[America's Public Schools - William J. Reese 2011-04](#)  
 In this update to his landmark publication, William J. Reese offers a comprehensive examination of the trends, theories, and practices that have shaped America's public schools over the last two centuries. A thoroughly revised epilogue outlines the significant challenges to public school education within the last five years. Reese analyzes the

shortcomings of "No Child Left Behind" and the continued disjuncture between actual school performance and the expectations of government officials. He discusses the intrusive role of corporations, economic models for enticing better teacher performance, the continued impact of conservatism, and the growth of home schooling and charter schools. -- From the publisher description.

Ever wonder if it's chemistry—or astrology? Learn to use your zodiac sign—and everyone else's!—to find, attract, and seduce your star-destined match. Every sun sign has its perfect match—in and out of the bedroom. In this hot new edition of the classic bestseller, you'll learn the sensual secrets of the zodiac, including how to: -Reveal your sexual soulmate using a sign compatibility quiz -Act and dress to seduce any sign -Ravish that special someone with sign-specific sexual techniques -Determine the best (and worst) sun-sign matches With in-depth quizzes and descriptions of the sexual characteristics, favorite fantasies, and compatible matches of each sign, this entertaining guide is guaranteed to heat up any couple's sex life—one heavenly body at a time!

**Younger (Sexier) You** - Eric R. Braverman 2012-01-31

Just as he used the latest brain science to help tens of thousands reverse the effects of aging and achieve lasting weight loss, Dr. Eric Braverman now uses the most up-to-date research on hormones and the brain to explain how great sex contributes to great health, and vice versa. He explains that sexuality plays a huge role in keeping us young, fit, and healthy—helping with everything from cognitive function to stress reduction to appetite control. It has even been shown to increase levels of hormones that protect against infections and cancer. Furthermore, preserving a good sex life is an important factor in maintaining a loving relationship and curbing the urge to stray that can lead to unfaithfulness

and disappointment. Beginning with a discussion of the brain and an explanation of sex codes, or how individuals personally view and approach sex, and a quiz to help each reader determine her specific sex code, Braverman looks closely at the major hormones involved with sexual activity and explains how to make permanent changes to four main areas affected by the aging process: libido, creativity, stamina, and satisfaction—for an additional 7-10 years of great sex. With information and advice to address the health concerns of men and women alike, *Younger (Sexier) You* will help every couple achieve greater pleasure and intimacy; showing them that that the most effective way to remain young and sexy just might be the most pleasurable.
