

Sex And The Three Day Week Modern Plays

American Book Publishing Record Cumulative, 1950-1977: Title index - R.R. Bowker Company. Department of Bibliography 1978

Daily Graphic - Ransford Tetteh 2010-01-30

New York Magazine - 1982-06-14

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Billboard - 1994-04-16

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

New Theatre Quarterly 37: Volume 10, Part 1 - Clive Barker 1994-05-26

One of a series discussing topics of interest in theatre studies from theoretical, methodological, philosophical and historical perspectives.

Inventing the It Girl: How Elinor Glyn Created the Modern Romance and Conquered Early Hollywood - Hilary A. Hallett 2022-07-26

A Publishers Weekly Summer Reads Selection
The modern romance novel is elevated to a subject of serious study in this addictively readable biography of pioneering celebrity author Elinor Glyn. Unlike typical romances, which end with wedding bells, Elinor Glyn's (1864-1943) story really began after her marriage up the social ladder and into the English gentry class in 1892. Born in the Channel Islands, Elinor Sutherland, like most

Victorian women, aspired only to a good match. But when her husband, Clayton Glyn, gambled their fortune away, she turned to her pen and boldly challenged the era's sexually straightjacketed literary code with her notorious *succes de scandale*, *Three Weeks* (1907). An intensely erotic tale about an unhappily married woman's sexual education of her young lover, the novel got Glyn banished from high society but went on to sell millions, revealing a deep yearning for a fuller account of sexual passion than permitted by the British aristocracy or the Anglo-American literary establishment. In elegant prose, Hilary A. Hallett traces Glyn's meteoric rise from a depressed society darling to a world-renowned celebrity author who consorted with world leaders from St. Petersburg to Cairo to New York. After reporting from the trenches during World War I, the author was lured by American movie producers from Paris to Los Angeles for her remarkable third act. Weaving together years of deep archival research, Hallett movingly conveys how Glyn, more than any other individual during the Roaring Twenties, crafted early Hollywood's glamorous romantic aesthetic. She taught the screen's greatest leading men to make love in ways that set audiences aflame, and coined the term "It Girl," which turned actress Clara Bow into the symbol of the first sexual revolution. With *Inventing the It Girl*, Hallett has done nothing less than elevate the origins of the modern romance genre to a subject of serious study. In doing so, she has also reclaimed the enormous influence of one of Anglo-America's most significant cultural tastemakers while revealing Glyn's life to have been as sensational as any of the characters she created on the page or screen. The result is a groundbreaking portrait of a courageous icon of independence who encouraged future generations to chase their desires wherever they might lead.

America - 1914

"The Jesuit review of faith and culture," Nov. 13, 2017-

New Cambridge Opinion -

Movie Roadshows - Kim R. Holston 2012-12-18

This work examines a film distribution system paralleling the rise of early features and persisting until 1972, when *Man of La Mancha* was the final roadshow to require reserved seating. Synonymous with Hollywood's star-studded premieres, roadshows were longer and cost more than regular features, making the experience similar to attending the legitimate theater. Roadshows, often epic in subject matter, played selected (usually only one) theaters in major urban centers until demand decreased. De rigueur by the 1960s were musical overtures, intermissions, entre'acte and exit music and souvenir programs for sale in the lobby. Throughout the text are recollections by people who attended roadshows, including actor John Kerr and actresses Barbara Eden and Ingrid Pitt. The focus is on roadshows released in the United States but an appendix identifies international roadshows and films forecast but not released as roadshows. Included are plots, contemporary critical reaction, premiere dates, production background, and methods of promotion-i.e., the ballyhoo.

Sex and the Three Day Week - Stephen Sharkey 2015-02-17

I will NOT be denied. I AM a volcano! And this is MY night. Britain in the 1970s: a time of strikes, blackouts and free love. But Philip's frustrated. While his wife Angela thinks he's past it, he wants to share a whole lotta love with Catherine from next door. When the naughty neighbours check in at the Paradise Hotel, it's a night to remember - for all the wrong reasons. The lights go out, the corridors see more action than the beds, and to cap it all, the place could be haunted . . . Throw in Fanny the French maid, Detective Inspector Connors of the Vice Squad, a snake called Cecil and Tom the mynah bird, and it all makes for a chaotic cocktail of confusion leaving the would-be lovebirds not even halfway to Paradise. A tale of midlife crises, mistaken identities and misfiring sexual shenanigans, this new farce is published to coincide with the world premiere at the Playhouse, Liverpool, in December 2014.

