[City of Night](#) - John Rechy 2021-05-20

Bold and inventive in style, *City of Night* is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy

describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

[The Sexual Outlaw](#) - John Rechy 1989

In this angry, eloquent outcry against the oppression of homosexuals, the author of the classic *City of Night* gives "an explosive non-fiction account, with commentaries, of three days and nights in the sexual underground" of Los Angeles in the 1970s--the "battlefield" of the sexual outlaw. Using the language and techniques of the film, Rechy deftly intercuts the despairing, joyful, and defiant confessions of a male hustler

with the "chorus" of his own subversive reflections on sexual identity and sexual politics, and with stark documentary reports our society directs against homosexuals—"the only minority against whose existence there are laws."

A Sexual Outlaw: a Documentry - John Rechy 1981

Blue Movie - Stephan Ferris 2022-10-11

Blue Movie is a horror show come to life. It is one written and cast from the darkest corners of the Internet. In it, readers will witness the brutal unmaking of a human, the terrifying collapse of hope, and the drug-fueled spiral leading to disaster. A sadistic Nazi, a dungeon death, and an arrest for murder are just a few of the shocking moments in this collection of nearly 80 scenes from the life of a sexual outlaw. And, of course, there are surprises around every corner, including a naked, wandering, and blood-covered zombie on the sidewalks of Brooklyn. Stephan Ferris, an activist attorney also known as gay adult star Blue Bailey, stares down the devil - himself - and gets his hellish existence refocused on recovery and serving his community. But are the monsters gone? Has the terror ended? We are left knowing only that everything could shatter into shards in one white cloud of smoke.

Vulgar Genres - Steven Rusczycky 2022-01-11

Vulgar Genres examines gay pornographic writing, showing how literary fiction was both informed by pornography and amounts to a commentary on the genre's relation to queer male erotic life. Long fixated on visual forms, the field of porn studies is overdue for a book-length study of gay pornographic writing. Steven Rusczycky delivers with an impressively researched work on the ways gay pornographic writing emerged as a distinct genre in the 1960s and went on to shape queer male subjectivity well into the new millennium. Ranging over four decades, Rusczycky draws on a large archive of pulp novels and short fiction, lifestyle magazines and journals, reviews, editorial statements, and correspondence. He puts these materials in conversation with works by a number of contemporary writers, including William Carney, Dennis Cooper, Samuel Delany, John Rechy, and Matthew Stadler. While focused on the years 1966 to 2005, Vulgar Genres reveals that the history of gay pornographic writing during this period informs much of what has happened online over the past twenty years, from cruising to the production of digital pornographic texts. The result is a milestone in porn studies and an important contribution to the history of gay life.

Rushes - John Rechy 2007-12-01

A "tour de force" novel from the groundbreaking author of City of Night and one of the premier chroniclers of gay life in America (Los Angeles Times). John Rechy takes us inside a "leather and Western" bar located near the deserted waterfront of a large American city. This is a sexual battlefield—a world of trucks, piers, and warehouses—depicted in Rechy's "eloquent, convincing, basically unsparing" prose (Herbert Gold). The bar regulars are on a ceaseless search for compatible love. The occasional customer hopes for a quick

sexual fix. Female and transvestite hookers work the dark streets outside. A couple seeks a voyeuristic experience. And one young man ventures out for the first time. During the course of a single evening we get to know them all and watch as the night descends into the depths of a sexual underworld where danger and play transform into quasi-religious rites that end in ritual sacrifice.

