The Peculiar Boars of Malloy Doug Crandell 2010-06-10 This Sherwood Anderson-award winning farcical novel follows two teenage boys living on a farm in rural Indiana. Their father--a diminutive man and the laughingstock of their small town--purchases two boars in an attempt to impress his neighbors and demonstrate, by proxy, his masculinity. The boars, however, turn out to be resolutely gay and deeply committed to each other, setting off a ridiculous chain of events that brings the spotlight and accompanying media circus to Malloy. In the midst of all of the madness is the boys' ongoing, and at once heartbreaking and hilarious, quest to find their wayward mother through a series of touching and humorous flashbacks. Disappointed in their pitiful father, the boys cling to an unrealistic fantasy of their mother, who is in actuality a promiscuous drifter. Crandell's depiction of the gay boars provides much of the book's humor and, unexpectedly, its moral compass as he weaves significant and subtly articulated themes of animal rights and gay rights. *The Peculiar Boars of Malloy* captures the best traditions of American satire, while turning the conventions of the coming-of-age novel on its head. Crandell's heart and humor will be appreciated by lovers of satire

and animals and those readers possessed of a uniquely Midwestern sense of the ridiculous.

Cedar M. B. Timothy 2018-08-15 "Out of those ashes rose a version of me that was truer than ever. I emerged as I always was - a solosexual - with every conditioning from society of what love and sex should be burnt away."CEDAR: An Ode to Masturbation is a sensual celebration of solosexuality. Written as the author's testimony to a life lived through masturbation, fragments of memory and dogma collide as the artistry and mystery of masturbation is explored alongside the questioning of how to be solosexual in a society obsessed with partnering. The text then departs in the form of a queer, dystopian fiction "The Clomp of Hooves." In a Bacchanalian society where solosexuals thrive after the fall of capitalist society, one bator must protect the purity of a young solosexual from being corrupted by emergent fascist forces. CEDAR is a work of real imagination. Asymmetrical in form but singular in vision, it is a captivating, explicit and poetic ode to masturbation and how to love.Reviews:"CEDAR is entirely life-affirming. The solosexual part is one thing, but above all the real message of it it's the whole acceptance of yourself. Like the emotional, sensual, animal, everythingness of it all. Being self-sufficient on a profoundly earthy level. In that space there is so much love. You are a beautiful man.""An awesome and inspiring journey.""Incredible, magnificent book - well, I can't praise it enough. Every page has meaning to me, every section captures the imprint of my own solosexual journey. He writes Truth. I've read it many times already -- thoughtfully, again while masturbating, and again as a work of art."Introduction:"Pleasure is the yardstick by which I measure my life. It was not always. It has taken a lifetime of unlearning what I was taught, what we are all taught, will bring our lives meaning. I am a pleasure seeker now. I live intentionally as a solosexual man. I am a proponent for sensual living. Everything starts and ends at your skin. We are pleasure receptors.Sometime in the Spring of 2016, I became my own lover. I

committed myself to exploring whether I alone could take care of all the needs - emotional, sexual, physical - that I had relied on others to fulfil. Could I offer myself the intimacy, support and loving surprises that people say are the hallmarks of a strong relationship? I entered into several years of intensely thinking about what it might mean to become my own lover. It was my great experiment in love and it had an unexpected result. Our world is obsessed with partnering. Classic, pair-bonded heteromimicry. To be a solosexual is a somewhat scary proposition. To eschew relationships begs at solosexuality's shadow. What am I to make then of loneliness? Does solosexuality preclude intimacy with others? My experiment's great discovery was that relationships are not what we are taught. Relationships take a great many forms. If you place a relationship with yourself as paramount, then you forge your own path. You redefine relationships that suit you and not society's accepted definition. You may wonder what it is like to be my own lover. To grow myself and drink from my own nectar. Forthwith in these pages I evoke for you my life surrendered to masturbation. These pages will flit, just as memory does, to and fro through time. One sensual remembrance may lead to another, or to an idea, or to belief. All the while these remembrances fuse into form. The tree of my identity has grown strong, but it began as a sapling. As I write this I see in my mind's eye the place where this sapling was nourished. A place where purity reigned and nothing can buffet, penetrate or yet destroy what I am nurturing within."Author:Timothy is the author of books and essays on masturbation. His work covers subjects from solosexuality, edging, gooning to handsfree ejaculation. Dedicated to masturbation and body pride, he has been called a Guru of Technique and an Evangelist of Self Love. He masturbates everyday.

