The Second Sex - Simone de Beauvoir 1997

Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

Better Than Sex - Hunter S. Thompson 2012-08-15

"Hunter S. Thompson is to drug-addled, stream-of-consciousness, psycho-political black humor what Forrest Gump is to idiot savants." --The Philadelphia Inquirer Since his 1972 trailblazing opus, *Fear and Loathing on the Campaign Trail*, Hunter S. Thompson has reported the election story in his truly inimitable, just-short-of-libel style. In *Better than Sex*, Thompson hits the dusty trail again--without leaving home--yet manages to deliver a mind-bending view of the 1992 presidential campaign--in all of its horror, sacrifice, lust, and dubious glory. Complete with faxes sent to and received by candidate Clinton's top aides, and 100 percent pure gonzo screeds on Richard Nixon, George Bush, and Oliver North, here is the most true-blue campaign tell-all ever penned by man or beast.

"[Thompson] delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U.S. presidential sweepstakes. Packed with egocentric anecdotes, musings and reprints of memos, faxes and scrawled handwritten notes (Memorable." --Los Angeles Daily News "What endears Hunter Thompson to anyone who reads him is that he will say what others are afraid to (. [He] is a master at the unlikely but invariably telling line that sums up a political figure (. In a year when all politics is--to much of the public--a tendentious and pompous bore, it is time to read Hunter Thompson." --Richmond Times-Dispatch "While Tom Wolfe mastered the technique of being a fly on the wall, Thompson mastered the art of being a fly in the ointment. He made himself a part of every story, made no apologies for it and thus produced far more honest reporting than any crusading member of the Fourth Estate (. Thompson isn't afraid to take the hard medicine, nor is he bashful about dishing it out (. He is still king of beasts, and his apocalyptic prophecies seldom miss their target." --Tulsa World "This is a very, very funny book. No one can ever match Thompson in the vitriol department, and virtually nobody escapes his wrath." --The Flint Journal

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

Intellectually Impaired People - Klaus Rose 2023-03-09

*Intellectually Impaired People: The Ongoing Battle* addresses challenges against the background of history, changing societal environments, and current intellectual approaches and attitudes toward persons with disabilities. The book discusses national and international conventions, societal attitudes, sheltered workshops, the right of intellectually impaired persons for self-responsibility and its limitations, and the place of mentally impaired persons in the public image. Additionally, the book attempts to capture the forces that drive the changes of our conceptual frameworks. The US Tuskegee study which withheld antibiotics from black men with syphilis was not ended by scientific criticism but by a courageous man, press reports, and a changed social perception. The non-hiding of handicapped children is not the result of government orders, there are many non-resolvable dilemmas and tension between supporting, understanding, and patronizing a complex situation with many potential future avenues. Recognizes how contradictory feelings and attitudes toward impaired persons have a complex historical

background. Sheds light on society and our institutions that deal with disabled people and the limitations of an isolated medical approach. Covers national and international conventions of mentally impaired persons

Masters of Sex - Thomas Maier 2013-07-02

Now a New Showtime Original Series Showtime's dramatic series *Masters of Sex*, starring Michael Sheen and Lizzy Caplan, is based on this real-life story of sex researchers William Masters and Virginia Johnson. Before *Sex and the City* and *Viagra*™, America relied on Masters and Johnson to teach us everything we needed to know about what goes on in the bedroom. Convincing hundreds of men and women to shed their clothes and copulate, the pair were the nation's top experts on love and intimacy. Highlighting interviews with the notoriously private Masters and the ambitious Johnson, critically acclaimed biographer Thomas Maier shows how this unusual team changed the way we all thought about, talked about, and engaged in sex while they simultaneously tried to make sense of their own relationship.

Entertaining, revealing, and beautifully told, *Masters of Sex* sheds light on the eternal mysteries of desire, intimacy, and the American psyche.

Everything You Always Wanted to Know about Sex - David Roben 1971

The Ultimate Guide to Anal Sex for Women - Tristan Taormino 2006-01-27

Described by Salon as 'the bible of female anal sex,' *The Ultimate Guide to Anal Sex for Women* is a comprehensive and creative guide to anal pleasure. Tristan Taormino offers the kind of informed reassurance that can encourage even an absolute beginner to explore this nerve-rich part of the body, either alone or with a partner of any gender. Beginning by dispelling common myths about anal eroticism, Taormino goes on to illustrate anatomy, give tips on building trust and communicating desires, providing reliable, easy-to-understand information.

44 Chapters About 4 Men - BB Easton 2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

Sexual Personae - Camille Paglia 1990-09-10

From ancient Egypt through the nineteenth century, *Sexual Personae* explores the provocative connections between art and pagan ritual; between Emily Dickinson and the Marquis de Sade; between Lord Byron and Elvis Presley. It ultimately challenges the cultural assumptions of both conservatives and traditional liberals. 47 photographs.

Sex and Reason - Richard A. Posner 2009-07-01

Sexual drives are rooted in biology, but we don't act on them blindly. Indeed, as the eminently readable judge and legal scholar Richard Posner shows, we make quite rational choices about sex, based on the costs and benefits perceived. Drawing on the fields of biology, law, history, religion, and economics, this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation, incest taboos, date rape, and gay marriage to Baby M. The first comprehensive approach to sexuality and its social controls, Posner's rational choice theory surprises, explains, predicts, and totally absorbs.