The Miraculous Day of Amalia Gómez - John Rechy 2007-12-01

A Los Angeles Latina woman living in poverty and hoping for miracles "comes to stunning and heartbreaking life" in this novel from an award-winning author (Newsday). On a hot, still day in May, Amalia Gómez sees—or thinks she sees—a large silver cross in the sky. Does this vision foretell a miracle? The pragmatic, twice-divorced Amalia is doubtful . . . Amalia's neighborhood—a decaying area near a shabby part of Hollywood Boulevard—is under attack from gang wars and the police. Her live-in boyfriend is behaving suspiciously, her "fast" teenage daughter Gloria has become too much to handle, and her teenage son is hinting he's in serious trouble. Most of all, Amalia is haunted by thoughts of her past and her first-born, dead in jail under mysterious circumstances. As the epiphanies and small omens of Amalia's day build to a climax as wondrous as it is shattering, PEN Center USA's Lifetime Achievement Award-winning author John Rechy takes us into the complicated life of a Chicano family living in Los Angeles—in all its spirited, gritty reality, giving us "a novel with more truth in it than a carload of best-sellers" (The Washington Post). "A fierce book . . . [told in] tough, uninhibited prose." —Hartford Courant "A vivid and touching novel . . . Rough, heartbreaking . . . Rechy is masterful." —San Antonio Express-News "A triumph, a sad, beautiful and loving book rooted in cultural experience as well as deep intuition." —Newsday "[An] ardently feminist piece of writing. By portraying her abusive past, the poverty and the narrow choices facing Amalia G[ó]mez, Rechy illuminates the plight of certain minority women who remain locked in the dark ages of female emancipation, shut off from any help . . . Amalia G[ó]mez may be the main character, but poverty and ignorance, injustice and fear, are the real subjects of this engaging novel." —Los Angeles Times

Numbers - John Rechy 2007-12-01

An aging male hustler wages an obsessive battle against the passing of his youth in this darkly compelling follow-up to the cult hit City of Night. Johnny Rio, a handsome narcissist no longer a pretty boy, travels to Los Angeles, the site of past sexual conquest and remembered youthful radiance, in a frenzied attempt to recreate his younger self. Like a retired boxer—an undefeated champion—who refuses to accept the possible ravages of time, Johnny is led by some unfathomable force to return to combat once again. Combat, for him, takes place in the dark balconies and dismal bathrooms of LA's all-night movie theaters and on the hot sands of the city's gay beaches. But these are only warm up bouts. The real test, Johnny soon learns, will be in the shaded glens of a rambling park on the outskirts of the city. Through those alcoves, as a gallery of sexhunters emerges, he sets out to discover whether the passage of time—as terrifying to the male hustler as to the dancer or ingenue—has diminished the allure that was the source of his pride. For Johnny, the final proof resides in numbers. So he sets himself a rigorous time-table—ten days—and goal: thirty "numbers" to prove is mettle. But through all the sexual episodes, the self-indulgence which comprises Johnny's tawdry world, there resounds the universal cry of a human being's desperate need to be loved.

About My Life and the Kept Woman - John Rechy 2009-03-17

The long-awaited memoir by "one of the few original American writers of the last century" is a testament to the power of self-acceptance (Gore Vidal). John Rechy, author of City of Night and The Sexual Outlaw, has always known discrimination. Raised Mexican-American in El Paso, Texas, at a time when Latino children were routinely segregated, Rechy was often assumed to be Anglo because of his light skin, and had his name "changed" for him by a teacher, from Juan to John. As he grew older—and as his fascination with the memory of a notorious kept woman in his childhood deepened—Rechy became aware that his differences lay not just in his heritage, but in his sexuality. While he performed the roles expected of him by others—the authoritarians in the US Army during the Korean War, the bigoted relatives of his Anglo college classmates, or the men and women who wanted him to be something he was not—he never allowed them to define him. The "riveting" story of a life that bears witness to some of the most riotous changes of the past century, About My Life and the Kept Woman is as much a portrait of intolerance as of an individual who

defied it to forge his own path (The Advocate). “Rechy might be called the first bard of West Hollywood.” —The New York Times “A skillfully paced story . . . As a memoirist, Rechy is both participant and observer, and he segues as easily between narrative and exegesis as his younger self did between the lure of the wild streets and the embrace of his traditional family.” —Los Angeles Magazine

Brando Unzipped - Darwin Porter 2006

The mysteries that enveloped the late icon Marlon Brando are unwrapped and exposed in this richly anecdotal biography by bestselling biographer Darwin Porter. Meticulously accurate, this book has been researched over a period of 40 years. The result is a fully rounded view of a revolutionary actor who electrified the world and, with great candour, Porter unveils the details of that ongoing disaster Brando called 'my life.' However, more than just a chronicle, the book charts the many loves of his life too and his many tortured relationships.

