Sex: it's essential to know the facts but impossible to talk about. For every teenager who cringes with embarrassment whenever a parent brings up the subject, or finds the "facts" their friends tell them a bit hard to believe, *Wise Guides: Sex has the answers*. Love, relationships, contraception, body changes, and sexual health are but a few of the topics covered in this no-nonsense guide. Full of helpful information and advice to make sex education easier for teenagers, teachers, and parents. *Wise Guides* help young people deal with whatever life throws at them.
Sex Facts and Attitudes - Marion Olive Lerrigo 1958

Parents, Children, and the Facts of Life - Henry V. Sattler 1952

One of the most important phases in the parental duty of promoting the spiritual welfare of the young is sex education. Unfortunately, to many parents this means nothing more than the imparting of biological facts concerning the process of procreation and the measures to be taken in order to avoid disease. To Catholics, sex education means much more than this. It signifies, primarily, the training of boys and girls to be pure and innocent, and eventually to enter marriage with a noble and holy purpose, if God calls them to that state of life. The present volume is intended to help parents fulfill this particular duty in the training of their boys and girls.

Sex Ed on the Cards - Sophie Manning 2021

"Sex Ed On The Cards is a fun, factual and LGBTQ+ inclusive resource for delivering effective and engaging relationships and sex education (RSE) to students aged 14+. For too long this education has focused on dangers and risks, but young people have the right, need, desire and curiosity to see the bigger sex-ed picture. The Question, Debate and Challenge cards provide an opportunity to discuss real-life facts and scenarios, promoting discussion and developing confidence and understanding. With 3 modes of game play - conversation, collaboration and competition - the cards allow young people to explore their attitudes,

beliefs and values around key topics including body image, consent, pleasure, porn, sexual orientation and gender identity. Sex Ed On The Cards brings critical thinking to the table, encouraging...Live conversation The game helps diffuse any awkwardness in face-to-face exchanges about sex and relationships issues. It also acknowledges the benefits of digital literacy, signposting reliable online resources for teens, Sexual literacy The game acknowledges digital natives' possible awareness of and in-depth exposure to a range of material and helps them interpret what they may already have seen, Social action Made for a generation that cares deeply about equality, diversity and social justice, these cards introduce relevant modern concepts in a social-action context Created by Outspoken Sex Ed and illustrated by Sex Ed Matters - social enterprises passionate about honest conversation around sex and relationships - this card game is an invaluable resource to support relationships and sex education for students aged 14+ "-

Sex Facts and Attitudes - Marion O. Lerrigo 2016-01-11

Sex Facts and Attitudes is a five-chapter text that discusses the physical and emotional aspects of sex addressed to all adults who have any responsibility for the sex education of children or youth. Chapter 1 describes the interrelationship between sex education, attitude, love, and experience. Chapter 2 surveys the capacity or "assets" of adults to relate sex education to young ones. This chapter focuses on the influence of adult's emotion and experiences in giving sex advice. Chapter 3 discusses some basic facts about human reproduction, conception, pregnancy, and birth, while Chapter 4 describes the stages of physical growth and sexual development. Chapter 5 emphasizes the significance of open family communication in learning about sex. This book is of great value to experts and non-experts in the field of sex education.

Parents, Children, and the Facts of Life - Henry V. Sattler 1952

Father Sattler has written *Parents, Children and the Facts of Life* to help parents fulfill the extremely important duty of training boys and girls to be pure and innocent, and eventually to enter marriage with a noble and holy purpose if God calls them to that state of life. According to the official Catholic teaching, sex education is the duty of the parents, yet many parents still struggle to convey the facts of life to their children in a natural and inspiring way. Applying traditional Catholic principles to very practical questions, Fr. Sattler explains what parents should tell their children, when and how they should tell it, what moral and psychological dangers they must avoid, and what questions they should anticipate. His conversational and down to earth style provides parents with the confidence and practical wisdom to fulfill their role as their children's primary teachers of the facts of life.

Shaping Sexual Knowledge - Lutz Sauerteig 2009-01-13

The history of sex education enables us to gain valuable insights into the cultural constructions of what different societies have defined as 'normal' sexuality and sexual health. Yet, the history of sex education has only recently attracted the full attention of historians of modern sexuality.

Shaping Sexual Knowledge: A Cultural History of Sex Education in Twentieth Century Europe makes a considerable contribution not only to the cultural history of sexual enlightenment and identity in modern Europe, but also to the history of childhood and adolescence. The essays collected in this volume treat sex education in the broadest sense, incorporating all aspects of the formal and informal shaping of sexual knowledge and awareness of the young. The volume, therefore, not only addresses officially-sanctioned and regulated sex education delivered within the school system and regulated by the State and in some cases the Church, but also the content, iconography and experience of sexual enlightenment within the private sphere of the family and as portrayed through the media.

The Facts on Sex Education - John Ankerberg 2011-05-04

Skillfully documents the data for parents & educators who want straightforward no-nonsense information about: -comprehensive sex education; -the values-neutral philosophy of education; -Planned Parenthood & Kinsey research; -abstinence-based programs that work. In an age when sex can maim & kill parents teachers & pastors must learn to evaluate sex education programs and respond in an informed effective manner.
