Rock Fashion - Joshua Sims
1999

A dazzling look at the heady relationship between rock 'n' roll and fashion. Using classic and rare images this is the history of street style, music and high fashion. Features first-person accounts from some of the most influential people in the history of rock fashion, including Jack Good, Mary Quant, Michael Fish, Tommy Roberts and Paul Smith

Little Book of Vivienne Westwood - Glenys Johnson
2023-11-09

Designer, punk, rebel, dame... Vivienne Westwood was all this and more. One of the main architects of the 1970s punk era, the inimitable Westwood refused to take fashion too seriously, finding unique and arresting ways to subvert tradition and challenge the status quo. But her impact on the industry was more than ripped T-shirts. A master of tailoring and mistress of

corsetry, she deconstructed street fashion and parodied English looks with tight waists, bustles and a zany take on tartan and Harris Tweed. Clients include Dita Von Teese, FKA Twigs and Doja Cat, her signature designs have featured in Japanese manga, Nana, and having captivated the TikTok generation, her vintage pieces still go viral today. Punk in both fashion and politics to the very end, Vivienne Westwood will remain an icon of fashion and feminism for generations to come.

Malcolm McLaren - The Biography: The Sex Pistols, the anarchy, the art, the genius - the whole amazing legacy - Ian Macleay
2010-07-06

The story of Malcolm McLaren is the story of England in the last half century. Expelled from a string of art colleges, he met and fell in love with designer Vivienne Westwood. They became the Bonnie and Clyde of punk as they set out to turn

*Downloaded from
legacy.opendemocracy.net
on 2022-08-23 by guest*

the fashion world upside down with their Kings Road boutique SEX and its eye-popping creations. It was also the birthplace of the Sex Pistols and in 26 short months blew the music business apart. McLaren masterminded it all: discovering lead singer John Lydon, achieving a No 1 single without airplay and outraging a nation with 'God Save the Queen'. The Pistols imploded in a horror story of heroin, murder and suicide. A beleaguered Malcolm went into self-imposed exile in Paris as years of lawsuits commenced. The rift was never healed and this book examines the complex relationship between the two which was the hub of the group. Malcolm's own musical career was no less amazing. His 1983 album Duck Rock mixed African music with hip-hop and was responsible for bringing the fusion to a wider audience in the UK. Other collaborations included working with such diverse talents as guitar hero Jeff Beck and the legendary Françoise Hardy. In later years he even

ran for Mayor of London, funded by Alan McGee - former Oasis supremo.

No Future - Paul Stolper 2004

Vivienne Westwood - Vivienne Westwood 2017-11-21

Vivienne Westwood è una delle icone della nostra era. Stilista di moda, attivista, co-creatrice del punk, brand globale. Mamma, più volte moglie e compagna, nonna. Una vera leggenda vivente. La sua carriera ha attraversato con successo cinque lunghi decenni, e il suo lavoro influenzato milioni di persone in tutto il mondo. Per la prima e unica volta, Vivienne Westwood ha scritto un libro di memorie personali, collaborando con il pluripremiato biografo Ian Kelly per descrivere gli eventi, le persone e le idee che hanno dato forma e sostanza alla sua vita straordinaria. Raccontata in tutto il suo fascino glamour e con appassionata onestà, questa è la Sua Storia. Dalla felice infanzia nel Derbyshire al trasferimento nella Londra degli anni Cinquanta. Dai primi

originalissimi gioielli venduti sulle bancarelle di Portobello Road al vestito realizzato da sola per il primo matrimonio con Derek Westwood e la nascita del figlio Benjamin. Dalla separazione consensuale alla turbolenta relazione con Malcolm McLaren, futuro manager dei Sex Pistols, da cui nasce il secondo figlio Joseph Corr . Per arrivare all'apertura del primo negozio su King's Road, "Let it Rock", destinato a cambiare diversi nomi e stili fino all'attuale "Worlds End". Dall'approdo al "made in Italy" grazie alla collaborazione con Carlo D'Amario alla relazione platonica e culturale con lo storico dell'arte Gary Ness. Fino al secondo matrimonio "clandestino" con Andreas Kronthaler, suo giovanissimo e geniale studente di moda austriaco, nel 1992. Se negli anni Settanta la Westwood viene riconosciuta come l'ideatrice del look punk, con creazioni stravaganti e provocatorie, negli anni Ottanta i suoi modelli non traggono pi  ispirazione soltanto dalla moda di strada

giovane, ma da tradizione e tecnica. La sua ricerca prende coltissimi spunti dalla storia del costume ed esplora tutte le epoche. Nel nuovo millennio s'impone poi l'impegno sociale e politico come attivista per organizzazioni ambientaliste e per i diritti umani e civili e il personale contributo grazie alla campagna "Rivoluzione Climatica" e al manifesto Active Resistance to Propaganda.