peace and quiet to get her work done. Models throwing fits in his apartment don't help. On a temporary work visa, Paolo Santori has little time to paint his nudes before returning to Italy to marry a woman he doesn't love. Then Darcy bursts into his life. The solution to her noise complaints is simple-she'll model his favorite subject while she works. Making her glisten thrills them both, but falling in love could mean losing everything he's ever known. Exhibition She can't even look at a picture of Michelangelo's David without wishing he would come alive and make love to her. So while her husband goes off to his boring conference, she goes to the erotic art exhibit at the gallery...and lets her imagination run wild. A nude thinks of her lover and masturbates with his image in her mind. A lady on a swing tempts a young swain as her skirt flies up. A god ravishes his virgin sacrifice. And a new concubine must think of a unique way to please her master. When she meets her husband at the end of the day, he reaps the rewards of her vivid fancies...and enjoys what she bought in the gift shop. Dante's Desire Masturbating can be so much fun-especially when you have a one-man audience. Addison loves sex. More importantly, she loves her body and isn't afraid to make it sing. Add a little voyeurism and it's totally erotic. Dante's muse has stalled-until his sexy neighbor starts seducing him. Through her bedroom window, he watches as her hands caress her tantalizing skin. It's like something out of a strip club, with his very own personal view. Thanks to this beauty, he's drawing like wildfire. To thank Addison, Dante sends her an invitation for a single night together. That night may encourages them to draw a new future...together. White-Hot and Hard Sensual. Seductive. Sculptures so erotic they become a white-hot feast for the eyes. That's what New York art promoter Sloan Benton sees the day she discovers the talent of sculptor Dallen O'Neal. Dallen's outrageous style gives Sloan a burning desire to learn more about him and the secret medium he's using. He's the sexiest, hottest, most dominant man she's ever met and the best new

talent in town, but she realizes too late that he's also a painful, forgotten memory from her past. Dallen O'Neal wants revenge. Sloan Benton crushed his artistic spirit. He couldn't sculpt anything for years after her cruelty, but his desire for her never waned. When she accepts the invitation to view his work, then his challenge to strip naked for art's sake, he discovers Sloan's submissive side. They share wild sex and explore Sloan's penchant for spankings. Sloan captures his heart, but he thrusts her aside, intent on vengeance. Jealousy, sex, submission and a hint of exhibitionism mingle together, making Dallen's need for Sloan... White-hot and hard.

The Wonderful Art of Masturbation Anonimo ANONIMO 2018-01-30 Masturbation is one of the most ingrained taboos in our culture. This practice carries great burdens on your shoulders; be they cultural, historical and / or religious. Which explains in no way, all the myths that have been created about it; adding to it the reluctance, the shame and the censure that hovers over talking or asking about masturbation. But beyond all these negative connotations, which would seem to be the most remarkable; There are also many positive aspects of this sexual practice, which are not so publicly disseminated. While it is paradoxical, when statistically studies show that 94% of men and 70-80% of women; They have masturbated sometime in life until they reach orgasm. Masturbation is a practice that consists in procuring sexual pleasure oneself. This responds to a drive, a need for body

High Holiday Porn Eytan Bayme 2015-08-25 Imagine a cross between Chelsea Handler and The Adventures of Tom Sawyer... but it's all true. High Holiday Porn is the story of an Orthodox boy in the Bronx who discovers masturbation during Passover dinner as a child, gets caught with porn on Yom Kippur, fantasizes about marrying his grade school classmate (if only he could get up the nerve to speak to her), and finally figures out that the way into a girl's pants is through her heart. But maybe the heart is all that ever mattered anyway. Eytan Bayme's hilariously honest memoir is the true story of how an anxious boy finally stops masturbating in public, gets the girl, grows up, and begrudgingly makes peace with the unfairness of life and love. It's a heartwarming, fantasy-laden, usually embarrassing, sometimes raunchy and always outrageous look at coming of age. Bayme's stories of young love, fitting in, and social pressure will resonate with anyone who ever felt awkward growing up.

The Wanker's Guide to Masturbation Mister Average 2014-05-25 From one of the most prolific erotica authors comes the funniest book on wanking you will ever read. It has all the answers to questions you never thought to ask - Is God a wanker? Was Eve made to be the first bit of porn? Is wanking cheating? Wanking facts, songs, literature, who does it and why? Mutual masturbation, wanking jokes and, of course, the origins of wanking. But wait...there is more! It is the ultimate gift for all your wanking friends and will have you laughing at the author's light hearted approach to this very serious subject. Or maybe you will just cry... Break open this taboo subject and embrace the art of wanking.

