**Undivided: Coming Out, Becoming Whole, and Living Free From Shame** - Vicky Beeching 2018-06-12

Vicky Beeching, called "arguably the most influential Christian of her generation" in *The Guardian*, began writing songs for the church in her teens. By the time she reached her early thirties, Vicky was a household name in churches on both sides of the pond.

**The End of Being Known** - Michael Klein 2009-10-22

Written in poet Michael Klein's uniquely passionate, unapologetic but humble voice, *The End of Being Known* explores the lines that define, yet also blur, the boundaries of sex, friendship, and compatibility. This collection of autobiographical essays probes the manifestations of sexual desire in its mystical variety: experiencing incest, falling in love, being a twin, and inhabiting the world of anonymous sex—in practice, and, in an essay about the Body Electric movement, as something recuperative and renewing. Each essay unfurls in a hybrid of poetry, narrative, and fragmentary literary devices. Here is an uncompromising gaze upon the quandaries of those whose sexual, emotional, and relational worlds collide, yielding no answer to the riddle of desire, yet finding meaning by piecing together personal examples of universal themes such as learning, through trial and error, about love and life.

**The Advocate** - 2001-08-14

*The Advocate* is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**Stone Butch Blues** - Leslie Feinberg 2010-11

Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the pre-feminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

**Sex Talks to Girls** - Maureen Seaton 2008-10-21

Maureen Seaton traces the emergence of her identity in quick, droll, often surprising sketches. She finds herself alternately in the company of winos, swingers, and drag kings; in love with Jesus H. Christ and a butch named Mars; in charge of two children (her own!); writing stories that shrink painfully to poems; and unable to reckon how she landed in any of these predicaments. In her passage from near-nun to suburban mom to woke woman, she shakes herself out of a sloshed stupor and delights in the spree.

**Rainbow Jews** - Jonathan C. Friedman 2007

*Rainbow Jews* looks at the intersection of gay and Jewish identity in American and Israeli film and theater from the 1960s to the present. Through a close reading of the texts of numerous American and Israeli plays and films, Friedman evaluates some of the key conventions that have been employed to construct, critique, and reflect the connection between Jewishness and gay identity in the United States and Israel. Friedman also explores ways in which gay-Jewish playwrights and filmmakers have progressed the reevaluation of sexual norms within Judaism over the past three decades, inspiring and integrating Jewish members of the GLBT community into the overall Jewish historical narrative.

**Untying the Knot** - David Kaufman 2012-12-01

By all accounts, David Kaufman, M.D., had a good life—he was married to a woman he loved, had three children, and a fulfilling career as a radiologist. But as the years passed, he realized that he could no longer deny who he was—he was a gay man. However, before he could tell his wife, she told him she needed to talk to him about an important issue. It was then that she confided in him that she had accepted the growing awareness that she was gay. Her announcement surprised him, but made it easier for him to tell her he, too, was gay. In *Untying the Knot*, David Kaufman shares a unique story of coming out and how he and his former wife have helped each other on their separate journeys into new lives.

**Rebel Without A Clue** - Janet Green 2016-04-21

'Listen, I don't know how it happened. By rights at twenty five years old I

should have been married to a Jewish accountant, having had two children and another on the way. Probably living in Croydon. As it turned out, at that age I was a dope smoking, stripping lesbian. What can I tell you?' Having been brutally introduced to sex at the tender age of fourteen, Janet Green's strikingly honest memoir begins as she completes her first gig as a stripper at a rough pub in Hackney; she's very nervous, and rather stoned... Beginning in the 1950s, Janet's early sexual experiences are put aside when she begins to question her sexuality - she rejects any consideration that she might be a lesbian - she just wants to experiment. In a time when gay sexuality was hidden, Janet was unsure how to meet other girls who were not lesbians. It was her sister, Debbie, who suggested swinging parties and Janet found that that was the solution. Janet went on to live in a passionate, but volatile, relationship before relocating to a hippy commune where she developed a penchant for recreational drugs, becoming seduced by the mellow lifestyle. During her time there, Janet was introduced to Dany who encouraged her to become both a stripper and glamour model. Knowing this had a limited shelf life, Janet begun a degree course in Social Sciences and embarked on a relationship with a young woman, Naomi. Around the same time, Janet's sister relayed the shocking revelation that their father has sexually abused her as a child, which flung Janet's life into despair. Shocked and devastated, Janet poured her energies into study. She went on to graduate and found that her confidence blossomed. Bright, lovable and popular, Janet discovered that education was her passport to success. She might still be a rebel, but no longer without a clue...

