My Best Friend, the Billionaire - Serenity Woods 2021-09-15
Never fall in love with your best friend... I met Hal on the first day of high school. I also fell in love with Hal on the first day of high school. But although we were good friends from the start, I knew he'd never be mine. He's gorgeous, confident, sexy, and he's also incredibly rich. I'm scarred - physically and emotionally - quiet, and my family has always been poor. The two of us are poles apart. So I've trained myself not to think of him in that way. Not to think of kissing him, undressing him slowly. Of sliding beneath the bedclothes. Of having his hands on my skin. I

don't think of it at all. I can't. Because Hal never stays with a girl for long, and if he were to have me, then leave me, my heart would break into a million pieces, and I'd never be able to put it together again. But then he tells me he's fallen in love with someone. I try to guess who, and he just smiles. "Izzy," he says patiently, "it's you." Oh no. * The Billionaire Kings is set in Noah's Ark Animal Sanctuary and features the sons of the heroes from the USA Today bestselling Three Wise Men series of sexy holiday romances. The books are all standalones, and you don't have to have read the Three Wise Men to enjoy The Billionaire Kings, but if you have read them

you will hopefully have fun meeting up with Brock, Charlie, and Matt occasionally in these stories! This new series takes place approximately thirty years after the Three Wise Men, but it's not set 'in the future'. I just thought it would be fun to write a new series that had a connection to one of my favorites. I hope you enjoy reading it as much as I enjoyed writing it!

Georgia Banks's life is falling apart. He concedes she could be right, but how will he know until he's sated his hunger? Eventually, she agrees to a brief fling, but that only seems to make the fire between them burn hotter. Matt wants more, but even though Noah seems to like him being around, when Matt unearths Georgia's troubled past he wonders whether it's time to move on before he gets too entangled. As Christmas approaches, though, he discovers that love can be like mistletoe, infiltrating and binding two people together until it's impossible to separate their hearts. Never fall in love with a wounded hero... Since I turned thirty, all I can think about is having a baby. Someone of my own I can love. Someone who won't break my heart. But I don't want

another relationship ever again. I thought about going to a clinic. But I like the idea of knowing the identity of the father of my child, even if we're not an item. So I pick Marc. Or Fitz, as everyone else calls him. He's tall, handsome, healthy - apart from his injured back - hardworking, kind, and loyal. I'd be happy if my child were to grow up like him. So I ask him if he'd agree to be a sperm donor for me. To my disappointment, he says no. He does say he'll be happy to get me pregnant the old-fashioned way. According to him, extended foreplay increases the man's productivity. I think he just wants to get me into bed, but I'm willing to give it a try. Do I go ahead with it? There aren't any drawbacks to having a quick fling, surely?

Mystery man, recluse, finance guru... Virgin. I was a shut-in for a reason. With too many secrets, too much to hide, and way too much at stake, I spent years in my mansion in the woods, never trusting a soul. So, when a stranger showed up at my door, with her plans to save the world, I should have sent her away, like I'd always done. From the second she arrived, I couldn't resist Veronica Cruz. She was everything I'd been missing—passionate, generous, and so damned sexy. I let her into my life, gave her everything—including my heart. Now, the one thing she wants is the truth. Q. What could be better than getting a billionaire for Christmas? A. Getting THREE billionaires for Christmas! Three Wise Men is a series of three books set in the sub-tropical Northland of New Zealand following the stories of three billionaire brothers and the single mums they fall in love with. Each book has a happy ending, but there will be a final conclusion to all three stories at the end of book 3. As a single mum who can barely afford to put food on the table, let alone fill her son Ryan's Christmas stocking with presents, Erin Bloom isn't particularly looking forward to the festive season. When Ryan has an asthma attack and ends up in hospital, she's convinced it's going to be the worst Christmas ever. Sure, Christmas is a time for miracles, but everyone knows wishes don't really come true. Once Ryan recovers, Brock offers to take Erin away for her birthday, no strings attached, to give her the perfect gift every single mum would kill for-a night in an exclusive hotel. Will she take him up on his offer, which might (if she's very lucky) end up with hot sex with a billionaire? Or should she take the moral high ground and say no? Santa, The Billionaire - Serenity Woods
2021-12-02

If you were penniless and lonely, and you'd lost all hope, would you let Santa, the Billionaire grant you a wish? I fell in love with Nick Prince the day I started work as his PA, but I knew it would never work for two reasons: a) He was married, and b) his wife was my best friend. Boy, do I know how to pick 'em. So I ignored my feelings, and I got on with my life as best as I could. Then Olivia died, leaving us both

devastated. Two years later, he's still grieving. I don't think he's ever going to get over losing her. He doesn't feel the same way I do, and he's never going to be mine. I don't want to spend the rest of my life waiting for him, and anyway, I have to leave. My sister is in trouble and needs my help - not that I have any money left to give her. I'm broke, and I can't afford to keep flying up to see her. I need to move closer to her, and keep her safe from her abusive husband. I go into Nick's office to hand in my resignation, and I discover him in a Santa suit. He's off to the local children's hospital to hand out teddies from his toy store. And then he points to the mistletoe hanging from his office door... I'm ready to move on with my life. It's too little, too late. I'm over him, and my priorities have changed. The last thing I want is a Christmas kiss from Saint Nick, even if the look in his eyes is anything but saintly. Oh... who am I kidding? Maybe just one before I go...

need to serve up a perfect roast turkey.
