**A Curious History of Sex** - Kate Lister 2020-02-06

This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time,

as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since

people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow – hopefully for the better – but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project *Whores of Yore*, and written with her distinctive humour and wit, *A Curious History of Sex* draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.

**Sex and the Soul, Updated Edition** - Donna Freitas 2015-02-27

First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

*Sex and the Soul of a Woman* - Paula Rinehart 2010-11-09

Compassionate counselor Paula Rinehart understands the high price a woman pays in loosening her sexual boundaries, and the unique role sex plays in forging a bond meant to last a lifetime. She shows women how to break free from the bondage of misused sexuality and create a new beginning in their relationships with men. This is required reading for every college-age woman who longs for a man to see her beauty and cherish it.

*The Soul of Sex* - Thomas Moore 1998

This superb new volume is addressed to everyone interested in hope, regardless of their religious or philosophical beliefs. Glenn Tinder, one of our most astute and creative thinkers, probes the failure of modern, secular hope and shows, with great sensitivity and openness, why the tenets of Christian faith offer a true and meaningful source for hope amid the widespread distress, confusion, and despondency of contemporary life. From *The Critics* Jean Bethke Elshtain Glenn Tinder argues compellingly that modern despondency flows from a collapse of unreasonable optimism about our individual and collective prospects. By contrast to despondency and brittle optimism, Tinder calls for a renewal of hope. Framed by Christian belief, Tinder's elegant essay reaches out to appeal to all men and women troubled by our current condition. A beautifully written and touching work. Michael Novak Tinder's weighty essay on the nature, spirituality, and politics of hope offers an illuminating perspective on a central pillar of civilization. Mary Ann Glendon "A pristine intellectual and spiritual achievement by one of the most penetrating thinkers. of our day" Richard John Neuhaus "With this essay Tinder once again vindicated his reputation as one of the most incisive thinkers and graceful writers working today. His is a most powerful argument that only a hope that has come to terms with all the reasons for despair can sustain us into a future that we do not and cannot control. Tinder's wisdom is in knowing that attention to first things requires facing up to last things."

*Tantra* - Somananda Moses Maimon 2014-01-10

"*Tantra: Sex for the Soul*" humbly aims to go where no book of Tantra has gone before. For those who know nothing about Tantra, this book is bound to profoundly change your life. For those who have started down the path, it will deepen and enhance your knowledge. This perfect system - conceived with so much insight and wisdom thousands of years ago - is presented in a practical, step-by-step approach that guides newcomers as well as more experienced practitioners to reach a coherent understanding of sexual Tantra. "*Tantra: Sex for the Soul*" reveals all the tips and secrets to realize accurate practice, the remarkably multiorgasmic horizons that await, and Tantra's exceptional potential for health, healing, and higher consciousness. While in today's environment of neo-Tantra, the spiritual aspects of this system have become lost and superseded by the spectacular sexual results of tantric practice, "*Tantra: Sex for the Soul*" does not waver from its commitment to a sacred approach that honors the revelations of the authentic Indian and Tibetan tantric traditions. This book - supplemented with many personal testimonials - guides the reader through the ins and outs of all aspects of Tantra: fundamental principles, energy and its control, sexology, men's and women's issues, individual training and techniques, relationships, lifestyle, tantric massage, and much more. Genuine in his commitment to share this lineage with modern seekers, Somananda Moses Maimon provides readers with one of the most comprehensive books available on this subject. You are hereby invited to explore the mysteries of Tantra - an invitation to discover the soul-touching depths of your own being and the beautiful heights of ecstasy accessible to everyone.

*The Soul and Sex in Education, Morals, Religion, and Adolescence; Scientific Psychology for Parents and Teachers. with a Chapter on Love, Marriage, Ce* - Jirah Dewey Buck 2011-10

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Soul Sex** - Pala Copeland 2003

For those who are interested in combining sexuality and spirituality, this book's emphasis is on Tantra in relationships as it mixes ancient Eastern sexual practices with modern Western approaches to communication and intimacy. 150 photos & line drawings.

*Sex Without Pain* - Heather Jeffcoat (DPT.) 2014-02-15

*Slayer of the Soul* - Stephen J. Rossetti 1990

Breaks through the myths, anger and confusion that surround child sexual abuse. Experts in the fields of mental health, law, pastoral theology, communications and medicine here answer these questions: What is child sexual abuse? Who are the victims of this behaviour? Who are the perpetrators? What help exists for each group? What is the Church's responsibility in the process of healing? Counters the discrimination often shown against both victim and perpetrator. Illustrates how the Church community can provide leadership responding to the message of Jesus by taking decisive action, demonstrating compassion, promoting healing, and enabling reformation.

*Restoring the Soul of a Church* - Nancy Myer Hopkins 1995

The Interfaith Sexual Trauma Institute has commissioned this pastoral work which focuses on the healing of congregations following clergy sexual misconduct. The book discusses the original problem of sexual misconduct and exploitation and then focuses on those neglected "secondary" victims of abuse: the congregation, the wider community, other clergy, the wider church, the offender's family, and the pastor who takes over.

