Sea of Glory - Nathaniel Philbrick 2004-10-26

"A treasure of a book."—David McCullough The harrowing story of a pathbreaking naval expedition that set out to map the entire Pacific Ocean, dwarfing Lewis and Clark with its discoveries, from the New York Times bestselling author of Valiant Ambition and In the Hurricane's Eye. A New York Times Notable

Book America's first frontier was not the West; it was the sea, and no one writes more eloquently about that watery wilderness than Nathaniel Philbrick. In his bestselling In the Heart of the Sea Philbrick probed the nightmarish dangers of the vast Pacific. Now, in an epic sea adventure, he writes about one of the most ambitious voyages of discovery the Western world has ever

Revenge Of The Whale The True Story Of The Whaleship Essex

seen—the U.S. Exploring Expedition of 1838-1842. On a scale that dwarfed the journey of Lewis and Clark, six magnificent sailing vessels and a crew of hundreds set out to map the entire Pacific Ocean and ended up naming the newly discovered continent of Antarctica, collecting what would become the basis of the Smithsonian Institution. Combining spellbinding human drama and meticulous research, Philbrick reconstructs the dark saga of the voyage to show why, instead of being celebrated and revered as that of Lewis and Clark, it has—until now—been relegated to a footnote in the national memory. Winner of the Theodore and Franklin D. Roosevelt Naval History Prize
Abram's Eyes - Nathaniel Philbrick 1998-01-01

Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-Ship Essex - Owen Chase 2016-04-12

Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-ship Essex is

an account by first mate Owen Chase of the Essex, a whale ship from Nantucket, Massachusetts, that was sunk by a sperm whale in the Pacific Ocean near South American in 1820. Of the twenty-man crew, only eight survived the horrific ordeal; some men were stranded on an island, all remaining crew were forced to eat food tainted by seawater and drink their own urine, and finally, when members of the crew started dying, those still alive resorted to cannibalism until they were rescued. Narrative of the Whale-ship Essex inspired Herman Melville to write his enduring classic Moby-Dick in 1851; it also inspired the 2015 movie In the Heart of the Sea, based on the 2000 best-selling book of the same name.

Revenge of the Whale - Nathaniel Philbrick 2002

Recounts the 1820 sinking of the whaleship "Essex" by an enraged sperm whale and how the crew of young men survived against impossible odds.

In the Heart of the Sea (Young Readers Edition) - Nathaniel Philbrick 2015-09-15

The New York Times bestselling and National Book Award winning *In the Heart of the Sea*, soon to be a major motion picture directed by Ron Howard, adapted by the author for young readers. On November 20, 1820, the whaleship Essex was rammed and sunk by an angry whale. Within minutes, the twenty-one-man crew, including the fourteen-year-old cabin boy Thomas Nickerson, found themselves stranded in three leaky boats in the middle of the Pacific Ocean with barely any supplies and little hope. Three months later, two of the boats were rescued 4,500 miles away, off the coast of South America. Of the twenty-one castaways, only eight survived, including young Thomas. Based on his New York Times best-seller *In the Heart of the Sea*, Nathaniel Philbrick recreates the amazing events of the ill-fated Essex through the sailors own first-hand accounts, photos, maps, and artwork, and tells the tale of one of the

great true-life adventure stories. "Horribly engrossing." —Kirkus Reviews "A compelling saga of desperation and survival." —School Library Journal

Ben's Revolution - Nathaniel Philbrick 2017-05-23

History comes alive in this gripping account of a young boy caught up in the start of the Revolutionary War. Based on an episode in National Book Award-winning author Nathaniel Philbrick's New York Times bestseller *Bunker Hill: A City, A Siege, A Revolution*, this engrossing story allows readers to experience history from a child's perspective, and Wendell Minor's stunning paintings will transport readers back to the early days of the Revolutionary War. Benjamin Russell is in school on the morning of April 19th, 1775, when his teacher announces, "The war's begun, and you may run!" Ben knew this day was coming; after all, tensions had been mounting between the colonists and the British troops ever since the

Revenge Of The Whale The True Story Of The Whaleship Essex

Boston Tea Party. And now they have finally reached the breaking point. Ben and his friends excitedly rush out of their classroom to bear witness, and follow the throngs of redcoats marching out of Boston toward Concord. Much to Ben's surprise, Boston is sealed off later that day—leaving the boys stuck outside the city, in the middle of a war, with no way to reach their families. But Ben isn't worried—he's eager to help the Patriots! He soon becomes a clerk to the jovial Israel Putnam, a general in the provincial army. For months he watches the militia grow into an organized army, and when the Battle of Bunker Hill erupts, Ben is awed by the bravery of the Patriots, although saddened by the toll war takes. He later goes on to become an apprentice at a Revolutionary newspaper, and it's a happy day when they get to report on the signing of the Declaration of Independence. Praise for Bunker Hill: A City, A Siege, A Revolution "Philbrick guides us beautifully through Revolutionary Boston, with the Battle of

Bunker Hill as his story's grand climax."—The New York Times Book Review "Masterly narrative . . . Philbrick tells the complex story superbly . . . gripping book."—The Wall Street Journal "A masterpiece of narrative and perspective. . . . This is not only . . . the greatest American story. It is also the American story."—The Boston Globe "You will delight in the story and the multitude of details Philbrick offers up."—USA Today

