The St. Pierre Boyz are back, and as you can suspect, things are even crazier than ever. While the boys are out of commission, a slew of unknown enemies reveal themselves, and they're on a mission. Feeling they deserve the throne that the St. Pierre Boyz own, they're coming for everything they've ever wanted but couldn't have, and then some; women included. However, know that when you play with fire, you will get burned, because all's fair in love and war when you're messing with a St. Pierre Boy!