Toy & Masturbate II Edge Interactive Publishing Inc. 1922-11 This volume focuses on sex toys and masturbation, two complementary topics. We will seek to explore a variety of sex toys, their use particularly in performance, and the professed arousal of the performer. Certainly masturbation appear in our Volumes on Pinking, Cocksuckers, and others, but this Volume targets active machines that can arouse nipples and clits, toys that not only insert and vibrate and shock into the mouth and vagina and anus, but also masturbating with panties, rubbing panties against penises, and even situations where the toy is a stationary object, such masturbating on as a stripper pole. Certainly toys are elements in solo scenes, but toys may involve two or more performers. What is special about pornography is that the performer and acting are fused. Two Porn Stars might be acting like they are having sex, but they are having sex. The appeal of the scene, and the appeal of the performers, draws some of its power from the fantasy of the events (the step-daughter really does seduce step-dad, or the boss seduces the secretary). And it draws some of its power from the actual sexual activity of the Stars, their actualy passion and sexual release; the fans track their Stars, audit their sexual partners, audit their sexual acts. They value the Stars' performances. This volume prevents many viewpoints on the art of masturbation. Those represented certainly include solo gals who adopt a working set of poses into their toy masturbations. Some are spring break girls gone wild in front of a camera. Some of Porn Stars, possibly working plastic during their formulative year(s), possibly working vibrators in conjunction with cocks. Or shooting lesbian art. So take your time and sink your thoughts into the images. What you witness is a real gal, a real sex toy, and an unflinching attitude. You can contemplate on what you see before you, be it candid or a staged performance, and you can contemplate on what happened before and what might happen next. So explore!

Vito Acconci Vito Acconci 2006 "Between 1969 and 1973, Vito Acconci's creative output was focused on body pieces and performances, many of them seminal works now firmly lodged in the art historical cannon of the time. Whether he was transforming space by masturbating under a platform extension of the gallery floor or transforming the body by tucking his genitals between his legs, Acconci promoted a radical, corporeal method of working with the human presence that has remained relevant in these less performative times. This publication traces the development of Acconci's early work through his own writings and documentations from that time. Rather than a critical study, it offers invaluable primary source materials: For each of the approximately 200 performances/works included, Acconci drafted meticulous notes, mapping out his ideas and describing the specifications of each piece. Many of the artist's works were ephemeral performances and actions, and these primary source materials are now the only extant artifacts from the work. Thus the book's contents come directly from Acconci's personal archives, and include his notes and documentations, plus photographs, where available. An introduction by Gregory Volk provides historical context and addresses the issues of body art and performance still relevant today." "The works of Vito Acconci are more often than not about creating a public space via the body-from his radical performances at the beginning of the seventies to his unusual architectural designs since the establishment of the Acconci studio at the end of the eighties. Between 1969 and 1973, his creative output was focused on body pieces and performances, many of them seminal works now firmly lodged in the art historical cannon of the time. This publication is a monumental and historical recount of the artist's itinerary from his first artistic stage as a poet, writer, video and body artist to his recognition today as a ground-breaking architect from 1969 to 1973. Sanja Ivekovic Ruth Noack 2013-03-22 The first sustained examination of a canonical and widely exhibited work by a leading artist of the former Yugoslavia. In Sanja Iveković's Triangle (Trokut, 1979), four black-and-white photographs and written text capture an eighteen-minute performance from May 10, 1979. On that date, a motorcade carrying Josip Broz Tito, then president of Yugoslavia, drove through the streets of downtown Zagreb. As the President's limousine passed beneath her apartment, Ivokevic began simulating masturbation on her balcony. Although she could not be seen from the street, she knew that the surveillance teams on the roofs of neighboring buildings would detect her presence. Within minutes, a policeman appeared at her door ordered her inside. Not only did Ivekovic's action expose government repression and call attention to the rights of women, it also called attention to the relationship of gender to power, and to the particular experience of political

dissidence under communist rule in Eastern Europe. Triangle is considered one of Iveković's key works and yet, despite Iveković's stature as one of the leading artists of the former Yugoslavia, it has received little direct attention. With this book, Ruth Noack offers the first sustained examination of Iveković's widely exhibited, now canonical artwork. After a detailed analysis of the work's formal qualities, Noack considers its position in the context of artistic production and political history in socialist Yugoslavia. She looks closely at the genesis of the performance and its documentation as a work of art, and relates the making of the work and the politics of canon-making to issues pertaining to the former East-West divide. She discusses the artistic language and meaning-making in relation to conceptualism and performance and to the position of women in Tito's Yugoslavia and in society at large, and investigates the notion that Iveković's work of this period is participating in citizenship, shifting the focus from the artist's subversive act to her capacity to shape the terms through which we order our world.