The Oberon Anthology of Contemporary Irish Plays - Grace Dyas 2012-10-01

HEROIN by Grace Dyas, Trade by Mark O'Halloran, The Art of Swimming by Lynda Radley, Pineapple by Phillip McMahon, I ? Alice ? I by Amy Conroy, The Big Deal edited by Una McKeivitt, Oedipus Loves You by Simon Doyle & Gavin Quinn, The Year of Magical Wanking by Neil Watkins Edited and introduced by Thomas Conway This anthology comprises eight new plays by Irish playwrights premièred between the years 2006 and 2011. These playwrights ride, however, in no slipstream of the identifiably Irish play. Here, the enterprise of playwriting itself is being re-imagined. Here, above all else, is a commitment to becoming in the theatre. For all that, each play is concerned with what is unfinished business in Ireland. How astonishing, then, that these plays should revolve for the most part around identity and, in particular, sexual identity. How identity comes into play, how we open up the field of play, how we raise into collective experience the exercise of that play - the urgency in the playwriting would appear to lie precisely here. We can read from the historical moment - from a narrative emphasizing an economic bubble and its hangover - into these plays. Or we can take these playwrights at their word and observe lives lived at the contour of identities in the making. It is for us as readers, just as we have as theatre-goers - frequently scandalized, enthralled, shamed, appalled, unburdened, tickled pink - to decide.

Teaching Gender and Sex in Contemporary America - Kristin Haltinner 2016-04-28

Downloaded from
legacy.opendemocracy.net on
2020-09-11 by guest

This book provides innovative pedagogy, theory, and strategies for college and university professors who seek effective methods and materials for teaching about gender and sex to today's students. It provides thoughtful reflections on the new struggles and opportunities instructors face in teaching gender and sex during what has been called the "post-feminist era." Building off its predecessor: *Teaching Race and Anti-Racism in Contemporary America*, this book offers complementary classroom exercises for teachers, that foster active and collaborative learning. Through reflecting on the gendered dimensions of the current political, economic, and cultural climate, as well as presenting novel lesson plans and classroom activities, *Teaching Gender and Sex in Contemporary America* is a valuable resource for educators.

Love, Sex, and Desire in Modern Egypt - L. L. Wynn 2018-11-23

Cairo is a city obsessed with honor and respectability—and love affairs. Sara, a working-class woman, has an affair with a married man and becomes pregnant, only to be abandoned by him; Ayah and Zeid, a respectably engaged couple, argue over whether Ayah's friend is a prostitute or a virgin; Malak, a European belly dancer who sometimes gets paid for sex, wants to be loved by a man who won't treat her like a whore just because she's a dancer; and Alia, a Christian banker who left her abusive husband, is the mistress of a wealthy Muslim man, Haroun, who encourages business by hosting risqué parties for other men and their mistresses. Set in transnational Cairo over two decades, *Love, Sex, and Desire in Modern Egypt* is an ethnography that explores female respectability, male honor, and Western theories and fantasies about Arab society. L. L. Wynn uses stories of love affairs to interrogate three areas of classic anthropological theory: mimesis, kinship, and gift. She develops a broad picture of how individuals love and desire within a cultural and political system that structures the possibilities of, and penalties for, going against sexual and gender norms. Wynn demonstrates that love is at once a moral horizon, an attribute that "naturally" inheres in particular social relations, a social phenomenon strengthened through cultural concepts of gift and kinship,

and an emotion deeply felt and desired by individuals.

The Sex Problem in Modern Society - John Francis McDermott 2007-03

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when me say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, - and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is

either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but

we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Television Broadcasting in Contemporary France and Britain - Michael Scriven 1999

This is the first study devoted to the highly significant roles played by France and Britain in the formulation of European audiovisual policy, providing a truly comparative analysis of the contemporary audiovisual scene in the two countries.
