Music Theory For Dummies - Michael Pilhofer 2019-07-11

Tune in to how music really works Whether you're a student, a performer, or simply a fan, this book makes music theory easy, providing you with a friendly guide to the concepts, artistry, and technical mastery that underlie the production of great music. You'll quickly become fluent in the fundamentals of knocking out beats, reading scores, and anticipating where a piece should go, giving you a deeper perspective on the works of others — and bringing an extra dimension to your own. Tracking to a typical college-level course, Music Theory For Dummies breaks difficult concepts down to manageable chunks and takes into account every aspect of musical production and appreciation — from the fundamentals of notes and scales to the complexities of expression and instrument tone color. It also examines the latest teaching techniques — all the more important as the

360° Circus - Franziska Trapp 2023-06-01

This collection aims to map a diversity of approaches to the artform by creating a 360° view on the circus. The three sections of the book, Aesthetics, Practice, Culture, approach aesthetic developments, issues of artistic practice, and the circus' role within society. This book consists of a collection of articles from renowned circus researchers, junior researchers, and artists. It also provides the core statements and discussions of the conference UpSideDown—Circus and Space in a graphic recording format. Hence, it allows a clear entry into the field of circus research and emphasizes the diversity of approaches that are well balanced between theoretical and artistic point of views. This book will be of great interest to students and scholars of circus studies, emerging disciples of circus and performance.

Profitable Marketing Communications - Antony Young 2007-03-03

Marketing is still seen by many companies as a cost, rather than an investment, and tops the list

of types of expenditure most likely to go in a downturn. Profitable Marketing Communications explains that marketing is about creating positive value for a business or brand through demonstrating cost versus return. The authors propose a new marketing model, which helps business-owners, CEOs, CFOs and marketers apply an investment-led approach where the focus is value, not cost. Profitable Marketing Communications introduces investment disciplines and strategies to marketing practices. It offers insight into how marketers have delivered outstanding marketing ROI for their companies. Finally, it provides a blueprint to maximize the returns from marketing communications. Case studies show how marketing works as part of a wider business strategy and prove that marketing can give customers, staff and shareholders good reason to stay loyal to companies.

Ladybug - C. J. Michaels 2017-04-04

The ladybug initiates change when it is needed the most. In spite of its size, it appears to be

fearless. Its presence, often associated with luck and the enabling of love and protection against harm, is also a pest intuitively focused on its task... LADYBUG is a passionate and psychologically vigorous debate between head and heart, reality and the ideal. Cara a cara with social stigmas, cultural undercurrents, crafty rhetoric and a sober understanding of the human condition, it remains however charmingly resilient and steadfast to the sensitive truths it lives by. Unable to make one feel indifferent to what the small but mighty definition of friendship is all about.

The Healing of Essy - Michael P Taylor
2019-05-30

This is a novel about an alien planet named Essy and a young woman who shares the same name. She is determined to go out into space, head to planet Earth, and conquer and destroy this planet that may appear to be hostile. By doing this, she would then own every human and everything else as well. She is finally reaching her goal.

The Explosexuawesome Career Guide - Mose Hayward 2013-02-05

explosexuawesome: adj. An eye-bursting, skull-incinerating, kitty-consternating brand of cool. You know, the type of job we all want. Author Mose Hayward will have you laughing all the way to a new career with The Explosexuawesome Career Guide. Yes, there are actual people who are paid to blow up yachts, taste ice cream, and stand around nightclubs.

looking cool. How does one go about landing such jobs? What are the qualifications? And more important, how much does one get paid? These questions and many more are hilariously answered in Mose Hayward's *The Explosexuawesome Career Guide*. Exposing all the cool careers your guidance counselor never mentioned, *The Explosexuawesome Career Guide* is a perfect (and totally necessary) gift for all recent graduates. Weird, bizarre, and unusual but totally awesome jobs are out there for the taking. Author Hayward has sought out holders of these most outlandish, one-in-a-million jobs, and interviewed them to discover crucial information, such as how they got hired and what they do all day. With Hayward's insightful interviews, the reader gets hilarious step-by-step instructions on how they, too, can achieve these cool-yet-odd positions. Each career is illustrated by the comic art of Chris Stangl. This outlandish parody of career guidebooks is sure to entertain, whether or not you're in the market for a new career.