Masturbation Reduces Age and Lifespan swamy sr 2017-05-06 S-formula is a solution for your thousands of problems. S-formula means save semen, store semen, protect semen in your body. All diseases are coming due to loss of semen in your body. I did 35 years research on god and found god. I done 35 years research on health and found the secrete of health. I invented s-formula. To bring peace in the world, s-formula is made. S-formula means save semen. Semen - the foundation of a male & female body. S-formula cures all diseases without medicine and without any physical exercise. S-formula is not a medicine but it is a meditation. S-formula is knowledge based training. Follow s-formula and make your life beautiful. Semen is like electrical current in our body. Semen keeps our body, hot in cold region, cold in hot region. The conservation of semen is very essential to strength of body and mind. Semen is an organic fluid, seminal fluid. Look younger, think cleverer, live longer, if you save semen. Veerya, dhatu, shukra or semen is life. Virginity is a physical, moral, and intelluctual safe guard to young man. Semen is the most powerful energy in the world. One who has master of this art is the master of all.Semen is truely a precious jewel. A greek philosopher told that only once in his life time. Conservation of seminal energy is s-formula. As you think, so you become. Semen is marrow to your bones, food to your brain, oil to your joints, and sweetness to your breath.. S-formula is the art of living, it is the art of life, and it is the way of life. The person one who knows s-formula; he is the master of all arts. Whatever the problems, saving semen is no more injures the body and the soul. Self discipline is better than any other line of conduct. A healthy mind lives in a healthy body. If children are ruined, the entire nation ruined. All diseases coming from loss of semen, can be rectified by only by saving semen. Semen produces semen & semen kills semen.

Always save semen, store semen; protect semen from birth to death. Semen once you lost that will not come back - lost is lost. Loss of semen causes your life waste. Quality of your life says the quality of your semen. Use semen only when you need baby. Waste of one drop of semen is the waste of one drop of brain. Keep always the level of semen more than that normal level in your body. All diseases will attack due to loss of semen only. You do any physical exercise only if you are healthy. Prevention is better than cure. Semen is a pure blood and food for all cells of your body. Semen once you wasted cannot be regained. Lost is lost. Waste persons are wasting lot of semen. You reject marriages, if you waste semen. A man one who not wasted single drop of semen in his life, he is called healthy man. Do not touch any male in your life. Do not touch any female in your life. If you touch, your semen goes out of your body. Do not support any activity which causes loss of semen internally or externally in your body. Loss of semen makes you loss of health and loss of wealth. Both the parents produce semen and contribute to their children. Semen is the most powerful energy in the world. Semen retention is very valuable for both spiritual and mental health. If semen is drying up makes one old. Keep always your sex organs strong. As semen quantity increases your power of sex organ increases. Waste of one drop of semen is the waste of one drop of brain. Semen is food for Brain. If you lose semen you lose your brain. Brain is very important organ in our body. The liquid mixed with sperm/ovum is called semen. There are two types of semen. One is male semen and another is female semen.

Miora's Hell Zecrus -chan 2018-02-20 26 year old Miora Han wants to complain to you about a lot of stuff. Primarily, the stuff in her life that makes her either angry or cringe. With a heart of gold, and a temper the size of a pincushion, she'll tell of her life with her polyamoric partners, her concerningly perverted godson, her cringy situations, and other things that piss her the hell off, as she attempts to vent out all of her negative emotions, along with some positive ones. Be warned however, as she'll say alot of offensive things, so be cautious if you are easily offended. She won't care either way. She's still going to bitch at you until she calms down. The Art of Lasting Long in Bed Anthony Ekanem 2016-07-21 What is the cause of premature ejaculation? I am going to quickly talk about this before I go on to talk about how to tackle it. There are different causes of premature ejaculations and I usually list about 6 of them but since this guide is all about getting results, I won't waste time with that. Instead, I will summarize all of them into the main cause of premature ejaculation which is "your inability to handle the pleasure you are experiencing during sex". That is what causes you to orgasm and ejaculate. And the orgasm comes from the stimulation or arousal that you experience when you are having sex. The main problem that causes most men to experience premature ejaculation is allowing themselves to experience sexual stimulation at a very high intensity level. Talking about intensity levels, it is very important for you to be aware of the various levels of arousal that you go through when you are having sex. I usually use a scale of levels 1 - 10 to explain this where level 1 is the stage where you are not aroused and level 10 is that level when you just cannot control yourself anymore. That is when you ejaculate. In

