Love Somebody Rachel Roasek 2023-01-17 Love Somebody is a sparkling YA debut rom-com about a popular high-school girl, her ex-boyfriend-turned-best-friend, and the girl they both fall for—perfect for fans of Becky Albertalli or Casey McQuiston. Sam Dickson is a charismatic actress, ambitious and popular with big plans for her future. Ros Shew is one of the smartest people in school—but she’s a loner, and prefers to keep it that way. Then there’s Christian Powell, the darling of the high school soccer team. He’s not the best with communication, which is why he and Sam broke up after dating for six months; but he makes up for it by being genuine, effusive, and kind, which is why they’re still best friends. When Christian falls for Ros on first sight, their first interaction is a disaster, so he enlists Sam’s help to get through to her. Sam, with motives of her own, agrees to coach Christian from the sidelines on how to soften Ros’s notorious walls. But as Ros starts to suspect Christian is acting differently, and Sam starts to realize the complexity of her own feelings, their fragile relationships threaten to fall apart. This fresh romantic comedy from debut author Rachel Roasek is a heartfelt story about falling in love—with a partner, with your friends, or just with yourself—and about how maybe, the bravest thing to do in the face of change is just love somebody.

The Arc of Love Aaron Ben-Ze'ev 2019-06-11 Is love best when it is fresh? For many, the answer is a resounding “yes.” The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze’ev takes these experiences seriously, but he’s also here to remind us of the benefits of profound love—an emotion that can only develop with time. In *The Arc of Love*, he provides an in-depth, philosophical account of the experiences that arise in early, intense love—sexual passion, novelty, change—as well as the benefits of cultivating long-term, profound love—stability, development, calmness. Ben-Ze’ev analyzes the core of emotions many experience in early love and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying the rigorous analysis of a philosopher, but writing clearly and in an often humorous style with an eye to lived experience, he takes on topics like compromise, commitment, polyamory, choosing a partner, online dating, and when to say “I love you.” Ultimately, Ben-Ze’ev assures us, while love is indeed best when fresh, if we tend to it carefully, it can become more delicious and nourishing even as time marches on.

Talk to Me Like I'm Someone You Love Nancy Dreyfus, Psy.D. 2009-12-24 “The most crucial relationship advice book since *Men Are from Mars*.”—Erin Meanley, *Glamour.com* A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter *Talk to Me Like I'm Someone You Love*. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife’s unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, “Talk to me like I'm someone you love,” and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include: • Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?" • Apologizing: "I know I've really hurt you. What can I do to help you trust me again?" • Loving: "You are precious, and I get that I haven't been treating you like you are." A one-of-a-kind, practical relationship tool, *Talk to Me Like I'm Someone You Love* will help couples to stop arguing and begin healing.

Somebody to Love? Grace Slick 2008-12-14 A candid autobiography of the great rock diva of Jefferson Airplane and Jefferson Starship, revealing her wild life at the forefront of the Sixties and Seventies counterculture. She has been called rock and roll's original female outlaw, as famous for her bad behavior as for her haunting singing voice. In her 25-year career as a musician, Grace Slick charted dozens of hits and sold millions of albums. From "White Rabbit" and "Somebody to Love" to "Sarah" and "Miracles", the songs she performed became the anthems of a generation. Whether describing her antics at the White House with Abbie Hoffman or the unforgettable experience that was Woodstock, Slick's recollections have the same rich imagery found in her lyrics. In this provocative narrative, readers will discover the many sides of Grace Slick: as artistic pioneer; she records songs with Jerry Garcia and David Crosby; as practitioner of freedom and rebellion; she sleeps with Jim Morrison and gets arrested for DUI on three separate occasions (without actually being in a car); and as a loving mother to actress China Kantner, she tries to balance casual friendship with parental wisdom. Slick offers a revealing self-portrait of the complex woman behind the rock-outlaw image, and delivers a behind-the-scenes, no-holds-barred view of the people and spirit that defined a quarter-century of American pop culture. Wildly funny, candid, and evocative, *Somebody to Love?* tells what it was really like during, and after, the Summer of Love—and how one remarkable woman survived it all to remain today as vibrant and rebellious as ever.

Why Does Love Hurt So Good? Ondray Pearson 2019-10-30 Why Does Love Hurt So Good? It's hard to explain why we stay with someone who isn't treating or loving them the way they should. Staying, some would say is foolish, unhealthy and not normal, and they're right, but for you to understand the why, you must experience loving someone first hand because until you do, you have no idea the power that love has over many of us. Within these stories, you will read and experience what people will do to have someone love them. Sex, lies, deception, betrayal, abuse, and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship. As you read, you will, at some point, have to rethink what you thought you knew about love because, contrary to what many think and believe, not all love is good love that we receive from those we love. Readers are talking: Avis Parter, from Fayetteville, North Carolina, says, "It truly touched my soul, I saw myself in it. I loved it; I cried because it was so my life. I needed this book three years ago." Deborah Antrum, St. Louis, Missouri, says, "I read your book, and I love it! I let my daughter read also. I am looking forward to what you have in the making; you have my FULL support." Pastor Ricardo Manuel, from Savannah, Georgia, says, "The book is a great read. I recommend that you get a copy and read it for yourself!"

How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the New York Times' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the New York Times and the Washington Post. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

You or Someone You Love Hannah Matthews 2023-05-02 Named a Glamour Best Nonfiction Book of 2023 * theSkimm Favorite Book of Summer 2023 * NPR Science Friday Best Science Book of Summer 2023 An eye-opening, transformative, and actionable journey through radical and compassionate community abortion care and support work: what it looks like, how each and every one of us can practice and incorporate it into our daily lives, and what we can imagine and build together in a post-Roe v. Wade United States. Abortion touches all of our lives. While statistically nearly everyone knows someone who will receive an abortion in their lifetime, limiting narratives flatten our understanding and assumptions around abortion, while stigma and criminalization stifle discussion. What we lack are the language and tools to provide care and support to all of the members of our communities who receive abortions, before, during, and after them. Now, Hannah Matthews—abortion care worker, doula, journalist and essayist, and reproductive rights advocate—breathes depth and nuance into the oversimplified narratives surrounding abortion, presenting an accessible guide to the emotional and physical realities of providing and supporting abortion care for our own communities. Featuring stories of real abortion experiences, including Matthews's own, *You or Someone You Love* offers a glimpse into the stunningly diverse landscape of abortion care across gender, race, and class lines, while illustrating how we can better support and protect the people who seek abortion in a country that increasingly promotes secrecy and shame.
