The Runaway Bride - Claire Delacroix 2018-11-27
 Aoife MacNeill is a beauty and a prize, a former heiress who wants to marry for love, but her father has arranged her marriage to Nigel Armstrong, the oldest son and heir of the Hawk of Inverfyre. One look confirms that Nigel will never possess her heart—although his cousin, Ross of Kinfairlie, is another matter. Aoife knows she cannot escape her fate, but yearns for one last adventure: she will flee Inverfyre and hope that Ross will be sent in pursuit. She tells herself that one kiss will be sufficient... Ross of Kinfairlie is a mercenary with a blade for hire; a knight without the coin to claim a bride. When his cousin's betrothed flees, he lends chase, for the Hawk of Inverfyre trained him. Ross suspects that Aoife plays a game, but her ploy is dangerous—the treacherous MacLaren clan, always seeking to undermine Inverfyre, take her captive. In the course of rescuing Aoife and ensuring her safety, Ross finds himself captivated by the fierce and beautiful maiden. How much will Ross surrender to guarantee Aoife's safety? And how much will Aoife offer to protect the man who has captured her heart? ***** I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> I. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren

clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story. II. The Jewels of Kinfairlie At the end of The Warrior, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love. 1. The Beauty Bride Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets. 2. The Rose Red Bride Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too. 3. The Snow White Bride It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride? 4. The Ballad of Rosamunde Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too. III. The True Love Brides At the end of The Snow White Bride, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well. 1. The Renegade's Heart Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal maiden defeat an immortal queen by winning Murdoch's love for her own? 2. The Highlander's Curse Garrett is cursed to hear the thoughts of others as clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves? 3. The Frost Maiden's Kiss Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When

pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price. 4. The Warrior's Prize The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her. IV. The Brides of Inverfyre There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married. 1. The Mercenary's Bride This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve. 2. The Runaway Bride Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too. There are Family Trees for Inverfyre, Ravensmuir and Kinfairlie available as free downloads in my online store. Joanna's Highlander - A Scottish Historical Time Travel Romance (Highland Protector Series - Book 2) - Maeve Greyson 2023-04

This tenth-century Highland warrior has a lot to learn about twenty-first century women. Haunted by lost love, Grant MacDara still dreams of tenth-century Scotland. Nothing can soothe his aching heart-until a sharp-tongued, redheaded beauty leads a tour of senior citizens through his family's North Carolina theme park, Highland Life and Legends. Though she's the polar opposite of the lass he left behind, Joanna Martin is the most irresistible woman Grant has ever met. But when he decides that she's worth the risk of loving again, he tries so hard to hold her close that she nearly slips through his fingers. Forced out of her job as a pharmaceutical sales rep by a conniving ex, Joanna is trying to make the best of her quiet new life. But one glimpse of Grant-who wields an ancient hammer like it's just another appendage of his chiseled body-convinces Joanna not to give up on love. But the one thing she can't do is outrun her past as a loser magnet. And although Grant seems to be the last honorable man left on earth, this mouthwatering temptation needs a crash course in twenty-first-century women before Joanna will trust him with her heart. More than 400 films and 150 television series have featured time travel-stories of rewriting history, lovers separated by centuries, journeys to the past or the (often dystopian) future. This book examines some of the roles time travel plays on screen in science fiction and fantasy. Plot synopses and credits are listed for films and TV series from England, Canada, the UK and Japan, as well as for TV and films from elsewhere in the world. Tropes and plot elements are highlighted. The author discusses philosophical questions about time travel, such as the logic of timelines, causality (what's to keep time-travelers from jumping back and correcting every mistake?) and morality (if you correct a mistake, are you still guilty of it?).

The Beauty Bride - Claire Delacroix 2013-01-16

More cherished than gold are the Jewels of Kinfairlie, and only the worthiest of men may fight for their love...The Laird of Kinfairlie has unmarried sisters, each a gem in her own right. And he has no choice but to see them all wed in haste. Lady Madeline's heart is not for sale...especially not to a notorious outlaw like Rhys FitzHenry. Yet Madeline's hand has been sold, to none other than this battle-weary warrior with a price on his head. A more dutiful maiden might cede to the Laird's command and meekly accept her fate, but Madeline has never been obedient. She decides to run away, though she never dreams that Rhys will pursue her. She does not expect this taciturn man to woo her with fanciful stories, much less that each of his enthralling tales will reveal a scar upon his shielded soul. She never imagines that a man like Rhys could imperil her own heart while revealing so little of his own feelings. When Rhys' past threatens his future, Madeline takes a leap of faith. She dares to believe him innocent - and risks her own life to pursue a passion more priceless than the rarest gem. written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> I. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story. II. The Jewels of Kinfairlie At the end of The Warrior, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love. 1. The Beauty Bride Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys FitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets. 2. The Rose Red Bride Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too. 3. The Snow White Bride It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride? 4. The Ballad of Rosamunde Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too. III. The True Love Brides At the end of The Snow White Bride, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well. 1. The Renegade's Heart Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal maiden defeat an immortal queen by winning Murdoch's love for her own? 2. The Highlander's Curse Garrett is cursed to hear the thoughts of others as

clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves? 3. The Frost Maiden's Kiss Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price. 4. The Warrior's Prize The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her. IV. The Brides of Inverfyre There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married. 1. The Mercenary's Bride This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve. 2. The Runaway Bride Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too. Most of the books are also available in audio. There are Family Trees for Inverfyre, Ravensmuir and Kinfairlie available as free downloads in my online store. The maiden was just another treasure to be won—until she stole his heart and changed his life forever. Outraged that her beloved brother's soul is to be the Fae tithe to Hell, Elizabeth knows that she must save him. She is the only one in her family who can see the Fae, after all, and is already cursed by their king herself. Malcolm may have offered to replace his comrade out of honor, but Elizabeth knows who better deserves to live—and it is not the handsome rogue, Rafael, who is concerned with his own welfare alone. It should be easy to make a wager with a mercenary, especially as Elizabeth does not care about the cost to herself. To her surprise, though, Rafael proves to be the man who not only takes her dare, but banishes the Fae king's curse with kisses that turn her blood to fire. Could this hardened warrior, who appears to have no heart, be the destined love she has awaited? At first glimpse, Rafael believes Elizabeth to be an angel sent to judge him—and he knows what her verdict will be. He has made choices in order to survive, and is not proud of them. But Elizabeth dares him to change, with an audacity that awakens a nobility of purpose that Rafael has forgotten he possessed. Can this bold maiden heal the wounds of his past? Can Rafael earn the right to grant her the life she deserves—and do so before the Fae king springs his trap, making Elizabeth his captive forever? ***** I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> I. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story. II. The Jewels of Kinfairlie At the end of The Warrior, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. An Outlander Collection - Diana Gabaldon 2016-12-08

Read the first three books in the million-copy bestselling Outlander series that inspired the TV show. What if your future was the past? Book 1: Outlander 1946, and Claire Randall goes to the Scottish Highlands with her husband Frank. It's a second honeymoon, a chance to learn how war has changed them and to re-establish their loving marriage. But one afternoon, Claire walks through a circle of standing stones and vanishes into 1743, where the first person she meets is a British army officer - her husband's six-times great-grandfather. Unfortunately, Black Jack Randall is not the man his descendant is, and while trying to escape him, Claire falls into the hands of a gang of Scottish outlaws, and finds herself a Sassenach - an outlander - in danger from both Jacobites and Redcoats. Marooned amid danger, passion and violence, her only chance of safety

lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. Book 2: Dragonfly in Amber For twenty years Claire Randall has kept her secrets. But now she is returning with her grown daughter to the majesty of Scotland's mist-shrouded hills. Here Claire plans to reveal a truth as stunning as the events that gave it birth: about the mystery of an ancient circle of standing stones, about a love that transcends the boundaries of time, and about James Fraser, a warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. Now a legacy of blood and desire will test her beautiful daughter as Claire's spellbinding journey continues in the intrigue-ridden court of Charles Edward Stuart, in a race to thwart a doomed uprising, and in a desperate fight to save both the child and the man she loves. Book 3: Voyager Jamie Fraser is lying on the battlefield of Culloden, where he rises wounded, to face execution or imprisonment. Either prospect pales beside the pain of loss - his wife is gone. Forever. But sometimes forever is shorter than one thinks. In 1746, Claire Fraser made a perilous journey through time, leaving her young husband to die at Culloden, in order to protect their unborn child. In 1968, Claire has just been struck through the heart, discovering that Jamie Fraser didn't die in battle. But where is Jamie now? With the help of her grown daughter, Claire sets out to find the man who was her life - and might be once again.

A night of violence has left Catriona with no home and no faith in the honor of men. She expects little good from a visit to her lady's brother, Laird of Ravensmuir and a mercenary. But the handsome laird challenges her expectations with his courtesy, his allure—and his unexpected proposal. Knowing it is her sole chance to ensure her child's future, Catriona dares to accept Malcolm's hand. She soon realizes that this warrior fights a battle of his own, and that she holds the key to his salvation. Little does she realize that her past is in hot pursuit, seeking to destroy all she holds dear—including the laird who has thawed the frost of her reluctant heart. ***** I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. Defenders against evil. Bound by the gods. The Dark Warriors are taking their battle from ancient Scotland to the modern world—where a woman's love can set them free... A WARRIOR'S PASSION Driven by the fierce god within him, highlander Ian Kerr is sworn to fight for the land he loves—and the brother he lost. But when he's transported four