between levels 1-10 are other levels. The levels you have to know how to control most are levels 7-9 because this is where you function during sex. At these levels, you are enjoying sex at a high intensity but it can still be put under control. Not knowing how to control arousal at these levels is what causes premature ejaculation and how to control it is the main thing I am going to be showing you in this guide.

Being Female Arlene 2010-05-01 Discover the pleasures of Being Female as author Arlene Clendenin and artist Bernard Clendenin explore the art of female masturbation with this educational and instructional art book. This book provides the basis for women to learn how to masturbate successfully, thus, easing their own tensions and enhancing their knowledge about the reactive qualities of their bodies. Some primary benefits of this new awareness will be opening up beneficial sexual communication with loved ones and providing pleasure and happiness to themselves. The Clendenin's attempt to provide information and education while dispelling the myths associated with self-pleasuring oneself without guilt. Women of all ages can benefit from the openness displayed in this book. They will become aware of a variety of feelings that aren't dependent on the male-female sexual act that puts them at risk for pregnancy and various sexually transmitted diseases. *Being Female* brings out the beauty and pleasure women can have in masturbating or in giving to themselves. It gives clear instructions with accompanying drawings and paintings on how to masturbate or how to pleasure oneself without guilt.

"unspoken." To keep the quest to meet "the one" in perspective, people have different outlooks and approaches to dating. The Art of Masturdating offers comic relief, practical suggestions, and valuable insight for both men and women who have experienced the "singles" life. Techniques for impressing others, tools for avoiding humiliation, and advice for those who may be uncertain about the opposite gender are topics explored in The Art of Masturdating. This book taps into the culture that many don't quite understand and explores the truth we're all searching for. An experience in and of itself, reading this book can provide a true spice of dating life on a variety of levels. Laugh, smirk, stew, deject, absorb. Do what you wish. Just know that you are not alone when you ask, "Where is Mr./Mrs. Right?"

Terror in Berlin Ed Plaisted 2004-07-23 TERROR IN BERLIN By Ed Plaisted In World War II London on December 24, 1943, a English socialite while parked in a lovers lane with an Army Air Corps captain is murdered and sodomized by an American GI in a military police uniform . When Metro police capture him, they learn that he is Karl Krueger, and is suspected of many such crimes. Fleet Street tabloids call him the sex beast. Prime Minister Winston Churchill reads about Krueger as German bombs continue to destroy his city. He wonders how interested members of the Nazi high-command would be in winning the war if their women and children were the sex beasts next victim. A short time later, MI6 Captain Winston Smythe is relegated the duty of training six criminals for a secret mission. Largely made up of sex offenders, including Krueger, the men are to be dropped into Berlin to rape and murder wives, girl friends and children of the Nazi elite. While four of the men begin to strike terror in Berlin, the other two, IRA man Colin MacAteer and Mafia hit man Anthony Costello, take different routes. MacAteer ingratiates himself with the Nazis while Costello returns to what he knows best the black market. Kruegers first victims are the wife and oldest daughter of Prussian general Siegfried Henrici. He is unaware that Henricis nine-year-old daughter, Margit, witnesses the entire crime from under her mothers bed. Margit tells her story to Berlin

