**50 Ways to Lick Your Lover** - Ken Besseder  
2009-09

50 Ways to Lick Your Lover is based on a very special sexual voyage. Although K. and I had our generation's usual outrageous expectations: great sex, perpetual youth, good weed and Beatlemania forever, we had no idea that in our forties an explosion of sexuality resided within us. Nothing we had experienced previously prepared us for a shattering, all-encompassing love life. Our lovemaking sessions generated numerous multiple orgasms (sometimes up to 20 or more each time we made love) in an ascending crescendo that began when just one was achieved only with the intervention of a vibrator, bath or bidet and it grew and expanded and unfolded into something so rare and remarkable often lasting all weekend -- that we thought we should contact a sex research institute. I am sharing this story of how that happened with others in the hopes that their

intimate life will be enhanced by reaching peaks they've never encountered. Couples can enjoy 50 Ways together and women should take it home to help their men become better lovers. I hope you enjoy reading it as much as I enjoyed experiencing it.

**The Rough Guide to Sex** - James McConnachie 2010-01-04

Has any big subject ever generated so many myths, lies and unfounded claims as sex? The Rough Guide to Sex is the antidote to the cynical hype, noisy boasts and all those embarrassed silences. It tells it how it is - for men and women, gay and straight from touch and masturbation to sexual positions with accessible 'how to do it' advice. Honest and informative, author James

McConnachie gets up close and personal, covering not just body parts, techniques and accessories, but sexual health, attitudes, expectations and beliefs. Amply illustrated, this is a book for the curious, dealing with everything you know and don't know about sex- and beyond. It unveils the nature of desire, the meaning of fantasy, the science of orgasm - what works and what doesn't for both him and her. It tells how scientists and gurus, writers and lovers, perverts and priests have all contributed to the story of sex. Above all, it looks at how sex really figures in people's lives. Myth-busting, witty, thoughtful, and candid, The Rough Guide to Sex uncovers the facts of life without the fiction.

**The Field Guide to F\*CKING** - Emily Dubberley 2012-06-01

"Emily Dubberley is a refreshing and thorough coach, taking students by the hand and various other parts of their anatomy in this most crucial area of human interaction. The Field Guide to F\*CKING is a valuable new take on the subject, giving life lessons in life-making (if you're not careful about it). So many treatises of this kind are dreary and dull but this has a wit and sparkle to keep the reader, ahem - eager student, happily at his or her education. It reminds one of the Survivor's Guide series, actually brimming with facts and unusual 'I never knew that's', but a rollicking fun read too, to keep you riveted."—Robert Page, Member AASECT, SSSS, WAS and BASE, and Creator and Producer of the award winning Lovers' Guide, the world's number one brand for sex and relationships "In these liberated times, we students of the wonderful subject of Sex might think we know it all. But if we want to gain true mastery of our subject we will want to not only hone our practical skills, but also need to be totally au fait with the underpinning of theory - to know about the latest research, explore new understandings, and benefit from the plethora of studies that have been done on the topic in recent years. It can seem a daunting task - but sexpert Emily Dubberley has made that task easy and enjoyable. In her new book The Field Guide to F\*CKING, she uses the 'study guide' model to pack in the facts, expose the fictions and tell us absolutely everything we need to know about our special topic. Every page contains not only full coverage of the basics, but

a whole heap of little-known facts, new insights and inspirational suggestions. And all this done in such a humorous way that one is left smiling while all the time learning. Thought you'd seen it all with sex manuals? Well, now you have!"—Susan Quilliam, coauthor of *The Joy of Sex*, published by Octopus Field guides to birds, bees, and trees abound. However, until now, there has been no handy reference to the wildest creature of all (the horny human) in his natural habitat (the bedroom). *The Field Guide to F\*CKING* is a hilarious encyclopedia that shows how to identify physical characteristics and bizarre seduction rituals of the creatures that are likely to be encountered during sexual forays. Hey, even members of the same species can have anatomical differences, right? What does one do when encountering a mushroom-headed penis or a hooded clit? Each entry cross-references which techniques for fucking go best with each genital size, shape, and quirk. For example, if you run across a large, thick penis, avoid positions where the female's legs are over her head—unless she doesn't mind having her cervix bumped. *The Field Guide to F\*CKING* teaches you how to map out your partner's primary erogenous zones and decode sexual signals based on body language, kissing, and touch techniques. Sex has attracted many adventurers in search of its oft-elusive pleasures. *The Field Guide to F\*CKING* is your indispensable guide to navigating the rocky terrain of mating and seduction with ease.