The Fourth Angel - John Rechy 2007-12-01

From the New York Times–bestselling author of *City of Night*: a “powerful work that may very well be Rechy’s best” (Kirkus Reviews). Compelling and ferociously relevant, *The Fourth Angel* is the story of four teenagers playing deadly games with drugs, sex, and one another. Behind a facade of tough cynicism, on a raging search for kicks, they explore the hot, dusty city, bent on trouble. There are three “angels”—Shell, Cob, and Manny—and their recruit Jerry, who becomes the fourth. Hovering in that uncertain limbo between childhood and adulthood, the four angels maintain a precarious balance among themselves and with the outside world. Each one is today’s street kid: still tinged with innocence and capable of beauty, but at the same time, full of rage and violence, attempting to conceal an ugly past. Praise for John Rechy “Rechy shows great comic and tragic talent. He is truly a gifted novelist.” —Christopher Isherwood, author and playwright “His tone rings absolutely true, is absolutely his own, and he has the kind of discipline which allows him a rare and beautiful recklessness. He tells the truth, and tells it with such passion that we are forced to share in the life he conveys. This is a most humbling and liberating achievement.” —James Baldwin, novelist, playwright, and activist “Fresh, beautiful, totally courageous and totally cool, passionate . . . His uncompromising honesty as a gay writer has provoked as much fear as admiration . . . John Rechy doesn’t fit into categories. He transcends them. His individual vision is unique, perfect, loving and strong.” —Carolyn See, author of *Dreaming: Hard Luck and Good Times in America*

Monsters in the Closet - Harry M. Benshoff 1997-11-15

Monster in the Closet is a history of the horror film that explores the genre's relationship to the social and cultural history of homosexuality in America. Drawing on a wide variety of films and primary source materials including censorship files, critical reviews, promotional materials, fanzines, men's magazines, and popular news weeklies, the book examines the historical figure of the movie monster in relation to various medical, psychological, religious and social models of homosexuality. While recent work within gay and lesbian studies has explored how the genetic tropes of the horror film intersect with popular culture's understanding of queerness, this is the first book to examine how the concept of the monster queer has evolved from era to era. From the gay and lesbian sensibilities encoded into the form and content of the classical Hollywood horror film, to recent films which play upon AIDS-related fears. *Monster in the Closet* examines how the horror film started and continues, to demonize (or quite literally "monsterize") queer sexuality, and what the pleasures and "costs" of such representations might be both for individual spectators and culture at large.

The Sexual Outlaw - John Rechy 1977-01-01

This angry, elegant outcry against homosexual oppression is an explosive nonfiction account, with commentaries, of three days and nights in the sexual underground of Los Angeles in the seventies.

Sexography - Nicholas de Villiers 2017-03-21

The turn of the twenty-first century has witnessed an eruption of nonfiction films on sex work. The first book to examine a cross-section of this diverse and transnational body of work, *Sexography* confronts the ethical questions raised by ethnographic documentary and interviews with sexually marginalized subjects. Nicholas de Villiers argues that carnal and cultural knowledge are inextricably entangled in ethnographic sex work documentaries. De Villiers offers a reading of cinema as a technology of truth and advances a theory of confessional and counterconfessional performance by the interviewed subject who must negotiate

both loaded questions and stigma. He pays special attention to the tactical negotiation of power in these films and how cultural and geopolitical shifts have affected sex work and sex workers. Throughout, *Sexography* analyzes the films of a range of non-sex-worker filmmakers, including Jennie Livingston, Pier Paolo Pasolini, Shohini Ghosh, and Cui Zi'en, as well as films produced by sex workers. In addition, it identifies important parallels and intersections between queer and sex worker rights activist movements and their documentary historiography. De Villiers ultimately demonstrates how commercial sex is intertwined with culture and power. He advocates shifting our approach from scrutinizing the motives of those who sell sex to examining the motives and roles of the filmmakers and transnational audiences creating and consuming films about sex work.