*The Sex Life of Food* - Bunny Crumpacker 2007-04-01

"The sex life of food" doesn't mean that the strawberries have fallen in love with the oatmeal. It's a look at food—and sex—and how they go together in our daily lives much more often than we realize. There are so many ways that hunger and desire act on each other, and so many things that can influence our preferences. Not only are people moved by the taste, texture, and the shapes of the food they eat, but even the names of some dishes can kindle hunger—of both kinds—in some. As the author writes, "Sometimes

cooking is foreplay, eating is making love, and doing the dishes is the morning after." The many things Bunny Crumpacker shares with the readers of her fascinating book almost could have inspired her to write a novel, sending Adam and Eve (with their apple) traveling through history as the icons of our passions. Instead, she has gone far beyond the obvious to bring us unexpected and tantalizing knowledge of how much and in how many surprising ways we assuage our hunger for both food and sex and how where there's one, there is often the other. The result is a continued delight. There's history and humor, obvious connections and truly amazing ones. The author enlightens us on a myriad of topics, including food in fairy tales, what politicians eat, comfort food, and manners at the table. But enough! There's too much to say. Turn the pages and let Bunny Crumpacker introduce you to *The Sex Life of Food*.

[The Soul and Sex in Education, Morals, Religion, and Adolescence](#) - Jirah D. Buck 2015-06-30

Excerpt from *The Soul and Sex in Education, Morals, Religion, and Adolescence: Scientific Psychology for Parents and Teachers; With a Chapter on Love, Marriage, Celibacy, and Divorce* The most important influence in the life of man is Education. Education may be Secular or Religious, or both. It cannot stop with childhood, for the whole of life for both man and woman is an education. Some are educated in selfishness; some in vice; some in crime. The Ideal and the best education is essentially Constructive, in the Building of Character, and a clean, noble, useful, and progressive Manhood and Womanhood. Self-control, and a sense of Personal Responsibility, are the Key of such character-building. Everything that favors such construction, is Good. Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

*Sex, Drugs and Northern Soul* - Raymond Brown & Jason Tune

[The Origins of Sex](#) - Faramerz Dabhoiwala 2012-05-01

A man admits that, when drunk, he tried to have sex with an eighteen-year-old girl; she is arrested and denies they had intercourse, but finally begs God's forgiveness. Then she is publicly hanged alongside her attacker. These events took place in 1644, in Boston, where today they would be viewed with horror. How--and when--did such a complete transformation of our culture's attitudes toward sex occur? In *The Origins of Sex*, Faramerz Dabhoiwala provides a landmark history, one that will revolutionize our understanding of the origins of sexuality in modern Western culture. For millennia, sex had been strictly regulated by the Church, the state, and society, who vigorously and brutally attempted to punish any sex outside of marriage. But by 1800, everything had changed. Drawing on vast research--from canon law to court cases, from novels to pornography, not to mention the diaries and letters of people great and ordinary--Dabhoiwala shows how this dramatic change came about, tracing the interplay of intellectual trends, religious and cultural shifts, and politics and demographics. The Enlightenment led to the presumption that sex was a private matter; that morality could not be imposed; that men, not women, were the more lustful gender. Moreover, the rise of cities eroded community-based moral policing, and religious divisions undermined both church authority and fear of divine punishment. Sex became a central topic in poetry, drama, and fiction; diarists such as Samuel Pepys obsessed over it. In the 1700s, it became possible for a Church of Scotland leader to commend complete sexual liberty for both men and women. Arguing that the sexual revolution that really counted occurred long before the cultural movement of the 1960s, Dabhoiwala offers readers an engaging and wholly original look at the Western world's relationship to sex. Deeply researched and powerfully argued, *The Origins of Sex* is a major work of history.

*The Heart and Soul of Sex* - Gina Ogden 2006-07-11

Drawing on the results of her unique national sex survey—and on decades of clinical practice as a sex therapist—Gina Ogden offers a revolutionary exploration of women's sexual experience. The best sex, say thousands of women, doesn't just happen in the body. It is multidimensional, connecting body, mind, heart, and soul. In *The Heart and Soul of Sex*, Ogden coaches readers to fully realize the physical, emotional, mental, and spiritual aspects of sex, making what she calls the "ISIS Connection." Throughout the book are firsthand stories of survey respondents, offering examples of how ordinary women from ages eighteen to eighty-six have found their own way to sexual expression.

**Sex of the Soul** - Charles Mopsik 2005

**Soul Sex** - Al Link 2003-02-12

This is not only a book about Tantric practices, but also about how you can use them to create a life-long, loving relationship. Because Pala and Al's emphasis is on Tantra in relationships, both beginners and skilled Tantric practitioners will find value here. Through the authors' mix of ancient Eastern sexual practices and modern Western approaches to communication and intimacy, you and your partner will learn to connect in ways that are respectful, nourishing, and lusty. Pala and Al offer their relationship as a model for a successful, long-term relationship in which to be happy, fulfilled, and spiritually awakened. *Soul Sex* includes thought-provoking discussions, personal anecdotes, and precise but simple techniques to inspire you to apply to your daily life. The observations and exercises included are drawn from the authors' own heady partnership and from the hundreds of couples they have had the privilege to teach at their Tantra sacred sex workshops.

**Aphrodite's Daughters** - Jalaja Bonheim 1997-06-04

An intimate look at the transformative power of women's sexual experiences. Based on the stories of ordinary American women, *Aphrodite's Daughters* explores the central role of sexuality in women's spiritual journey. Witty, wise, entertaining, and compassionate, *Aphrodite's Daughters* quickly became an underground classic, and has changed the lives of thousands of women.
