**It's Kind of a Funny Story** - Ned Vizzini 2010-09-25

Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not

even that. He soon sees his once-perfect future crumbling away.

**Mr. Wally and His Funny Little Hat: A 3 little words book** - Victoria NaBozny Mayhugh 2019-06-26

Once there was a funny little man named Mr. Wally, who always wore a funny little hat. With a blink of an eye, he appeared on a park bench. The neighborhood children loved Mr. Wally because he made them laugh. However, one day, the children were sad and started to cry. But Mr. Wally came to their rescue. He was a teacher, and his back-to-the-basics classroom was a magical place with funny froggies. But NO sad faces, NO tears, NO lazy brains and NO stupid phones were allowed. Meet sweet little Norman Joseph and his best friend Tippy, sassy little Lizzie, sweet, but sometimes sad, little Bobby and the rest of Mr. Wally's "park benchers." Mr. Wally wants to be your teacher. Have fun learning your multiplication tables, funny, big words like borborygmi and horripilations, going on a picnic with the students and coloring and drawing in Mr. Wally's classroom.

*Little Penis: A Finger Puppet Parody Book* - Craig Yoe 2013-01-08

Meet Little Penis, the cute dinky winky you bring to life when you put your finger in the puppet in this delightfully crass and hilarious parody board book for adults. This board book parodies children's finger puppet books with its bold colors and simple illustrations, but this book is not for children! Instead, put your finger in the hole in the back of the book, and follow the adventures of Little Penis as he goes swimming (poor shrinking Penis!); gets out of bed early, so big and tall; gets a gentle kiss and hug (along with a good hard tug); head to a bar, gets drunk, and hooks up; and more—getting bigger and bigger with the turn of each page. Sometimes he's up and sometimes he's down, but there's a happy ending as he finds his snug, warm place called home!

**How Not to Become a Little Old Lady** - Mary McHugh 2002-03

You can be little, and you can be old, but that doesn't mean you have to be a little old lady. We've all seen her. She's hunched forward, her blue hair is tucked neatly under a plastic rain bonnet, she's clutching expired coupons, and she's discussing her latest health problems over lunch. She's a little old lady . . . and she's coming your way at 2 m.p.h. Little old ladies have elastic waistbands on all their slacks. They save rubber bands, remember 15-cent McDonald's hamburgers, and have never seen a public rest room that was clean enough. How Not to Become a Little Old Lady is for any woman who is proud to have escaped little old ladyhood, and it's the perfect, lighthearted gift to give women in danger of slipping into those awful little old lady tendencies. The charming illustrations from Adrienne Hartman perfectly capture the senior syndrome. Say good-bye to little old ladies who pass off their liver spots as beauty marks and say hello to this fresh and fun gift book.

*Funny Little Pregnant Things* - Emily Doherty 2016-04-05

Today's pregnancy books may no longer recommend martinis and cigarettes to help pregnant women relax, but most offer moms to be a ton of worthless information—like what

kind of fruit your baby is the size of at Week 16. Is there any practical value in knowing that your child resembles produce? And where's the good stuff—the useful details, like beware of the baby registry and all the crap you will never use, or be prepared to get breast milk all over everything you own? Hilarious, candid, and easy to read, *Funny Little Pregnant Things* is full of helpful information about all the stuff people don't tell you about pregnancy—the good, the bad, and the ugly.

*The Funny Thing Is...* - Ellen DeGeneres  
2003-10-28

An indispensable reference for anyone who knows how to read—or wants to fool people into thinking they do—*The Funny Thing Is...* is sure to make you laugh. Ellen DeGeneres published her first book of comic essays, the #1 bestselling *My Point...And I Do Have One*, way back in 1996. Not one to rest on her laurels, the witty star of stage and screen has since dedicated her life to writing a hilarious new book. That book is this book. After years of painstaking, round-the-clock research, surviving on a mere twenty minutes of sleep a night, and collaborating with lexicographers, plumbers, and mathematicians, DeGeneres has crafted a work that is both easy to use and very funny. Along with her trademark

ramblings, *The Funny Thing Is...* contains hundreds of succinct insights into her psyche and offers innovative features including: -More than 50,000 simple, short words arranged in sentences that form paragraphs. -Thousands of observations on everyday life—from terrible fashion trends to how to handle seating arrangements for a Sunday brunch with Paula Abdul, Diane Sawyer, and Eminem. -All twenty-six letters of the alphabet.

**Humor Me** - Barbara Johnson 2009-03-15  
Join the Queen of Encouragement for a lap around the laugh track! Laughing is Barbara Johnson's favorite aerobic exercise, and *Humor Me* is a zany collection of her heartiest laugh-filled workouts. Its pages bubble over with fun poked at some of the most laughable things in God's creation: the wonders of womanhood, the thrill and terror of child rearing, the Catch-22 of aging, the mirthful mysteries of men, and that hilarious show-stopper: death. This little book is a big gift for anyone who loves to laugh?or needs to laugh. If you've hit a pothole that has knocked the joy right out of your life, Barbara's favorite gigglers can realign your sense of humor, energize your joy level, and shine a beam of fun-light into your heart.