Creating the Sexual Outlaw - Branka Bogdan 2013

The sexual outlaw is an ubiquitous yet undefined figure in the modern American cultural landscape. This thesis examines the work of several artists and writers associated with the term sexual outlaw, who worked during the second half of the twentieth century: David Wojnarowicz, Samuel M. Steward, John Rechy, Amos Badertscher, Herbert Huncke, Mark Morrisroe and Nan Goldin. It grapples both with the way that they constructed their own self-image as outlaws and how they created the outlaw figure in their representations. The sexual outlaw, in the way that he is discussed in this thesis, is a masculine, young and urban representation, the dominant and desirable protagonist in this sexual milieu. Chapter One introduces the artists and writers, arguing that while personal experience was a central influence in their work, their outlaw personae - theirs and their representations - were actually created through a complex layering of truth, fiction and myth. This chapter ultimately concludes that this complex fashioning of the 'self' is not an exercise in the formation of sexual subjectivity, but rather the cultivation of an outlaw 'look'. Chapter Two discusses artistic and literary techniques used by outlaw artists and writers, critiquing any notion of a simple unmediated documentary approach. By examining the methods and media employed by outlaw artists and writers, this chapter argues that their use and subversion of traditional conventions was not a 'homosexual' undertaking, but rather one that reflected broader artistic and social trends. Chapter Three analyses the perception that outlaw sex depended on its public and risqué nature, arguing for the neglected presence of the domestic realm in depictions of sex in the city. Outlaw artists and writers represented both the public and private realms - the division between the two seemingly separate spheres was not a simple separation. As a mythologized undefined figure, the outlaw is easily replicated and appropriated. The sexual outlaw has become the cultural archetype of sexual difference, deviance and homosexual subjectivity. How did the outlaw aesthetic and outlaw art become 'gay'? While each chapter deals with one aspect of the outlaw identity as it was created in artistic and literary output, each chapter also examines how these outlaw tropes have become synonymous with specifically 'homosexual' representations. The thesis historicizes the culturally pervasive figure of the sexual outlaw. In doing so, it interrogates ideas of sexual identity that have, since 1970s identity politics, become central to not only how we view desire and sexual acts, but how we appropriate and create cultural representations and cultural icons.

Bodies and Souls - John Rechy 2007-12-01

“A memorable feast . . . powerful, chilling, moving . . . extraordinary” from the bestselling author of *City of Night* and *The Sexual Outlaw* (Los Angeles Times). An exceptional novel from the bestselling author of the modern classic *City of Night*, *Bodies and Souls* is a portrait of modern Los Angeles on an epic scale, “the most spiritual and physical of cities.” Gorgeous, seedy, and striving, the Los Angeles of Rechy’s imagination is a magnetic city that draws to it the nation’s brightest and darkest energies—characters that include a female porn superstar; a young Chicano punk-rock fan; a Bel Air matron and her tyrannical husband, a Supreme Court judge; an aging male stripper; a black maid with apocalyptic visions; and a cynical TV anchorwoman. Through this rich tapestry of human struggle, Rechy paints a lush portrait of a paradise lost but also a heroic odyssey in search of redemption. “Masterful . . . one of the most important novels of the year.” —Dallas Times Herald “There’s so much energy, ambition, and humor in *Bodies and Souls* that the phrase ‘scarred beauty’ might well describe the novel.” —The New York Times Book Review “Brilliant portraits of modern lives . . . superb.” —San Francisco Chronicle “Rechy is very good at evoking the seamier side of the streets, and he is masterful in funny, graphic sex scenes.” —Publishers Weekly

Peter O'Toole - Darwin Porter 2015-06-15

This is an overview of the turbulent career and debauched private life of the Anglo-Irish actor Peter O' Toole. A self-described member of "the crime class," he shot to stardom for his Oscar-nominated

performance in David Lean's epic, Lawrence of Arabia (1962) and later won seven additional Oscar nominations for sometimes ravishingly poignant films.