on 2022-08-23 by guest*

Fashions of Vivienne Westwood and Malcolm McLaren is a visual history of the 1970s fashion revolution that was born out of a small London boutique at 430 King's Road. Vivienne Westwood and Malcolm McLaren not only dressed the Sex Pistols, but also pioneered the confrontational, taboo-busting punk aesthetic that continues to inspire designers to this day. From T-shirts adorned with rubber to bondage trousers and clothes made of muslin, their designs were meant to shock. The author has amassed what is perhaps the world's largest and most significant collection of clothing from the shop's history, much of which has never appeared in print. The book, housed in a striking slipcase, features stunning images of the clothing and rare photos of the 1970s punk scene, accompanied by interviews and commentary from those who were there.

Vivienne Westwood - Sean Connolly 2003

Vivienne Westwood is one of Britain's most successful

fashion designers. Her amazing achievements are especially remarkable considering her unusual background and controversial past. Vivienne made her name designing clothing for the anarchist Punk movement, and especially the notorious Sex Pistols. Now, however, her haute couture fashion labels are sold by exclusive designer boutiques from New York to London and Paris. Creative Lives: Vivienne Westwood looks at how this amazing transformation came to take place.

Vivienne Westwood - Vivienne Westwood 2006

This text presents a collection of Vivienne Westwood's shoes from 1973-2006.

Rotten - John Lydon
2003-07-31

"Much more than just a rock autobiography, this book is an oral history of punk : at once angry, witty, honest, poignant and crackling with energy. Malcolm McLaren, Sid Vicious, Chrissie Hynde, Billy Idol, Britain in the late seventies, the Pistol's explosion onto the moribund music scene and

Clothes for Heroes - PunkPistol
2014-09

From a small boutique on London's King's Road in the 1970s, Malcolm McLaren and Vivienne Westwood started a fashion revolution. The clothes they created during their shop's various guises as Let It Rock, Too Fast To Live Too Young To Die, SEX and finally Seditonaries provided not only the wardrobe for the Sex Pistols, but also a confrontational, taboo-busting aesthetic which continues to

inspire designers to this very day. Indeed, their work appeared to have no precedent, as if the designs had appeared out of nowhere. A rubber T-shirt with bicycle tyres sewn around the arms and chicken bones spelling out 'VENUS' attached to the front. Images culled from pornographic magazines and Disney cartoons. Bondage trousers with straps between the legs restricting movement and a zip running around the crotch. Clothes made out of muslin, straggly mohair and towelling. Clothes to get you noticed and - on occasion - arrested. Today they are collectors' items, sold for high prices in auction houses and hungrily sought out by investors and museums. PunkPistol, the author of *Clothes for Heroes*, has amassed what is widely seen as the world's largest and most significant collection of Sex and Seditonaries clothing, much of which has never appeared in print or exhibitions before. In this book he has combined stunning photography of that collection,

Downloaded from
legacy.opendemocracy.net
on 2022-08-23 by guest

rare and unseen images from inside 430 King's Road and the 1970s punk scene, designs which never saw the light of day, and original testimony from key witnesses to the clothes' creation, to produce the ultimate visual history of one of the key partnerships in contemporary popular culture.

The Life & Times of

Malcolm McLaren - Paul Gorman 2020-04-09

'I couldn't put this book down. Malcolm inspired us to make art out of our boredom and anger. He set us free' Bobby Gillespie, Primal Scream
Included in the Guardian 10 best music biographies
'Excellent . . . With this book, Gorman convincingly moves away from the ossified image of McLaren as a great rock'n'roll swindler, a morally bankrupt punk Mephistopheles, and closer towards his art-school roots, his love of ideas.
Tiresome, unpleasant, even cruel - he was, this book underlines, never boring'
Sunday Times 'Exhaustive . . . compelling'
Observer
'Definitive . . . epic' The Times

'Gobsmacker of a biography' Telegraph
'This masterful and painstaking biography opens its doorway to an era of fluorescent disenchantment and outlandish possibility' Alan Moore
Malcolm McLaren was one of the most culturally significant but misunderstood figures of the modern era. Ten years after his life was cruelly cut short by cancer, *The Life & Times of Malcolm McLaren* sheds fascinating new light on the public achievements and private life of this cultural iconoclast and architect of punk, whose championing of street culture movements including hip-hop and Voguing reverberates to this day. With exclusive contributions from friends and intimates and access to private papers and family documents, this biography uncovers the true story behind this complicated figure. McLaren first achieved public prominence as a rebellious art student by making the news in 1966 after being arrested for burning the US flag in front of the American Embassy in London.

