Since When Is Fran Drescher Jewish? - Chiara
 Francesca Ferrari 2011-01-15
 "Since when is Fran Drescher Jewish?" This was
 Chiara Francesca Ferrari's reaction when she
 learned that Drescher's character on the
 television sitcom *The Nanny* was meant to be a

portrayal of a stereotypical Jewish-American
 princess. Ferrari had only seen the Italian
 version of the show, in which the protagonist
 was dubbed into an exotic, eccentric Italian-
 American nanny. *Since When Is Fran Drescher
 Jewish?* explores this "ventriloquism" as not only

*Downloaded from
legacy.opendemocracy.net on 2023-03-30
 by guest*

a textual and cultural transfer between languages but also as an industrial practice that helps the media industry foster identification among varying audiences around the globe. At the heart of this study is an in-depth exploration of three shows that moved from global to local, mapping stereotypes from both sides of the Atlantic in the process. Presented in Italy, for example, Groundskeeper Willie from *The Simpsons* is no longer a belligerent, alcoholic Scotsman but instead easily becomes a primitive figure from Sardinia. Ironically, *The Sopranos*—a show built around Italian-Americans—was carefully re-positioned by Italian TV executives, who erased the word "mafia" and all regional references to Sicily. The result of Ferrari's three case studies is evidence that "otherness" transcends translation, as the stereotypes produced by the American entertainment industry are simply replaced by other stereotypes in foreign markets. As American television studios continue to attempt to increase earnings by licensing their shows abroad, *Since When Is Fran Drescher Jewish?* illuminates the significant issues of identity raised by this ever-growing marketplace, along with the intriguing messages that lie in the larger realm of audiovisual cultural exchange.

New Woman Little Book of Bloke Jokes 2 - Louise Johnson 2005-09-01

New Woman Little Book of Bloke Jokes 2 is a pocket-sized collection of the best and funniest humour about men, as seen in *New Woman* magazine's feature of the same name. The jokes cover everything you've ever found funny about the opposite sex, from their sex, food and hygiene habits to their sport and car obsessions to their takes on love and romance.

Rationale of the Dirty Joke - Gershon Legman 1968

Food and Drink in Literature - Norman Kiell 1995

A unique bibliographic survey, including over 1500 items, opening avenues for further research on food and drink.

The Fat Woman's Joke - Fay Weldon 1986

In flashback and from the depths of her basement apartment in Earls Court, Esther describes the history of her marital disaster—in between her consumption of chocolate cake,

tinned fruit, sweet sherry, and a host of other high calorie confections. Funny, bizarre, and painful in equal doses, this novel, like her other works *Down Among the Women* and *Female Friends*, examines the role of womanhood. The time is the mid 1960s when sex role stereotypes were being examined and rejected, and *The Fat Woman's Joke* miraculously reflects the passions, humor, and anger of an era when women's self analysis entailed a healthy dose of disruption. Weldon depicts the rage and outrage of that era while examining the interplay of pain and humor that so often characterizes changing romantic relationships.

Best Jokes Book for Adults - Phil Roberts 2017-01-09

Best Jokes Book For Adults Do you love to laugh? Not everyone can be funny, unfortunately. But you don't need to be, when you have the right joke ready for any occasion. This book of jokes will have you chuckling, cringing, and just laughing out loud! It never hurts to have one or two good jokes memorized, especially when you're in a situation where you need to lighten the mood, or break the ice. That goes double for those awkward moments in life, where you'd do anything to ease the tension. Are you tired of trying to track down those truly amusing jokes that will make just about anyone laugh? Don't waste your time reading hundreds of boring "jokes" that couldn't even get a clown to crack a smile. This book contains jokes in the following categories: Jokes about family. Jokes about sports. Jokes about school. Jokes about food. Jokes about technology. Jokes about the workplace. Plays on words. Jokes about sex.

Rationale of the Dirty Joke - G. Legman 2007-11-01

Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his *Rationale of the Dirty Joke* remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as *The Female Fool*, *The Fortunate Fart*, *Mutual Mismatching*, and *The Sex Machine*. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and

socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. Rationale of the Dirty Joke will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.

