Sex Positions Fanton Publishers 2018-08-06 This book has 30-day sex positions that you can use to spice up your sex life and in extension improve your relationship. Sex plays a very central role in the overall health of a relationship and the emotional well-being of a couple. Did you know that most divorces fall into two main categories: those caused by a lack of money and those caused by a lack of or mediocre sex. As you can see from these facts, sex is one of the main pillars to a long, fulfilling, and lasting relationship. Let us be honest for a moment; unless you have fallen out of love with your significant other, no one intentionally wants a mediocre sex life. This is perhaps because most of us understand the important role sex plays in creating emotional symbiosis between couples as well as creating a physical connection. One main reason why most relationships suffer in the bedroom is a lack of sexual excitement. If you do the same thing repeatedly, it is eventually bound to bore you. The same applies for sex. If you practice the missionary every night, of your 20 years marriage or relationship, your sex life will become a routine and a total bore. As a wise man said, "Variety is the spice of life." While the missionary is indeed a great sex position for emotional and physical connection, it can wraith all the excitement out of a relationship. What then can you do to spice up your sex life? A good place to start is experimenting with various sex styles and positions. Today, we shall examine some of the best sex positions guaranteed to bring the zing back into you relationship and make it a very exciting affair. In this book, you will learn: Powerful sex positions that will maximize your emotional and physical connection with your partner Erotic positions that drive men wild with desire Sex positions guaranteed to ensure she comes first and fast Sex positions that will give her toe curling, eye rolling and body shaking orgasms Out of this world sex positions that you may never have tried before Sex positions that will ensure your oral sex life is on a whole new level that you've never imagined And Much, Much More! Sex - How to Make Love All Night and Drive a Women Wild Lance Candela 2014-08-28 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on. It started in the shower with a slow massage and moved to the bedroom, where they have been having intercourse for the past ten minutes. Daniel knows that Allison needs at least another five minutes of intercourse before she can climax. Here's the problem: Daniel doesn't think he has five minutes left in him. If Daniel continues having intercourse the way he has for the past ten minutes, it may be only a matter of seconds before he has an orgasm. He thinks about slowing down or stopping, but to break the rhythm now would only make it more difficult for Allison to climax. He knows that Allison is at that stage where any kind of change in his movement would only frustrate her. Besides, if he tried to stop or to change the rhythm, Daniel could lose strength in his erection, which would complicate matters even further. This dilemma is making the whole experience a lot less pleasurable for Daniel. The first few minutes of sex were pure excitement, but now he is worried and conflicted. It is hard to enjoy sex when you're fighting your own body. Truth is, you really can't enjoy sex when you're fighting your own body. And neither can your partner. What Daniel does not yet know is that he has another option: male multiple orgasm. The multi-orgasmic man has staying power. He doesn't have to hold back. He doesn't have to fight his own body and deny himself his own pleasure. He can enjoy all of the erotic sensations of intercourse, have a full orgasm, and keep going! If he wishes, he can have a second orgasm, and keep going! He can last as long as his partner wishes, experience all of the excitement and release, and keep going! For the multi orgasmic man, the sky is truly the limit. Daniel is not the only man who has this exciting option. Today, techniques have been perfected to make male multiple orgasm an option for almost every man! Age doesn't matter. Previous experience doesn't matter. Young or old, virgin or veteran, all you

need is the desire, your penis, and a few minutes a day. So don't stop now. Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner. Enjoy your ebook "Sex how to make love all night"!