*Downloaded from
legacy.opendemocracy.net
on 2022-08-23 by guest*

He maintained this incendiary reputation by fast-tracking vanguard and left-field ideas to the centre of the media glare, via his creation and stewardship of the Sex Pistols and work with Adam Ant, Boy George and Bow Wow Wow. Meanwhile McLaren's ground-breaking design partnership with Vivienne Westwood and his creation of their visionary series of boutiques in the 1970s and early '80s sent shockwaves through the fashion industry. The Life & Times of Malcolm McLaren also essays McLaren's exasperating Hollywood years when he broke bread with the likes of Steven Spielberg though his slate of projects, which included the controversial Heavy Metal Surf Nazis and Wilde West, in which Oscar Wilde introduced rock'n'roll to the American mid-west in the 1880s, proved too rich for the play-it-safe film business. With a preface by Alan Moore, who collaborated with McLaren on the unrealised film project Fashion Beast, and an essay by Lou

Stoppard casting a twenty-first-century perspective over his achievements, The Life & Times Of Malcolm McLaren is the explosive and definitive account of the man dubbed by Melvyn Bragg 'the Diaghilev of punk'.

Vivienne Westwood - Claire Wilcox 2004

Claire Wilcox's work looks at the career of dynamic and dedicated designer, Vivienne Westwood, and is followed by a comprehensive photographic section which charts the development of Westwood's ideas and technique, from punk to the present day. Both sections illuminate Westwood's working methods, looking at her tailoring techniques, fabrics and patterns, and highlighting key influences by featuring some of the objects that inspired her. Mario Testino and Annie Leibovitz, present highlights of the collections that have been a major influence on fashion, music and art since the 1970s. Outfits worn by the Sex Pistols contrast with more recent creations for Sarah Jessica

Parker, Tracy Emin and Cameron Diaz, demonstrating why Westwood is still the most talked-about designer in Britain. The photographs - a mix of ad campaigns, fashion shoots, catwalk shots and rare archive images - have been personally selected by Vivienne Westwood, and present her own vision of the high-points of a career characterised by constant innovation and variety

Punk Style - Monica Sklar
2013-11-21

Punk Style examines the dress of this incredibly diverse, long-lasting and hugely influential subculture and its impact on mainstream fashion. Taking a comprehensive approach, the book includes a historical overview, a discussion of motivations behind dress practices, and a review of fashion cycles and merchandising methods. Punk is frequently positioned as a forerunner of trends that later become commonplace, as demonstrated in the proliferation and acceptance of body modification, the repeated use of deconstruction

as a design aesthetic, and the recent boom in fashion that reflects DIY style through handmade crafts. The book explores how this dominant subcultural style continues to expand via the internet, youth buying-power, and the constant re-appropriation of its distinctive styles. This accessible text brings the discussion of punk fashion up-to-date and provides a concise overview for students and scholars and general readers interested in the punk subculture.

Vivienne Westwood - Fred Vermorel 1996-09

Vivienne Westwood was the Queen of Punk Rock and her fashions have scandalized and fascinated the world since the Sixties. Parading models bare-breasted down the catwalks of Paris, posing pantiless outside Buckingham Palace - she has an insatiable appetite for anarchic outrageousness. She has never lost her power to shock, and her continued innovations make her one of the most talked-about fashion designers in the world.

*Downloaded from
legacy.opendemocracy.net
on 2022-08-23 by guest*

Vivienne Westwood describes for the first time in detail Westwood's childhood and early years; it also exposes the inside story of her stormy and bizarre relationship with musician and fashionista Malcolm McLaren. Fred Vermorel looks at the origins of Westwood's witty and erotic sensibility, placing it in the context of the Sixties, and throwing light on the dynamics of punk and on Westwood's later ability to tap into the inner logic of fashion - a Romantic perversity which is at the heart of mass consumption itself. As a dirty history of the Sixties shared by Westwood, McLaren and the author, and as a story of the triumph of a mad, bad, outrageous girl, Vivienne Westwood succeeds brilliantly.

Lonely Boy - Steve Jones

2016-11-17

SOON TO BE A LIMITED
SERIES DIRECTED BY DANNY
BOYLE _____

Foreword by Chrissie Hynde
Without the Sex Pistols there
would be no punk rock, and
without Steve Jones there

would be no Sex Pistols. It was Steve who formed Kutie Jones and his Sex Pistols, the band that eventually went on to become the Sex Pistols, with his schoolmate Paul Cook and who was its original leader. As the world celebrates the 40th anniversary of Punk - the influence and cultural significance of which is felt in music, fashion and the visual arts to this day - Steve tells his story for the very first time. Rising from the streets of Hammersmith, Steve Jones was once a lonely, neglected boy living off his wits and petty thievery. Given purpose by the glam art rock of David Bowie and Roxy Music, he became one of the first generation of punks taken under the wings of Malcolm McLaren and Vivienne Westwood. For the very first time Steve describes the neglect and abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime. From the Kings Road of the early seventies, through the years of the Sex Pistols, Punk Rock and