*Tantric Love* - Ma Ananda Sarita 2001

Sometimes it can be difficult for even the closest of partners to fully express their love during sex. We may resist deeper intimacy for many reasons, among them pain, insecurity, or simply a fear of sharing our most natural desire for physical love with another person. Tantra can help you dissolve these barriers to intimacy, and invites you to awaken the physical and spiritual energy that can bring partners together as loving soul mates. *Tantric Love* unlocks the secret powers of meditation, breathing, massage, and more to help you celebrate and revitalize your love life. Each chapter focuses on one of the chakras -- or energy centers -- in the body and offers simple exercises that will help you share this energy and open the door to ecstasy. Discover new ways of pleasing your

partner Enjoy sexual satisfaction through and beyond orgasm Learn how to open up to your partner -- both in and out of the bedroom As you move from one stage to the next, you'll find that you're not only connecting with your lover on a physical level but on a deep spiritual level, too -- one that prepares you for a loving, lasting commitment to each other.

**What Wives Wish their Husbands Knew about Sex** - Richard Rupp 2007-04-01

It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men, single and married, are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it. They help men: -learn what the Bible says about a healthy sex life -discover how to relate to women as men instead of as boys - address psychological and spiritual issues that interfere with healthy sexuality -learn specific techniques that create a strong relationship, great foreplay, and passionate sex Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, *What Wives Wish Their Husbands Knew about Sex* dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

Sizzling Sex for Life - Michael Castleman  
2021-01-12

Michael Castleman, the world's most popular sex expert, has written the most comprehensive, authoritative, reassuring, and practical guide to lifelong pleasure for men and the women who love them. Library Journal calls him "one of the nation's top health writers." Medical journalist Michael Castleman has answered more than 12,000 sex questions throughout his career, including on his website GreatSexGuidance.com, through his "All About Sex" blog on Psychology Today, or even when he used to answer all the sex questions for Playboy's "Advisor" column in the '90s. From his numerous years of experience comes this, the most thorough consumer sexuality guide ever written. It's full of state-of-the-art sex information and sage advice, all written by a decades-long trusted sex author. Sizzling Sex for Life addresses men, but is exquisitely sensitive to women's sexual sensibilities. While it focuses on sexual enhancement and the resolution of individual and couple sex problems, it transcends similar books by delving into social/political sexual issues, including school sex education and pornography—and in today's fraught #MeToo environment, prevention of sexual assault and harassment. This compelling, sex-positive guide will benefit men and women, from the teen years to old age. It offers an in-depth investigation of sexual issues throughout the lifespan, based on 2,500 studies published over the past seventy years—more source material by far than any other sex guide. This book truly does it all, and

does it respectfully. It reassures men that their sexual concerns can usually be happily resolved with self-help or brief professional therapy: penis size issues, premature ejaculation, orgasm/ejaculation difficulties, arousal problems, and erectile dysfunction. It comforts women that they can rediscover lost libido, have orgasms every time, and cure their sexual pain. It assures couples that their leading sexual complaint, desire differences, can usually be resolved to mutual satisfaction. It reassures parents that they can maintain their sex lives, provide effective sex education to their children, and survive today's young-adult hook-up culture. It informs the elderly and those with chronic illnesses and disabilities that great sex is still possible. It reassures sexual minorities that they are psychologically normal and that LGBT sex, BDSM, and consensual non-monogamy are more popular than most people believe. Whether for procreation, relationship affirmation, or just for fun, lovemaking is normal, healthy, nurturing, often therapeutic, and usually emotionally satisfying. Whether you're looking to learn more, have a specific question, or just want to spice things up between the sheets, this is your ultimate guide to better enjoy one of life's top pleasures.
