The Marriage of Sense and Soul - Ken Wilber 1998

One of today's most important philosophers articulates our era's most critical dilemma--how to find the mutual accord between ancient spiritual wisdom and modern knowledge. "No one--not even Jung--has done as much as Ken Wilber to open Western psychology to the durable insights of the world's wisdom traditions".--Huston Smith, author of "The World's Religions".

[Sex, Love, and Marriage in the 21st Century - Robert T. Francoeur 1999](#)

Love, sex, and marriage are changing faster than ever before in human history. The current tidal wave of social changes will continue into the next century, and we will have to adapt our sexual values and relationships to these accelerating changes. These 22 honest, authentic stories tell of the unconventional paths pioneering church leaders and spiritually-aware women and men have taken in their quest to link their sexuality with their spiritual needs. Some might see in these unorthodox explorations only tales of promiscuous couplings. But these are not stories of wild thrill-seekers. These are tales told from the core of their being about their deeply felt need for genuine, responsible love and intimacy within a spiritual context. Their journeys do not promise paradise or instant happiness, as popular magazines do with recipes

for lifelong marital bliss and fiery passion. These sojourners have much to teach us, even when we decide that this or that path is not for us. Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey. God and Eros can come together in many different relationships. And they must come together if we want to nourish and fulfill the divine spark at the core of our being. These women and men challenge our assumptions and our willingness to adapt to our radically changing world.

[The Secret History of Western Sexual Mysticism - Arthur Versluis 2008-03-25](#)

The first book to reveal the history of Western sexual mysticism • Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God • Details the sects and individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced • Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions, Gnosticism, and the practices in early Christianity, Arthur Versluis uncovers the secret line of Western sexual mysticism that, like the Tantra of the East, seeks transcendence or union with God through sexual practices. Throughout antiquity, and right into the present day, sexuality has played an important, if largely hidden, role in religious traditions and practices. This includes not only Christian but also kabbalistic and hermetic alchemical currents of sexual mysticism, many discussed together here for the first time. In the Mystery tradition of hieros gamos (sacred marriage) and the Gnostic tradition of spiritual marriage, we see the possibility of divine union in which sexual union is the principal sign or symbol. Key to these practices is the inner or archetypal union of above and below, the

intermingling of the revelatory divine world with the mundane earthly one. Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine, the esoteric teachings of Jacob Böhme in the late 16th century, the 19th-century utopian communities of John Humphrey Noyes and Thomas Lake Harris, the free love movement of the 20th century, and the modern writings of Denis de Rougemont and Alan Watts.

Sex and the Goddess - Karin E Weiss Ph.D., PhD
2019-11-25

It has been over twenty years since the full manuscript of my book was edited for publication in 1998. I had begun writing it in the previous decade, the 1980's... a period of flourishing women's liberation movements against the patriarchal status quo. Books about women's sexuality and spirituality were flooding the bookstores, and many writers were producing profound studies of the untold heroism of women throughout history. I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School's "Program in Human Sexuality." In addition, I conducted women's self-enrichment groups and workshops in my private practice... "Woman's Discovery Institute" ... where I also gave professional Astrology readings and classes. This rich mix of psychology, philosophy, spirituality, and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women's unsung heroism throughout history. It brewed in me a heady fascination to stitch it all together in a circle

montage that connects all women and all aspects of our multi-layered lives. I based my theory on the lunar cycle, which is eternally linked to women's menstrual, emotional, and psychic cycles. With a friend, I created a series of workshops for women to celebrate their many-faceted selves and gain confidence to pursue their goals. Yet for various reasons my book manuscript remained in my own bookshelf, never getting published. Until now... the times again call for women to claim their autonomy and gain equality in an overly male-dominated and viciously callous world. I am blessed to find in Xlibris a publisher ready to take on the project with me. I am thrilled to finally see my "Life's Masterwork" in print. You will find many divergent ideas in these two volumes. No single woman encompasses all that are described, but as you read and recognize these characters in yourselves and your friends, I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers. **Spirit Mates, Their Origin and Destiny, Sex-life, Marriage, Divorce** - James Martin Peebles 1909

