*Cabin Fever* - Mandy Smith 2015-06-30

In the tradition of Waiter Rant, a saucy look at life behind the beverage cart Ever since Coffee, Tea or Me? was first published in the swinging sixties, the reading public has been enamored with stewardesses. In Cabin Fever, former Virgin Atlantic flight attendant Mandy Smith updates the genre, sharing the good, the bad, and the downright naughty about life in the air. Smith's jet-setting job took her to many exotic locations, and on the way she enjoyed plenty of steamy love affairs—even joining the Mile High Club. Whether she's performing CPR on a pilot mid-flight or sipping Manhattans in the Big Apple, Cabin Fever provides plenty of risqué in-flight entertainment!

**The Casanova** - T L Swan 2021-08-26

In T L Swan's steamy third installment of the Miles High Club, Kate's hot new pen pal is a welcome distraction from her horrible boss. But nobody is as distracting as Elliot Miles...and he knows it. My favorite hobby is infuriating Elliot Miles. Just the sight of my boss's handsome face triggers my sarcasm. God knows how he earns his Casanova reputation--if a million women want him with his personality, what the heck am I doing wrong? Disgusted with my love life, I join a dating app under a fake name. I start chatting to a man named Edgar. He's not my type and lives on the other side of the world, but we hit off a friendship, laugh and confide in each other. But lately things are getting weird at work. Elliot's being...attentive. His eyes linger a little longer than they should, and there's a heat behind them that I haven't felt before. And then, in

the shock of all shocks, he tells me that my vulnerability is appealing. But when was I vulnerable? Horror dawns...Has my boss been reading my emails to Edgar? Damn it, why did I use my work email? Oh no, does he know what I really think of him? I'd rather die than ever admit it. Or, even worse: is it possible that the man I loathe in real life is the man I'm falling for online?

Coffee, Tea or Me? - Donald Bain 2003-06-03

Remember when flying was glamorous and sexy, even fun? When airline food was gourmet, everyone dressed up for a flight, and stewardesses catered to our every need-at least in our imaginations? This classic memoir by two audaciously outspoken young ladies, who lived and loved the free-spirited stewardess life, jets you back to those golden days of air travel-from the captain who's as subtle as a 747 when he's on the make to the passenger who mistakes the overhead luggage rack for an upper berth; from the names of celebrities who were a pleasure to serve (and some surprising notables on the "bad guy" list) to the origins of some naughty stereotypes-Spaniards are the best lovers, actors the most foul-mouthed. This huge bestseller, a First Class jet-age journal, offers a hilarious gold mine of outrageous anecdotes from the high-flying and amorous lives of those busty, lusty, adventuresome young women of the swinging '60s known as "stews."

**The Mile High Club** - Kinky Friedman 2001-02-21

The Mile High Club is a novel of intrigue, irreverence, international terrorism, humor, suspense, and cross-dressing, in which the intrepid Kinky Friedman gets more than his leg pulled when he encounters a mysterious vamp on an airplane. It all starts with a casual flirtation, two people on a flight from Dallas to New York. She is gorgeous and mysterious; he is a private detective. When the plane lands, the detective -- our hero Kinky Friedman -- finds that he's been left holding the bag, in this case literally holding a bright pink cosmetic bag. The mysterious woman, having asked the Kinkster to watch her luggage while she visits the dumpster, has taken a powder and somehow has vanished. Confident that he'll find the mystery woman again, Kinky holds on to the bag. Sure enough she does turn up, but not before Kinky has excited the interest of an array of "suits" from the State Department, been party to a thwarted kidnap attempt by Arab terrorists, and found a dead Israeli agent parked on the toilet of his downtown Manhattan loft. Employing the able-bodied assistance of his usual sidekicks, the Village Irregulars, Kinky eventually gets to the bottom of all the comings and goings and comings of the many visitors to his loft -- including two late-night visits by the mysterious, and suddenly affectionate, woman from the plane and one not-so-late visit by her angry brother. Before it's over, the bag is gone. Despite the many comparisons made by the critics, citing his resemblance to one great writer after another, the truth is that no other writer combines intriguing mystery with bawdy one-liners quite like Kinky Friedman. Alternately raunchy, offbeat, and hilarious, The Mile High Club, complete with a surprise ending, is Kinky at his very considerable best.