**The Publishers Weekly** - 2008

**Black Bull, Ancestors and Me** - Nkunzi Zandile Nkabinde 2008

Nkunzi wrote the book to create awareness and force people to question their stereotypes, to begin to challenge the perception that it is not African to be a sangoma and a homosexual.

**Travels in a Gay Nation** - Philip Gambone 2010-06-30

For two years, Philip Gambone traveled the length and breadth of the United States, talking candidly with LGBTQ people about their lives. In addition to interviews from David Sedaris, George Takei, Barney Frank, and Tammy Baldwin, *Travels in a Gay Nation* brings us lesser-known voices—a retired Naval officer, a transgender scholar and “drag king,” a Princeton philosopher, two opera sopranos who happen to be lovers, an indie rock musician, the founder of a gay frat house, and a pair of Vermont garden designers. In this age when contemporary gay America is still coming under attack, Gambone captures the humanity of each individual. For some, their identity as a sexual minority is crucial to their life's work; for others, it has been less so, perhaps even irrelevant. But, whether splashy or quiet, center-stage or behind the scenes, Gambone's subjects have managed—despite facing ignorance, fear, hatred, intolerance, injustice, violence, ridicule, or just plain indifference—to construct passionate, inspiring lives. Finalist, *Foreword Magazine's* Anthology of the Year Outstanding Book in the High School Category, selected by the American Association of School Libraries Best Book in Special Interest Category, selected by the Public Library Association

**Sex Talks to Girls** - Maureen Seaton 2008

**Gay Girl, Good God** - Jackie Hill Perry 2018-09-03

"I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

**Not That I'd Kiss a Girl** - Lil O'Brien 2020-07-02

'Not That I'd Kiss a Girl' triumphantly joins the select few New Zealand examples of the autobiographical coming-out genre. Compulsively

readable and very much aware of the world, O'Brien's memoir is suspenseful and engaging.' David Herkt, *New Zealand Herald*. A heartbreaking and hilarious true story of coming out as gay in New Zealand. 'Not That I'd Kiss a Girl' is truly, deeply, hilarious. Lil dismisses the one out girl in her uni hall when she hears 'that she'd bragged about having a double dildo. What an attention-seeker, I'd thought. Even though I couldn't stop wondering what a double dildo was'. The humour is self-deprecating, open, and necessary. There's a lot of pain in this memoir. But even in the darkest places, O'Brien still manages to find the light. 'When it comes to her sexuality, her relationships, and her failings within those, O'Brien is admirably frank. She beautifully renders experiences that many authors would find difficult, if not impossible, to delve into. Even better is her ability to recount what it's like to come to terms, as fully as one can, with one's own place in the world.' Ruby Porter, *Academy of New Zealand Literature* 'An absorbing, funny, bittersweet read ... it gives straight New Zealanders a keyhole window in the reality of LGBT life in this country.' Feby Idrus, *The Otago Daily Times* Lil O'Brien accidentally outed herself to her parents at the age of nineteen when they overheard her talking to a friend about liking girls. Half an hour later she found herself on the side of the road, with instructions to come back and pick up her suitcase the next day. What follows is a heartbreaking yet hugely funny story of a young Kiwi girl - the deputy head girl from a posh private school - coming to grips with her sexuality in the face of stark disapproval from her parents. Bit by bit, Lil finds the inner strength to pull herself into an entirely new world. Along the way she's called out for looking too straight in a gay bar, tries to break in to the lesbian in-crowd and figures out how to send her internet lover back to America. She falls in lust over a knotted soccer shoelace, explores how the hell to have sex with a girl and dates four women at once - unsuccessfully. Lil's story is an insightful and honest look at how you figure out whether you're gay, bi or whatever - and deal with what comes next. It's an essential read for anyone who's had to fight for who they are and what they believe in.

