The Happy Traitor - Simon Kuper 2021-02-04

'A deeply human read, wonderfully written, on the foibles of a fascinating, flawed, treacherous and sort of likeable character.' Philippe Sands Those people who were betrayed were not innocent people. They were no better nor worse than I am. It's all part of the intelligence world. If the man who turned me in came to my house today, I'd invite him to sit down and have a cup of tea. George Blake was the last remaining Cold War spy. As a Senior Officer in the British Intelligence Service who was double agent for the Soviet Union, his actions had devastating consequences for Britain. Yet he was also one of the least known double agents, and remained unrepentant. In 1961, Blake was sentenced to forty-two years imprisonment for betraying to the KGB all of the Western operations in which he was involved, and the names of hundreds of British agents working behind the Iron Curtain. This was the longest sentence for espionage ever to have been handed down by a British court. On the surface, Blake was a charming, intelligent and engaging man, and most importantly, a seemingly committed patriot. Underneath, a ruthlessly efficient mole and key player in the infamous 'Berlin Tunnel' operation. This illuminating biography tracks Blake from humble beginnings as a teenage courier for the Dutch underground during the Second World War, to the sensational prison-break from Wormwood Scrubs that inspired Hitchcock to write screenplay. Through a combination of personal interviews, research and unique access to Stasi records, journalist Simon Kuper unravels who Blake truly was, what he was capable of, and why he did it.

The Ugly Game - Heidi Blake 2015-08-18

An "account by two ... investigative journalists at Britain's The Sunday Times explains how the 2022 World Cup was secured for Qatar--a key element in the ongoing, international FIFA controversy"--Amazon.com.

A Dangerous Game - Lucinda Carrington 1999

Dr. Jacey Muldaire is in for plenty of good sex and no strings while working at a private hospital in South America. A woman of many guises, her first loyalty lies with the British Intelligence. And her femme fatale persona gives her access to places that other spies can't get to. She ends

up in a dangerous game of adventure and risk.

Absolute Friends - John le Carré 2018-09-27

'One of his most enthralling creations' Daily Telegraph Broke and working as a tour guide in Germany, rootless Englishman Ted Mundy catches a glimpse of an old friend hiding in the shadows. A friend he thought was lost to him. A friend who took him from radical 1960s Berlin to life as a double agent. Now, decades later, the Cold War is over and the war on terror has begun. Sasha has another mission for them both, but this time it is impossible to tell the difference between allies - and enemies. Set in a world of lies and shifting allegiances, *Absolute Friends* is a savage fable of our times. 'Thoroughly gripping' Sunday Times

This Was CNN - Kent Heckenlively 2023-02-07

A CNN insider reveals what he saw behind the scenes at the cable news giant and the investigation that revealed even more shocking secrets. Cary Poarch started working at CNN in the summer of 2017 as a die-hard Bernie Sanders supporter. But on his first location shoot during the Charlottesville riots, he quickly became disillusioned with how the network created the "fine people" hoax. This began a political odyssey as he documented numerous incidents of outright bias, eventually leading him to contact James O'Keefe of Project Veritas. For months, Cary Poarch documented CNN's rampant political bias for Project Veritas, and saw how the network was dividing the country. When the story was released by Project Veritas, it was seen by millions. This book continues his investigation and uncovers even more shocking information about the behavior of network personnel, CNN's ties to the Biden White House, CNN's creation of a terrifying digital warfare capacity, and the possible penetration of CNN by our own intelligence agencies. Cary partnered with two time New York Times bestselling author, Kent Heckenlively, and together they uncovered even more shocking secrets about "the most trusted name in news.

Spy - 1993-07

Smart. Funny. Fearless."It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine

journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.
Spy - 1989-10

Smart. Funny. Fearless."It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.
Restless - William Boyd 2006-09-04

William Boyd comes to Bloomsbury with an extraordinary story of lies, love and vengeance
Spy - 1990-03

Smart. Funny. Fearless."It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

Love, Lies and Spies - Cindy Anstey 2016-04-19

In this hilarious homage to Jane Austen, a lady with a penchant for trouble finds a handsome spy much more than merely tolerable. "It's Jane Austen meets Jane Foster in Anstey's debut novel, which serves up a delightful combination of Regency romance, scientific curiosity, and spy intrigue for a tale that will have readers rooting for love and science." - Entertainment Weekly
Juliana Telford is not your average nineteenth-century young lady. She's much more interested in researching ladybugs than marriage, fashionable dresses, or dances. So when her father sends her to London for a season, she's determined not to form any attachments. Instead, she plans to secretly publish her research. Spencer