The Loss of the Ship Essex, Sunk by a Whale - Thomas Nickerson 2000-05-01

The gripping first-hand narrative of the whaling ship disaster that inspired Melville's *Moby-Dick* and informed Nathaniel Philbrick's monumental history, *In the Heart of the Sea* In 1820, the Nantucket whaleship Essex was rammed by an angry sperm whale thousands of miles from home in the South Pacific. The Essex sank, leaving twenty crew members drifting in three small open boats for ninety days. Through drastic measures, eight men survived to reveal

Revenge Of The Whale The True Story Of The Whaleship Essex

this astonishing tale. The Narrative of the Wreck of the Whaleship Essex, by Owen Chase, has long been the essential account of the Essex's doomed voyage. But in 1980, a new account of the disaster was discovered, penned late in life by Thomas Nickerson, who had been the fifteen-year-old cabin boy of the ship. This discovery has vastly expanded and clarified the history of an event as grandiose in its time as the Titanic. This edition presents Nickerson's never-before-published chronicle alongside Chase's version. Also included are the most important other contemporary accounts of the incident, Melville's notes in his copy of the Chase narrative, and journal entries by Emerson and Thoreau. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide

authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Why Read Moby-Dick? - Nathaniel Philbrick
2013-09-24

A "brilliant and provocative" (The New Yorker) celebration of Melville's masterpiece—from the bestselling author of *In the Heart of the Sea*, *Valiant Ambition*, and *In the Hurricane's Eye*—One of the greatest American novels finds its perfect contemporary champion in *Why Read Moby-Dick?*, Nathaniel Philbrick's enlightening and entertaining tour through Melville's classic. As he did in his National Book Award-winning bestseller *In the Heart of the Sea*, Philbrick brings a sailor's eye and an adventurer's passion to unfolding the story behind an epic American journey. He skillfully navigates Melville's world and illuminates the book's humor and unforgettable characters—finding the thread that binds Ishmael and Ahab to our own time

Revenge Of The Whale The True Story Of The Whaleship Essex

and, indeed, to all times. An ideal match between author and subject, *Why Read Moby-Dick?* will start conversations, inspire arguments, and make a powerful case that this classic tale waits to be discovered anew.

"Gracefully written [with an] infectious enthusiasm..."—New York Times Book Review

The Wreck of the Essex - Kathryn Griffin
2018-01-23

Fourteen year old Thomas Nickerson stands aboard the whaling ship *Essex* and scans the Pacific Ocean. Somewhere beneath the surface lurks Maximus, the sperm whale that killed his father. suddenly the whale charges and destroys the ship. Thus begins the odyssey of Thomas Nickerson and the *Essex* crew, adrift in battered whaleboats thousands of miles from land. As they battle starvation and storms, Tom makes surprising discoveries about courage, hope, and the power of friendship.

Away Off Shore - Nathaniel Philbrick 2017
A book about a tiny island with a huge history,

from a New York Times bestselling author of the forthcoming book, *Valiant Ambition* (May 2016) "For everyone who loves Nantucket Island this is the indispensable book."--Russell Baker In his first book of history, *Away Off Shore*, New York Times-bestselling author Nathaniel Philbrick reveals the people and the stories behind what was once the whaling capital of the world. Beyond its charm, quaint local traditions, and whaling yarns, Philbrick explores the origins of Nantucket in this comprehensive history. From the English settlers who thought they were purchasing a "Native American ghost town" but actually found a fully realized society, through the rise and fall of the then thriving whaling industry, the story of Nantucket is a truly unique chapter of American history. With a Preface read by the Author.

Moby Dick - Herman Melville 2010-01-01
In Herman Melville's classic tale of revenge, Ishmael tells his story of becoming a whaler on the *Pequod*. When Ishmael and his unexpected

friend Queequeg join Captain Ahab's hunt for Moby Dick, the voyage of a lifetime turns into tragedy. The adventures of sailing the seas on the hunt for the great white whale is retold in the Calico Illustrated Classics adaptation of Melville's Moby Dick. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.

Mocha Dick - Jeremiah N. Reynolds 2013-04-06
Jeremiah N. Reynolds (1799-1858), an American newspaper editor, lecturer, explorer and author who became an influential advocate for scientific expeditions. Reynolds gathered first-hand observations of Mocha Dick, an albino sperm whale off Chile who bedeviled a generation of whalers for thirty years before succumbing to one. Mocha Dick survived many skirmishes (by some accounts at least 100) with whalers before he was eventually killed. In May 1839, The Knickerbocker, or New-York Monthly Magazine published Reynolds' "Mocha Dick: Or the White Whale of the Pacific," the inspiration for Herman

Melville's 1851 novel Moby-Dick. In Reynolds' account, Mocha Dick was killed in 1838, after he appeared to come to the aid of a distraught cow whose calf had just been slain by the whalers. His body was 70 feet long and yielded 100 barrels of oil, along with some ambergris. He also had several harpoons in his body.

The Last Stand - Nathaniel Philbrick
2014-11-27

This is the archetypal story of the American West. Whether it is cast as a tale of unmatched bravery in the face of impossible odds or of insane arrogance receiving its rightful comeuppance, Custer's Last Stand continues to captivate the imagination. Nathaniel Philbrick brilliantly reconstructs the build-up to the Battle of the Little Big Horn through to the final eruption of violence. Two legendary figures dominate the events: George Armstrong Custer and Sitting Bull. Those involved are brought vividly to life, as well as the history, geography and haunting beauty of the Great Plains. This
