With the painting now public, Lily has no choice but to turn to the one man who might save her from ruin. Highland Devil turned Halfhearted Duke The Duke of Warnick loathes all things English, none more so than the aristocracy. It's not much time, and to do it right she needs a guide familiar with London's darker corners. She needs . . . a scoundrel. The God of Small Things - Arundhati Roy 2017-06-13

Still, to say that it all began when Sophie Mol came to Ayemenem is only one way of looking at it . . . It could be argued that it actually began thousands of years ago. Long before the Marxists came. Before the British took Malabar, before the Dutch Ascendancy, before Vasco da Gama arrived, before the Zamorin's conquest of Calicut. Before Christianity arrived in a boat and seeped into Kerala like tea from a teabag. That it really began in the days when the Love Laws were made. The laws that lay down who should be loved, and how. And how much.

The Season - Sarah MacLean 2010-06

Seventeen-year-old Lady Alexandra Stafford doesn't fit into the world of Regency London. Somehow between ball gown fittings, dances, and dinner parties, Alex and her friends manage to get entangled in her biggest scrape yet.

As Sure as the Dawn - Francine Rivers 2002

When gladiator Atretes locates his missing son, his plans to return to Germania are upset by Rizpah, the young widow who adopted his abandoned baby and who will fight to keep the child she loves.

**Notorious Pleasures** - Elizabeth Hoyt 2011-02-03

Their lives were perfect . . . until they met each other. Lady Hero Batten is perfect, well-mannered and beautiful with an impeccable pedigree. After years of waiting for a gentleman to sweep her off her feet, she has decided to do her duty and settle for a proper society marriage to Thomas Remmington, the Marquess of Mandeville. True, the marquis is a trifle dull and lacks a sense of humour, but he is handsome and rich. Griffin Remmington, Lord Greyson, the Marquess' younger brother, is not at all perfect. In fact, some have called him the most notorious rake in London. When Griffin meets Hero he thinks that she is much too intelligent for society, let alone his brother. Their duel of words soon sparks a fire in them both, despite the fact that Hero's marriage to Thomas is drawing ever nearer. . .

**The Scandalous, Dissolute, No-Good Mr. Wright** - Tessa Dare 2012-12-11

Miss Eliza Cade is a lady in waiting. And waiting. Because of a foolish mistake in her youth, she's not allowed "out" in Society until her three older sisters are wed. But while she's trying to be good, she keeps bumping elbows—and, more distressingly, lips—with notorious rake Harry Wright. Every moment she spends with him, she risks complete ruin. The sensual passions he stirs in her are so wrong . . . but Eliza just can't resist Mr. Wright.

bombshell of a heroine, able to dispose of a scoundrel - or seduce one - in a single night. Sometimes the best gentleman for the job is a lady. After years of living as London's brightest scandal, Lady Sesily Talbot has embraced the reputation and the freedom that comes with the title. No one looks twice when she lures a gentleman into the dark gardens beyond a Mayfair ballroom...and no one realizes those trysts are not what they seem. No one, that is, but Caleb Calhoun, who has spent years trying not to notice his best friend's beautiful, brash, brilliant sister. If you ask him, he's been a saint about it, considering the way she looks at him...and the way she talks to him...and the way she'd felt in his arms during their one ill-advised kiss. Except someone has to keep Sesily from tumbling into trouble during her dangerous late-night escapades, and maybe close proximity is exactly what Caleb needs to get this infuriating, outrageous woman out of his system. But now Caleb is the one in trouble, because he's fast realizing that Sesily isn't for forgetting...she's forever. And forever isn't something he can risk. But her gaiety is interrupted by disturbing, dreamlike visions she has only at sunset—visions that offer glimpses of the future. Soon, friends and strangers alike call on Amelia to hear her prophecies. However, a forbidden romance with Nathaniel, an artist, threatens the new life Amelia is building in Baltimore. This enigmatic young man is keeping secrets of his own—still, Amelia finds herself irrepressibly drawn to him. When one of her darkest visions comes to pass, Amelia's world is thrown into chaos. And those around her begin to wonder if she's not the seer of dark portents, but the cause. This book features a teaser chapter from Sandra Mitchell's third novel, *The Springsweet*.