Northam is not the average young gentleman of leisure he appears. He is actually a spy for the War Office, and is more focused on acing his first mission than meeting eligible ladies. Fortunately, Juliana feels the same, and they agree to pretend to fall for each other. Spencer can finally focus, until he is tasked with observing Juliana's traveling companions . . . and Juliana herself. Full of humor and English Regency Period charm, and starring a whip-smart strong female heroine, *Love, Lies and Spies* by Cindy Anstey is a young adult novel with the perfect mix of romance, action, and adventure. "A tongue-in-cheek nod to Regency romances, Anstey's lighthearted novel is perfect for readers looking for an Austen-inspired tale of intrigue and romance. The story gets an additional boost from Juliana's many humorous scrapes, which are unbecoming of a nineteenth-century lady. This would make a nice companion for Garth Nix's farcical *Newt's Emerald*." -Booklist "Give to young teens in need of a fluffier Patrice Kindl's *Keeping the Castle*. . . . A cute premise and cover make this a solid purchase for budding historical romance readers." -School Library Journal "I cannot tell you how much I love this book. Juliana, Spencer, Bobbington, ALL of them are just so utterly wonderful. This is BETTER than Georgette Heyer. YEP, I SAID IT." -Kelly Zekas, author of *These Vicious Masks*

Spy - 1990-08

Smart. Funny. Fearless."It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.
Deception - Edward Lucas 2013-01-01

From the capture of Sidney Reilly, the 'Ace of Spies', by Lenin's Bolsheviks in 1925, to the deportation from the USA of Anna Chapman, the 'Redhead under the Bed', in 2010, Kremlin and Western spymasters have battled for supremacy for nearly a century. In *Deception* Edward Lucas uncovers the real story of Chapman and her colleagues in Britain

and America, unveiling their clandestine missions and the spy-hunt that led to their downfall. It reveals unknown triumphs and disasters of Western intelligence in the Cold War, providing the background to the new world of industrial and political espionage. To tell the story of post-Soviet espionage, Lucas draws on exclusive interviews with Russia's top NATO spy, Herman Simm, and unveils the horrific treatment of a Moscow lawyer who dared to challenge the ruling criminal syndicate there. Once the threat from Moscow was international communism; now it comes from the siloviki, Russia's ruthless 'men of power'.

Sex, Lies, & Family Vacations - Leslie Langtry 2015-01-13

"Sex, Lies, & Family Vacations made me laugh, then cry...then laugh until I cried! Leslie Langtry creates characters that are so relatable and yet so humorous that you'll want to re-visit them again and again." - Gemma Halliday, New York Times bestselling author Laura Smith is the mom of two adorable children, the wife of a successful businessman...and the unappreciated shadow of the woman she once was. Somehow, her family never seems to notice that the laundry gets done, the house is picked up, dinner mysteriously appears on the table, and then cleans up after itself. Instead of being her children's idol and her husband's lover, she's become a funny little footnote in her own life. That is until she takes her children on vacation to Disneyworld in sunny Florida, where she just happens to end up in a hotel room right next to her college flame, Alan James. Old passions ignite and new excitement sparks as Laura and Alan bring new meaning to "The Most Magical Place on Earth." But when Laura and Alan's spouses unexpectedly show up in Florida, a comedy of errors ensues, and only one thing is for certain: Laura's life will never be the same again. Note: This book was formerly published under the title *The Adulterer's Unofficial Guide to Family Vacations*. What critics are saying about Leslie Langtry's books: "Mixing a deadly sense of humor and plenty of sexy sizzle, Leslie Langtry creates a brilliantly original, laughter-rich mix of contemporary romance and suspense." ~ Chicago Tribune "Langtry gets the fun started from page one with a myriad of clever details." ~ Publishers' Weekly "Darkly funny and wildly over the top, this mystery answers the burning question, 'Do

assassin skills and Girl Scout merit badges mix...' one truly original and wacky novel!" ~ RT BOOK Reviews "Another wicked blend of action, romance, mystery and dark humor, *Guns Will Keep Us Together* gives readers bullets, buff guys and bad boys...I hope the Bombay family continues on with their deadly misadventures. ~ News and Sentinel Sex, Lies, and Autobiography - James L. O'Rourke 2006 In *Sex, Lies, and Autobiography* James O'Rourke explores the relationships between literary form and ethics, revealing how autobiographical texts are able to confront readers with the moral complexities of everyday life. Tracing the ethical legacy of Jean-Jacques Rousseau's *Confessions* in a series of English-language texts, the author shows how Rousseau's doubts about the possibility of ethical behavior in everyday life shadows the first-person narratives of five canonic works: William Wordsworth's *Prelude*, Charlotte Brontë's *Jane Eyre* and *Villette*, Mary Shelley's *Frankenstein*, and Vladimir Nabokov's *Lolita*. Offering a fascinating new way of thinking about ethics through literature, *Sex, Lies, and Autobiography* challenges the most fundamental principles of the philosophical study of ethics, revealing the innate difference between morality in life and morality in literature. O'Rourke begins with Rousseau's inability to reconcile his intuitive belief that he is a good person with the effects that his actions have on others, and he goes on to show how this same ethical impasse recurs in the five aforementioned texts. The ethical crises these texts describe, such as when *Jane Eyre's* happiness can be purchased only at the cost of Bertha Mason's suicide, or when Humbert Humbert's artistry demands the sacrifice of Dolores Haze, are not instances of authorial ethical blindness, O'Rourke says, but rather are ethical challenges that force us as readers to consider our own lives. In each of these works, a narrator attempts to justify his or her behavior and fails; in each case, the rigorous narrative of self-examination demands a similar effort from the reader, whose own sense of moral rectitude is put into question. Confronting the long-held philosophical construction that links ethical principles and life choices, thereby reassuring us of the ethical coherence of everyday life, the narrators of these literary autobiographies come to a very different

