The Love Song of Miss Queenie Hennessy Rachel Joyce 2014-10-07 From the author of the 2 million+ copy, worldwide bestseller, *The Unlikely Pilgrimage of Harold Fry*, - soon to be a major movie starring Jim Broadbent - an exquisite, funny and heartrending parallel story. When Queenie Hennessy discovers that Harold Fry is walking the length of England to save her, and all she has to do is wait, she is shocked. Her note had explained she was dying. How can she wait? A new volunteer at the hospice suggests that Queenie should write again; only this time she must tell Harold everything. In confessing to secrets she has hidden for twenty years, she will find atonement for the past. As the volunteer points out, 'Even though you've done your travelling, you're starting a new journey too.' Queenie thought her first letter would be the end of the story. She was wrong. It was the beginning. Told in simple, emotionally-honest prose, with a mischievous bite, this is a novel about the journey we all must take to learn who we are; it is about loving and letting go. And most of all it is about finding joy in unexpected places and at times we least expect. -----

Love Songs in Motion Christina J. Woolner 2023-11-24 An intimate account of everyday life in Somaliland, explored through an ever-evolving musical genre of love songs. At first listen, both music and talk about love are conspicuously absent from Somaliland's public soundscapes. The lingering effects of war, the contested place of music in Islam, and gendered norms of emotional expression limit opportunities for making music and sharing personal feelings. But while Christina J. Woolner was researching peacebuilding in Somaliland's capital, Hargeysa, she kept hearing snippets of songs. Almost all of these, she learned, were about love. In these songs, poets, musicians, and singers collaborate to give voice to personal love aspirations and often painful experiences of love-suffering. Once in circulation, the intimate and heartfelt voices of love songs provide rare and deeply

therapeutic opportunities for dareen-wadaag (feeling-sharing). In a region of political instability, these songs also work to powerfully unite listeners on the basis of shared vulnerability, transcending social and political divisions and opening space for a different kind of politics. Taking us from 1950s recordings preserved on dusty cassettes to new releases on YouTube and live performances at Somaliland's first postwar music venue—where the author herself eventually takes the stage—Woolner offers an account of love songs in motion that reveals the capacity of music to connect people and feelings across time and space, creating new possibilities for relating to oneself and others.