On Depression - S. Nassir Ghaemi 2013-07

A reflection on society's quest for happiness encourages readers to embrace the benefits of sadness, citing examples from philosophy, medicine, and psychiatry to relate how understanding depression can provide insight into happiness.

A Critical Companion to Sofia Coppola - Naaman Wood 2022-08-31

This volume offers eight interdisciplinary readings to the films of Sofia Coppola, analyzing her oeuvre with a focus on her treatment of masculinity, sexual politics, bodies, and love.

Female Fetishism - Lorraine Gamman 1995

The aura of passivity that has for centuries surrounded female sexuality in popular culture, psychology, and literature has, in recent years, dissipated. And yet fetishism, one of the most intriguing and mysterious forms of sexual expression, is still cast as an almost exclusively male domain. Most psychoanalytic thought, for instance, excludes the very possibility of female fetishism. The first book on the subject, *Female Fetishism* engagingly documents women's involvement in this form of sexuality. Lorraine Gamman and Merja Makinen describe a wide array of female fetishisms, from the obsessional behavior of pop fans (and pop performers such as Madonna) to fetishism in advertising to women's involvement in the world of dress clubs and fetish magazines. The authors provide provocative evidence of food fetishism among women, arguing that many eating disorders are best understood from this perspective. A latter portion of the book includes a discussion of how feminists have treated the political and cultural significance of female fetishism.

Cuckoo - Scarlett Finn 2016-09-05

Cuckoo She's shrewd and unforgiving, Focused on her own agenda. Her motives are selfish, And she always gets her man. Zara's existence is unrecognizable from life before Raven. Given all

they've lost, the Kindred are still trying to find their rhythm. Except when an almost impossible-to-refuse bid for Game Time comes in, they have to get their shit together fast. Raven is hesitant, Swallow is sure, and Swift is right in the middle. Facts they'd always accepted as sacred are suddenly called into question. With the truth no longer certain, they have to be willing to do whatever it takes to rewrite history.

KEYWORDS: kickass strong independent heroine, binge read hot explicit crime thriller romance with alpha male bad boy antihero, steamy romantic suspense fiction, serious sexual chemistry, rough and ready, undercover, assassin, sniper, stakeout, partners in crime, racy & risqué, one click, no cliffhanger, reader recommended, epic sexy urban contemporary fiction gritty, climax to long action romance series, adult explicit adventure love story with jealous possessive protective hero and heroine, NSFW, MF, mystery romance, criminal, outlaw, sensuous suspense romance novel, plot, sabotage, poison, ex-girlfriend, love triangle, romance book with brooding hero, sex and murder.

Female Hierarchies - Lionel Tiger 2017-09-08

Disproportionate attention has long been paid to males in human and other social systems. The basic structures used to explain social behavior in sociological and biological work have overwhelmingly emphasized the significance and shape of male behavior and far less female behavior which is surely at least as important. Stratification, sexual selection, and natural selection of what women do among themselves and how they relate to men was explored in this volume for the first time. It is now available in a paperback edition, with a new introduction by Lionel Tiger. Do females conduct aggressive encounters with each other? Or do they have no impact on mate selection and hence on the future of the genotype? Is the main negotiation of females with males and not among themselves during this selective process? Do the usually larger size and frequently more elaborate behavioral displays of males betray the fact that the burden of selective functioning falls on males and not on females? It is improbable that the answer to these questions is "yes" and that there is little or nothing happening in all-female groups that affects not only how their

communities operate but, more importantly in the long run, the genotype of their species. For those species in which gregarious social behavior is a sine qua non for successful reproduction, what are the principles of selection that operate through females? Are female hierarchies more abrasive or generous than male ones? Do they focus more on reproduction than production? What are the forms of female social grouping that either support, modify, inhibit, or stimulate sexual and hence natural selection? This work goes far beyond the slogans of our time for important responses to basic questions.

