. Lawrence describes his spiritual journey from the time of his conversion, at eighteen, to just days before his death. He admonishes any person interested in an authentic religious experience to seek God continuously. If one does this, one attains a consistent relationship with God. Attitudes such as selfless love and attention to detail evidence such a relationship. Brother Lawrence sees God as his father, his friend, his judge, and his king, among other things. Each of these personifications of God arises at different points of Lawrence's life and spiritual

journey. Contrary to spiritual advisors of his time, Lawrence advises devotees to seek God continually and simply, not using repetitive prayers at assigned times only. Secular activities sometimes distract one from one's desired devotion, but years of constant applications and confessions eventually bring one to a place of living in the presence of God. In his letters, Brother Lawrence writes to other members of clergy, advising them and describing for them his daily habits that lead to his personal relationship with God. However, one realizes that Lawrence intends this prescription for people of any lifestyle, not just clergy. To prove this point, he includes instructions to a young soldier, who Lawrence advises to seek God for safety. He also admonishes the young soldier to keep his love for people below his love for God.

Universe. - Richard Elliott
2023-11-10

The author's second book, DEVELOPING A PERSONAL RELATIONSHIP WITH GOD THE ONE WHO CREATED THE UNIVERSE, is a follow-up to his first book REFLECTIONS ON LIFE. In the first book, the author found the answer to

"Who am I" which led him to develop a firmly grounded belief system and deepen his understanding of "Who is God." In the second book, the author shares his personal spiritual journey to develop a personal relationship with God. The author believes that humanity is not capable of fully comprehending who or what God is and that the names humanity has given their gods are the gods they understand. The author is a Christian but believes that his understanding of God is limited by Christian theology. He believes that to develop a personal relationship with God, he must go beyond his limited understanding of his Christian God and develop a relationship with the God that is just beyond his understanding. The book is divided into five chapters, with Chapter 1 focusing on how God's revelations revealed His existence to all humanity and all religions. Chapter 2 focuses on Jesus Christ as God's living presence who models and teaches humanity how to coexist. Chapter 3 focuses on
