Secret Confessions Giselle Renarde 2013-11 No naughty encounter is ever complete until you tell somebody about it. And who doesn't feel a tingle while reading a naughty story and wondering, "Is this true? Did that really happen?" In this collection, you'll find a whopping 36 erotic stories, as explicit as they are wicked! These confessions involve lesbian encounters, exhibitionism, voyeurism, deception, threesomes, group sex, splashing, ice play, public sex, fetish, female fantasies, anal play, stranger sex, spanking, insertions, bondage, and so much more! Read the Introduction: No naughty encounter is ever complete until you tell somebody about it. And who doesn't feel a tingle while reading a naughty story and wondering, "Is this true? Did that really happen?" There's one quality that unifies all confession-style erotic stories, no matter how sweet or how kinky: they're all written in the first person. (I did this, I did that.) For that reason, when reading these stories, we're particularly inclined to wonder if these stories are true. The author is writing as though they were (I cradled her breast, I kissed his mouth), so why wouldn't we believe it? One of the best things about confession erotica is its unique capability to allow readers to suspend disbelief. When we hear these stories, we trust that we're being told the truth. Even if we try to be rationally and consciously skeptical, we still believe, and there's a bit of magic in that. So, now I'm sure you're wondering about the confessions in this collection. Are they true? Are they fiction? The answer is yes. Some stories are entirely fictional, pure fantasy. Others draw on real events, but aren't entirely accurate. Of course, names have been changed, to protect the "innocent" parties. Some stories are true, some are false, some are somewhere in between. Does it spoil the fun that I've made this confession? I don't think so. I still haven't told you which are which. Giselle Renarde

The Mammoth Book of Short Erotic Novels Maxim Jakubowski 2000 In the tradition of Carroll & Graf's The Mammoth Book of Erotica, The Mammoth Book of International Erotica, The Mammoth Book of New Erotica, and The Mammoth Book of Historical Erotica - which together have sold more than 400,000 copies - comes this provocative new volume in a hot-selling series, featuring such top writers of erotic fiction as Robert Coover, O'Neil De Noux, Mark Ramsden, Gene Santagarda, and Lucy Taylor along with the editors of this sizzling collection, Michael Hemmingson and Maxim Jakubowski. Written especially for this anthology, these piquant tales do not only titillate. As novellas, they also expatiate, involving the reader in the complications of plot as well as of lust and exploring the emotional interiors of their characters as well as in their sensual intrigues and sexual gymnastics. From Michael Perkins's "Night Moves" to William Vollmann's "De Sade's Last Stand," from Josephine Jarmaine's "The Doll" to M. Christian's "Speaking Parts" - whether disturbingly autobiographical or wildly fantastical, meditative or action-packed - these tales will arouse, fascinate, astound, and delight in their racy variety.