**The Myth of Male Power** - Warren Farrell 2001

...lies understanding. This is what bestselling author Warren Farrell discovered when he took a stand against established views of the male role in society, and pursued a course of study to find out who men really are. Here are the eye-opening, heart-rending, and undeniably enlightening results...

**Sex on the Moon** - Ben Mezrich 2011-07-14

Thad Roberts, a fellow in a prestigious NASA programme had an idea - a romantic, albeit crazy, idea. He wanted to give his girlfriend the moon. Literally. Thad convinced his girlfriend and another female accomplice, both NASA interns, to break into an impenetrable laboratory at NASA's headquarters - past security checkpoints, and electronically locked door with cipher security codes and camera-lined hallways - and help him steal the most precious objects in the world: Apollo moon rocks from every moon landing in history. Was Thad Roberts - undeniably gifted, picked for one of the most competitive scientific posts imaginable - really what he seemed? And what does one do with an item so valuable that it's illegal even to own? Based on meticulous research into thousands of pages of court records, FBI transcripts and documents, and scores of interviews with the people involved, Mezrich - with his signature high-velocity swagger - has reconstructed the madcap story of genius, love, and duplicity all centred on a heist that reads like a Hollywood thrill ride.

*Sex and Culture* - Joseph Daniel Unwin 1934

*Wikipedia* - 2004

Opbygget efter princippet om Open Source. Alle kan skrive nye opslagsord og forklaringer ind i leksikonnet, der således hele tiden er under udvikling. Findes på mange sprog, bl.a.

Sex at Dawn - Christopher Ryan 2021-01-05

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

*Imaginative Sex* - John Norman 2014-04-29

Sensual fantasy scenarios to spice things up in the bedroom. In 1974, the author of the controversial and popular Gor novels revealed his vision for an exciting, fulfilling sex life for all. *Imaginative Sex* outlines John Norman's philosophy on relations between the sexes. In the first nine chapters, from "Imaginative Sex: The New Sexual Revolution," through "Love, Hunters and Evolution," "Marriage, Sex and Normality," "Sex and

the Brain," "Marriage and the Ventilation of Emotions," "Privacy," "Disease," "Requirements for Imaginative Sex," to "Imaginative Techniques," Norman details and develops his theories and ideas about sex in the modern age. In the tenth chapter, "Sensuous Fantasies: Recipes for Pleasure," he presents fifty-three scenarios designed to reintroduce fantasy and intimacy to the bedroom. Examples include: the Aphrodisiac Fantasy, the Rites-of-Submission Fantasy, the Lady Fantasy, the I-Am-His-Slave-Girl Fantasy, the Safari Fantasy, and the Blindfolded-Lovers Fantasy, as well as many other sensuous suggestions, detailed for the enjoyment of all truly adult readers. Find out what really lies behind the philosophy of Gor and the ways in which role-playing can spice up any love life. The book ends with an epilogue and a set of appendices that cover these important topics: Garments, Ties, Apparel in Fantasy, Notes on How to Buy a Slave Girl, and Notes on Investments, Documents, and Conception.

*He's Just Not That Into You* - Greg Behrendt 2009-01-06

Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on.

*Sexual Politics* - Kate Millett 2016-02-16

A sensation upon its publication in 1970, *Sexual Politics* documents the subjugation of women in great literature and art. Kate Millett's analysis targets four revered authors—D. H. Lawrence, Henry Miller, Norman Mailer, and Jean Genet—and builds a damning profile of literature's patriarchal myths and their extension into psychology, philosophy, and politics. Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life. This new edition features the scholar Catharine A. MacKinnon and the *New Yorker* correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism.

**Full Service** - Scotty Bowers 2013

A World War II veteran and Hollywood gas station attendant describes how his good looks and open bisexuality culminated in liaisons with numerous celebrities, providing a chronicle of Hollywood's sexual underground in the 1940s and 1950s.

sex, lies and videotape - Steven Soderbergh 2011-06-02

Like Michael Powell's *Peeping Tom*, Steven Soderbergh's *sex, lies and videotape* presents us with a protagonist who can only connect with others through the lens of a camera. Graham is an enigmatic young man who returns to Baton Rouge from a long road trip, mildly irritating his old lawyer friend John and wholly intriguing John's housebound wife Ann. John is conducting a sneaky and entirely sexual affair with Ann's sister Cynthia. For her part, Ann has lost interest in sex, yet Graham's obscurely charming eccentricity stirs something inside her - until she learns that he is functionally impotent and can manage arousal only with the help of a video camera and an agreeably loose-lipped female. Nevertheless, it's the dragging into the open of Graham's dirty little secret that causes all of these characters to confront their own veiled deceptions and hypocrisies. *sex, lies and videotape* won the Palme d'Or at the 1989 Cannes Film Festival, affirming the arrival of a distinctive new talent and signalling the start of a movement among young independent American film-makers opposed to the values and formats of the Hollywood system. Soderbergh's script is an unerringly elegant, witty and literate study of contemporary perversity.