Sex and Spirit - Clifford Bishop 1997

The Freedom of Sexual Love (Complete and Unabridged) - Joseph Bird 1967

"This is a love story. It is the story of sexual love, the love of man and woman united in the mystery of a sacrament which joins them in one flesh." On this compelling note, Joseph and Lois Bird begin a detailed and sympathetic treatment of the Christian concept of sexuality in marriage. The authors examine--candidly and explicitly--the physical, psychological, and spiritual dimension of the marital union as well as the responsibilities of marriage. A mature, comprehensive guide to the subject of human sexuality, *The Freedom of Sexual Love* covers all aspects of love-making with wholesomeness and reverence. The authors emphasize the inseparability of spirit and flesh in Christian marriage, stressing the involvement of the total personality. Thus, they consider fully the psychological and spiritual meaning found in sexual relations and the nature of man and woman as they interact as husband and wife. Throughout the book the authors stress that

sexuality permeates every aspect of the human relationship in marriage and there is a need for the marriage partners to understand this fully. Drawing upon the countless experiences of the many couples they have counseled, and especially upon their own marriage, the authors have succeeded in portraying the marital union as a commitment in love. *The Freedom of Sexual Love* is an invaluable reading experience for anyone married, about to be married, or contemplating the sacrament of marriage. *Spirit Mates, Their Origin and Destiny* - J. M. Peebles 2017-07-11

Excerpt from *Spirit Mates, Their Origin and Destiny: Sex-Life, Marriage, Divorce* Human bodies, however symmetrically formed and carefully guarded, die because organized structures. Earth to earth is nature's fixed fiat. The dwellers in Thebes and Memphis honored those who skilfully embalmed their bodies. They shrunk from discarding like cast-off garments their physical organizations. It matters not just now whether a human body came up from the lower things that creep and crawl or through the wild beasts that howl and prowl by night; it is not only beautiful, but there is engrafted into it mentality, conscious spirituality, and we believe, without a doubt, immortality. Bodies from dust, spirits from God, are the voices of involution and evolution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Spiritual Marriage: The Curse of Illicit Sexual Union - Ebenezer Gyasi 2018-07-17

There are certain spiritual truths you should know before you start dating, having sex, or start thinking about marriage. Ignorance of spiritual matters may become a source of problems for you and your descendants. Currently, our sexuality is under tremendous attack. Spiritual marriages to demonic entities have become a source of hidden problems in our relationships. Nothing in this world happens by chance. Not with God, nor the devil. In the realm of the spirit there are no accidents. People who allow events in their lives to pass without

connecting them to spiritual issues, not only don't understand what is happening to them, they also can't do anything to change their world. This manual along with the companion books, "Killing Me Softly," "Dad And Mom Pray For Me: Prepare The Way," will help and equip you to trample and overcome evil enforcers assigned to steal, kill, destroy, or truncate your destiny and that of loved ones, your marriage, your family and your home, in the mighty name of Jesus. Amen!

Sex and the Spiritual Path - Herbert B. Puryear 1986

LET'S TALK ABOUT SEX - Olusegun Festus Remilekun 2018-10-12

INTRODUCTION: God wants your marriage to succeed and prosper, and He has given you the blueprint to make your family's happiness possible! The Bible contains rock-solid principles upon which you can build a strong marriage, home, and family. 11 Corinthians 2:14 "Now

thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savor of his knowledge by us in every place." Your marriage has an enemy. The enemy who wants to steal kill and destroy wants to devour your marriage. The victorious family is the family that always record victory in their home and marriage. The attack of the enemy will not scatter them. Here is the truth that most people do not like to admit: marriage is hard. It is incredibly hard. Spending your life and time forever with someone who is different from you is not quite the walk in the park. It has its ups and downs, its highs and lows. There is disagreement, then agreement. There is breaking, then making, but when handled right, it is incredibly beautiful. In this mini-book, I will be talking about sex in marriage. In my years of experience as a pastor, I have found out that some believers are more spiritual about this subject because their focus is in making heaven. I want you to know that God Himself commanded sex between married couples.