police inspector Helmut Hessler and goes to live with her aunt. Soon the Red Army storms into Berlin, wreaking more havoc than the small squad of criminals, raping and murdering women at will. Margit and her aunt narrowly escape such a fate themselves when Smythe, working in Berlin on intelligence and smitten by the aunts beauty, offers her a job and a place to live. Their relationship lasts through the post-war years until Smythe returns to London. Margit grows up and goes to England as well to earn a journalism degree from Cambridge. Smythe is able to locate her fathers millions tucked away in Swiss bank accounts, leaving her well provided for. Thomas Kelly grows up in South Boston, far from the horrors of World War II. After football puts him through college in 1960, Tom is called to active duty from his ROTC status and assigned to serve as a military police officer in Berlin. Tom hopes to some day be a lawyer and judge. As soon as Tom gets to Berlin, a rash of murder-rapes breaks out in the British and American sectors. He meets Helmut Hessler, who tells him about the murder-rapes that occurred during the war. While Tom tries to understand the connection between crimes that shared the same MO but could not have been perpetrated by the same people, CIA and MI6 agents move in to cover up an embarrassing WW II mess. They agree that each criminal must be terminated before speaking to the MPs about their 1944 mission. Tom meets Margit when she comes to his office asking questions about the murders. Margit is now a reporter for the Berlin Morgenpost and a great beauty. Soon Tom and Margit are dating. Margit eventually tells Tom the horrible story about the deaths of her mother and sister and about her father, a Wehrmacht general. who is wasting away in an Soviet labor camp. Tom and Margit soon become aware that there is more to these crimes than meets the eye. When CIA and MI6 operatives realize that Tom and Margit are starting to piece together the story, they try to have them terminated. The couple can trust only the old German captain and an African American MP sergeant. Meanwhile the

Sexual Selection Natacha Merritt 2012-05 Sex. Art. Insects? In 2000, Natacha Merritt released *Digital-Diaries* (Taschen), the first ever book to feature exclusively digital photography. What was the 21 year old San Francisco native photographing? Her sex life with her friends, masturbating with and without accessories, in bed, in the shower, in hotel rooms, from every imaginable angle and with the camera usually at arm's length. *Digital-Diaries* allowed the reader a no-holds-barred insight into Merritt's fantasies, desires, exploits and realities. Her controversial work was soon featured in diverse publications across the world from *Rolling Stone* to *The Observer*, from *Playboy* and *Der Spiegel* to *Dazed* and *Confused*. The book went on to become an *L. A. Times* and Amazon bestseller, moving over 300,000 copies. Merritt's new book *Sexual Selection* is in many ways even more captivating. She applied her distinctive vision to a subtle and complex art, creating astonishing and surprisingly lyrical images as she compares and contrasts the sexual intricacies of plants and insects with her own elaborate sexuality. She returned to higher education to study evolutionary biology, noting "The leap makes sense when you are passionate about sex. All roads lead to evolutionary biology, speciation and genetics." It wasn't long before she became transfixed with arachnid genitalia, peering down a microscope for hours on end in order to capture the perfect images of a spider's erect penis, one of the photos featured in her new book *Sexual Selection*, published in May 2012 by cult Berlin arthouse Bongoá»t. Each image is unmistakably a work of art that transcends easy categorisation. Lush and eerily intimate photographs capture the fleeting moments of arousal and grant us a rare insight into our universal sexuality. With the questions she asks as a scientist,

she answers as an artist with photography and writing; why are some sexual practices and organs so detailed, complex and downright bizarre when this gets in the way of basic survival? As Natacha explains, "Sexual selection is the sensual side of evolution. It explains the ornate, the creative and the beautiful, it can explain arousal. It's what gets us laid." By exposing the often over-looked sensual and sexual behaviour of other species as well as our own, Sexual Selection is guaranteed to broaden the readers' sense of beauty and arousal regardless of their vantage point.

100 Women Omnibus Volume Lexington Manheim 2020-05-17 This Omnibus Volume encompasses the entirety of the previous Seven Volume---24 Women 18 stories over 500 pages. BLURB Our imaginative hero has his hands full-full of p*ssy, that is. After boldly placing a newspaper ad requesting female volunteers to participate in a female masturbation study, our hero is rewarded with a parade of eager beavers, volunteering for his enjoyable services, leaving him with just one desire-to get his hands into their supple, warm, wet sn*tches. DESCRIPTION Our imaginative hero has his hands full-full of p*ssy, that is. The story begins when, he decides he'd like to become skilled on the manual manipulation of women's genitals. Heck, he may even write a how-to book, How to Masturbate Women & Give Them Mind Blowing Orgasms or something like that. To that purpose, using the pseudonym Troy, he brazenly places an ad, in the local newspaper, seeking women for his study in the art of female masturbation. After promising absolute anonymity and total control, he waits with crossed fingers for volunteers to take him up on his generous offer of sexual bliss in the name of "science." Though slow going at first, ultimately our lucky hero is rewarded with a parade of eager beavers, volunteering for his enjoyable services. This is a tongue-in-cheek commentary on the art of massaging a female's most personal and guarded areas. 100 Women introduces a procession of horny, kinky, kooky women who come knocking with just one desire: to get his hands into their