Chinese Sex Jokes in Traditional Times - 1974

Beyond Shakespeare - Iris H. Tuan 2023-07-25
With joy and grace to accompany the readers to have the translocal tour to visit about thirty-seven works, this monograph applies the academic critical theories of Performance Studies, Film Studies, Psychoanalysis, Postmodernism, and Visual Culture, to interpreting the special selection works. The focus and common theme are on race, body, and class. With the background of COVID-19 since 2019 up to the present, the book offers the readers with the remarkable insight of human beings' accumulated wisdom and experiences in surviving with the dreadful diseases like the plagues in Shakespeare's time. After the supreme reading, may the global readers in the world acquire the knowledge and power to live in sustainability with education and entertainment of films, performances, and online streaming Netflix TV dramas.

[New York Magazine](#) - 1986-04-28

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

A Critical Examination of Language and Community - Paul Chamness Miller 2022-01-01
A Critical Examination of Language and

Community is the sixth volume of the Readings in Language Studies series published by the International Society for Language Studies, Inc. Edited by Paul Chamness Miller, Brian G. Rubrecht, Erin A. Mikulec, and Cu-Hullan Tsuyoshi McGivern, volume six sustains the society's mission to organize and disseminate the work of its contributing members through peer-reviewed publications. The book presents international perspectives on language and community through a variety of themes. A resource for scholars and students, *A Critical Examination of Language and Community* represents the latest scholarship in new and emergent areas of inquiry. *Readings in Language Studies, Volume 6: A Critical Examination of Language and Community* features international contributions that represent state-of-the-field reviews, multi-disciplinary perspectives, theory-driven syntheses of current scholarship, reports of new empirical research, and critical discussions of major topics centered on the intersection of language and community. Consistent with the mission of ISLS, the collection of 14 chapters in this volume seeks to "bridge arbitrary disciplinary territories and provide a forum for both theoretical and empirical research, from existing and emergent research methodologies, for exploring the relationships among language, power, discourses, and social practices."

Stanley Kubrick - Nathan Abrams 2018-04-19
Stanley Kubrick is generally acknowledged as one of the world's great directors. Yet few critics or scholars have considered how he emerged from a unique and vibrant cultural milieu: the New York Jewish intelligentsia. Stanley Kubrick reexamines the director's work in context of his ethnic and cultural origins. Focusing on several of Kubrick's key themes—including masculinity, ethical responsibility, and the nature of evil—it demonstrates how his films were in conversation with contemporary New York Jewish intellectuals who grappled with the same concerns. At the same time, it explores Kubrick's fraught relationship with his Jewish identity and his reluctance to be pegged as an ethnic director, manifest in his removal of Jewish references and characters from stories he adapted. As he digs deep into rare Kubrick archives to reveal insights about the director's

Downloaded from
legacy.opendemocracy.net on 2023-03-30
by guest

life and times, film scholar Nathan Abrams also provides a nuanced account of Kubrick's cinematic artistry. Each chapter offers a detailed analysis of one of Kubrick's major films, including *Lolita*, *Dr. Strangelove*, *2001, A Space Odyssey*, *Clockwork Orange*, *Barry Lyndon*, *The Shining*, *Full Metal Jacket*, and *Eyes Wide Shut*. Stanley Kubrick thus presents an illuminating look at one of the twentieth century's most renowned and yet misunderstood directors.

The Invention and Gendering of Epicurus - Pamela Gordon 2012-04-11

How a study of anti-Epicurian discourse can lead us to a better understanding of the cultural history of Epicurianism

Jokes and Targets - Christie Davies 2011-05-23
 Jokes and Targets takes up an appealing and entertaining topic—the social and historical origins of jokes about familiar targets such as

rustics, Jewish spouses, used car salesmen, and dumb blondes. Christie Davies explains why political jokes flourished in the Soviet Union, why Europeans tell jokes about American lawyers but not about their own lawyers, and why sex jokes often refer to France rather than to other countries. One of the world's leading experts on the study of humor, Davies provides a wide-ranging and detailed study of the jokes that make up an important part of everyday conversation.

[Shocked But Connected](#) - Michael Roemer 2012-09-16

In *Shocked But Connected*, distinguished filmmaker Michael Roemer reflects on the nature of comedy and laughter. Incorporating the work of both the great thinkers and great comedians of our age, Roemer investigates what makes us laugh and what distinguishes comedy from all other art forms.