conclusion; by looking back on their lives, they cannot understand how their most benevolent desires led to such damaging life stories. By leaving meaning inexplicit, O'Rourke argues, these texts are able to recover traumatic material that is ordinarily repressed and then bring that repressed knowledge to bear on self-justifying narratives. For readers interested in autobiographical studies, ethical criticism, and trauma and literary studies, *Sex, Lies, and Autobiography* provides a groundbreaking analysis of the role of ethics in literature.

White Women Have Stepped Their Game Up - Willie Speight
2017-02-20

What started out as a simple bet turned into a real-life situation of sex, lies, and spies. The unthinkable happened when Melissa Williams pulls over and gives a stranger a ride in Alpharetta, Georgia.

Sex Lies and Spies - Gennita Low 2013-09

TREASURE HUNT, CAR CRASHES, CRAZY SPIES & HOT SEX Volume I contains the first two SEX SPIES & LIES serial episodes: The Game and The Pawn. Two different sets of protagonists. Two adventures. The Pawn features a male/male romance. Each of these NOVELLAS is standalone and can be bought individually in e-format. WHO IS IN THE GAME? WHAT ARE THEY AFTER? WHY IS EVERYONE AFTER THE AMULET? WHERE IS THE TREASURE? THE GAME John is a negotiator for The Temple, a mysterious organization specializing in hunts--weapons, missing persons and especially treasure. He is unexpectedly reunited with an old lover, Kel. They haven't been together for three years but the chemistry is still sizzling hot between them. But why is Kel suddenly back in his life? Kel is more than what she seems. The Temple is playing the biggest Game, one that almost cost her life three years ago. If she plays her cards right this time, she might just win back her man and get the real treasure she's always loved and wanted. THE PAWN This episode features a male/male romance and can be read as a standalone. Svenni, master thief, gets the surprise of his life when he bumps into his straight fantasy man in a bar one night. When the six foot five hunk makes a move that he had only fantasized about for years, his world his is turned upside down in more than one way. But there is more to Martin Branson

than meets the eye. In the middle of a spy game, he hadn't been able to show his feelings. Now he's finally free. And determined to get his man. Everyone around wants in on The Game, to be the one to find the mysterious map, but Martin is hunting for a different kind of treasure.

Outing the Senator - David O'Toole 2005

Spy - 1990-02

Smart. Funny. Fearless."It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

Wicked Hot: A MacKenzie Family Novella - Gennita Low 2017-03-21

New York Times bestselling author Gennita Low adds international intrigue and suspense to Liliana Hart's MacKenzie family with WICKED HOT... A US operative/businessman had been kidnapped in Indonesia. He has a vital piece of information that would get the US government in trouble. But Indonesia is a country with with over 17000 islands, with plenty of jungles in which to hide. Off-the book NSA fixer, Kirk Ryan, approaches his cousin, Archer, who works at the MacKenzie Securities for help with tracing a phone call. He also needs a translator familiar with Indonesian. Not a problem. MacKenzie Securities' troubleshooter, Jade, has plenty of connections. In fact, there is a translator she knows who is in Indonesia right now. Surya, GEM contract agent, really doesn't want to do anything but lie on the heated beaches of Indonesia and just enjoy her first holiday in years. But she owes Jade Jax a favor and her friend's calling it in. And the favor comes in a six-foot-two package of irresistible and wicked male. It's just a translation job. She would help and maybe get to know the man for a day or two. What could go wrong?

The Ice Queen - Createspace Independent Pub 2017-04-29

This is the first book of "Game of Broken Lies", a steamy erotic spy series! Helena, also known as the "Ice Queen", is a ruthless special agent

for the Stahlwand, the Reich's counter-terrorism agency. Tipped of an upcoming operation near her home in Hamburg, she faces enemies who will stop at nothing to extract information from her. Will they succeed in breaking the Ice Queen? Will Helena be caught in a web of lies that can

shake the very core of her existence? Warning: This story contains graphic descriptions of a sexy female espionage agent engaging in public sex, sex with strangers, masturbation, oral sex and penetrative intercourse in a variety of positions. It is intended only for readers above 18 years of age with adventurous and broad-minded tastes.
