The Love Book - Elizabeth N. Doyd 2015-03-06

Do you want love more than you're afraid of it? What if I tell you that your soulmate is about to knock on your door? Are you ready to receive this amazing person into your life? If you have the desire to be with a soulmate, love and marriage is not only possible, it's your destiny. The main reason you don't have big love in your life yet is because you haven't been ready to receive it. If you believe deep down that you're not worthy of love, guess what? You manifest your own reality. But you can take back control of the direction of your love life, and it's easier than you think. Part One of this book will shed light on what's been holding you back, providing journal writing and meditation exercises to remove any blockages you may have. You might have to dig up some old pain, fears, and insecurities to

release them, but it's worth making the space in your heart to welcome in love. In Part Two, we'll get to the fun stuff—letting your soulmate in! You'll get to create your dream relationship, make a vision board, learn to keep your love vibration high, make a bucket list of all the things you want to do with your soulmate once you are together, and more. Author and relationship expert Elizabeth N. Doyd has written a book based on her twenty years of spiritual studies and eleven years of helping others find love with her soulmate secrets. "The Love Book" includes plenty of journal writing exercises because journaling is an effective technique used by psychologists, psychiatrists and other coaches. When you lay down your deepest, toughest feelings in writing, you can examine your internal mechanisms to make the necessary changes. If you do this powerful work, you won't be projecting your insecurities, fears and other personal issues onto your partner. You won't

make your soulmate the sole purpose of existence. This book is not just about how to find your soulmate. It's also about discovering yourself, what you want and uncovering your purpose in life. When you're whole and complete, you won't exude the energy of neediness and decency that is so counterproductive in attracting love. Law of attraction applies to love too; like attracts like, and when you exude love, you get love! This book is NOT for you if you're looking for flirting and seduction techniques. Instead it's about reframing your negative beliefs and thinking patterns, and making inner shifts in order to attract long-lasting fulfillment and true soulmate love. There's a focus on spiritual thinking, but without association with any particular religion. Topics Include: ♥ Clarifying your intention for love ♥ How to recognize your soulmate ♥ Releasing past lovers and past pain ♥ How to survive the holidays single ♥ Finding your own life purpose ♥ How to be your best self ♥ Making your

You Only Fall in Love Three Times - Kate Rose 2020-01-14

Discover the three types of love--and the key to finding the one you're truly meant to be with. We love and we love again -- sometimes our hearts get broken but, somehow, we find the courage to dive back in. In this soul-searching book, relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are, what they want, and finally, to the discovery of their Twin Flame. According to Rose, love is a journey of self-discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy. She introduces readers to the three types of love we will all experience: The Soulmate introduces us to the dream of love, but somehow what seemed like it would be "happily ever after" wasn't meant to last forever. We are so consumed with making The Karmic Love work that we often fail to question whether it should work. As painful as it is to accept, this love that felt so right in the beginning is

actually all wrong. The Twin Flame comes into our lives and often we don't even know it's love because . . . it's too easy. This is the love who helps us to accept ourselves just as we are because this is precisely what they do. In You Only Fall in Love Three Times, Kate Rose shows us that happy endings may not happen quite the way they do in fairytales-- but they happen nonetheless. 1996 Sun Sign Book - Llewellyn Publications 1995-08 This much-repected annual is famous for its detailed and on-the-mark horoscopes by Gloria Star, which preview each sign's monthly outlook on health, romance and relationships, finance, career, opportunities to watch for, and rewarding and challenging days. All Signs Point to Paris - Natasha Sizlo 2022-08-16

"This one brims with magic...

An absolute page-turner and joy to read!-- Jane Green, New York Times bestselling author
A surprising astrology reading sends Natasha Sizlo--divorced, broke, freshly heartbroken, and reeling from her father's death--on an unexpected but magical journey to France, in pursuit of a man born on a particular date in a particular place: November 2, 1968 in

Paris. It's the cusp of Natasha Sizlo's forty-fourth birthday. Still reeling from her disastrous divorce, she's navigating life as a single mom and doing her best to fake it till she makes it in the cutthroat world of LA real estate. In the meantime, her ex-husband is dating a Hollywood star, and she's just broken it off--for the hundredth and final time--with her devastatingly handsome but impossibly noncommittal French boyfriend. Just when it seems things can't get any worse, her beloved father is given months to live. So when she's gifted a session with LA's most sought-after astrologist, Natasha--despite being a total skeptic--figures she has nothing to lose. The reading is eerily, impossibly accurate. As her misgivings give way, Natasha can't help but ask about her ex-boyfriend, the French man she can't seem to get over. To her surprise, the astrologist tells her that he is perfect for her. His birthday and birthplace--November 2, 1968, in Paris, France--lines up with her astrological point

of destiny. The word husband comes up. Natasha is distraught. Panicked, even. Was he really The One? Was this all the big soul love she was destined for? Then, she has a lightning bolt of an idea: her ex wasn't the only man born on November 2, 1968, in Paris. Natasha's real soulmate is still out there—she just has to find him. Joined by her sister and two of her closest girlfriends and buoyed by her father's parting message to never give up on love, Natasha flies to the City of Light, determined to take destiny into her own hands. Propulsive, touching, and darkly funny, All Signs Point to Paris is the story of one woman's search for a second chance at love, with a dusting of astrological magic. Unforgettable and inspiring, Natasha's journey reveals what can happen when you ask the universe for what you want—and are brave enough to open your heart when the answer finally comes.