*Queer City* - Peter Ackroyd 2018-05-08

A history of the development of London as a European epicenter of queer life. In *Queer City*, the acclaimed Peter Ackroyd looks at London in a whole new way—through the complete history and experiences of its gay and lesbian population. In Roman Londinium, the city was dotted with lupanaria (“wolf dens” or public pleasure houses), fornices (brothels), and thermiae (hot baths). Then came the Emperor Constantine, with his bishops, monks, and missionaries. And so began an endless loop of alternating permissiveness and censure. Ackroyd takes us right into the hidden history of the city; from the notorious Normans to the frenzy of executions for sodomy in the early nineteenth century. He journeys through the coffee bars of sixties Soho to Gay Liberation, disco music, and the horror of AIDS. Ackroyd reveals the hidden story of London, with its diversity, thrills, and energy, as well as its terrors, dangers, and risks, and in doing so, explains the origins of all English-speaking gay culture. Praise for *Queer City* “Spanning centuries, the book is a fantastically researched project that is obviously close to the author’s heart.... An exciting look at London’s queer history and a tribute to the “various human worlds maintained in [the city’s] diversity despite persecution, condemnation, and affliction.” —Kirkus Reviews “[Ackroyd’s] work is highly anecdotal and near encyclopedic . . . the book is fascinating in its careful exposition of the singularities—and commonalities—of gay life, both male and female. Ultimately it is, as he concludes, a celebration as well as a history,” —Booklist “A witty history-cum-tribute to gay London, from the Roman “wolf dens” through Oscar Wilde and Gay Pride marches to the present day,” —ShelfAwareness

*The Ins and Outs of Gay Sex* - Stephen E. Goldstone 2011-05-11

Finally--the book for every gay man's bedside table. At last! Answers to the questions you're too embarrassed to ask--but always wanted to know! Why does it hurt down there? Is it really safe to do that? What does it mean when something looks like this--and how do I make it go away?

Chances are you never learned anything about gay intimacy from your parents, your school, or your family physician. Here, at last, is reliable, comprehensive information on a wide spectrum of gay medical concerns, written by an eminent surgeon and recognized authority on gay health issues. With up-to-date facts, interviews, and case studies from the author's practice, *The Ins and Outs of Gay Sex* goes far beyond HIV concerns, combining a complete education about the safe and pleasurable practices of male-male sexuality with a comprehensive medical volume. Here are the facts about what you need to know to keep your sex life hot and healthy, including: The rules of safe anorectal stimulation. Symptoms to send you running to the doctor. Foreplay, sex toys, and other accessories. Viral and nonviral STDs--don't wake up with an unpleasant surprise! Treatments for impotence and other sexual dysfunctions. Diseases that can be spread without penetration. Drugs...relationships...doctors (how to find the right one for you), and much more.

*The Advocate* - 2005-10-11

*The Advocate* is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

*You're Not from Around Here, Are You?* - Louise A. Blum 2001-03-13

This is a funny, moving story about life in a small town, from the point of view of a pregnant lesbian. Louise A. Blum, author of the critically acclaimed novel *Amnesty*, now tells the story of her own life and her decision to be out, loud, and pregnant. Mixing humor with memorable prose, Blum recounts how a quiet, conservative town in an impoverished stretch of Appalachia reacts as she and a local woman, Connie, fall in love, move in together, and determine to live their life together openly and truthfully. The town responds in radically different ways to the couple's presence, from prayer vigils on the village green to a feature article in the family section of the local newspaper. This is a cautionary, wise, and celebratory tale about what it's like to be different in America—both the good and the bad. A depiction of small town life with all its comforts and its terrors, this memoir speaks to anyone who has ever felt like an outsider in America. Blum tells her story with a razor wit and deft precision, a story about two "girls with grit," and the child they decide to raise, right where they are, in small town America.

*The Advocate* - 2003-08-19

*The Advocate* is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

*Out of Sync* - Lance Bass 2007-10-23

Lance Bass, who literally grew up as part of one of the biggest bands in the world, tells all about his life, his music, and his sexuality in this candid, compelling autobiography. At sixteen, Lance Bass received a phone call from Justin Timberlake that would change his life forever. Soon after, he left his small-town home in Clinton, Mississippi, to join an emerging musical group called \*NSYNC. Two years later \*NSYNC was inspiring Beatles-esque mania around the world, becoming the face of the new MTV generation, and earning the all-time record for most album sales in a single day (more than one million) and in a single week for *No Strings Attached*. He's remained in the spotlight ever since, and here he talks in depth for the first time about his childhood, his astonishing experiences as a young man and Christian growing up in one of the biggest bands in the world, his shock and frustration at the band's eventual dissolution, and his subsequent career, including his four months in Russia, training to become a cosmonaut. He also frankly discusses life as a gay man—his first same-sex relationship at twenty-one, his struggle to keep his sexuality hidden from \*NSYNC's fans in case it jeopardized the band's success, and the true circumstances that led to his decision to publicly come out at the age of twenty-seven. Full of fascinating behind-the-scenes lore and revealing insights from a pop star who, until now, has been notoriously private, *Out of Sync* is the book that millions of fans have been waiting for.
