Burial Rites - Hannah Kent 2013-08-29

BBC Between the Covers Book Club pick! Set against Iceland's stark landscape, Hannah Kent brings to vivid life the story of Agnes, who is charged with the brutal murder of her former master. 'Outstanding' - Madeline Miller - The Women's Prize for Fiction Shortlist - The Guardian First Book Award Shortlist - The International IMPAC Dublin Literary Awards Shortlist Iceland, 1829 - Agnes Magnúsdóttir is condemned to death for her part in the murder of her lover. Agnes is sent to wait out her final months on the farm of district officer Jón Jónsson, his wife and their two daughters. Horrified to have a convicted murderer in their midst, the family avoid contact with Agnes. Only Tóti, the young assistant priest appointed Agnes's spiritual guardian, is compelled to try to understand her. As the year progresses and the hardships of rural life force the household to work side by side, Agnes's story begins to emerge and with it the family's terrible realization that all is not as they had assumed. Based on actual events, *Burial Rites* is an astonishing and moving novel about the truths we claim to know and the ways in which we interpret what we're told. In beautiful, cut-glass prose, Hannah Kent portrays Iceland's formidable landscape, in which every day is a battle for survival, and asks, how can one woman hope to endure when her life depends upon the stories told by others? Inspired by a true story, *Burial Rites* is perfect for fans of *Alias Grace* by Margaret Atwood and *The Wonder* by Emma Donoghue 'Sublime' - Sunday Telegraph 'One of the most gripping, intriguing and unique books I've read this year' - Kate Mosse

The Sealwoman's Gift - Sally Magnusson 2018-02-08

'REMARKABLE' Sarah Perry | 'EXTRAORDINARILY IMMERSIVE' Guardian | 'EPIC' Zoe Ball Book Club | 'A REALLY, REALLY GOOD READ' BBC R2 Book Club | 'LYRICAL' Stylist | 'POETIC' Daily Mail 1627. In a notorious historical event, pirates raided the coast of Iceland and abducted 400 people into slavery in Algiers. Among them a pastor, his wife, and their children. In her acclaimed debut novel Sally Magnusson imagines what history does not record: the experience of Asta, the pastor's wife, as she faces her losses with the one thing left to her - the stories from home - and forges an ambiguous bond with the man who bought her. Uplifting, moving, and sharply witty, *The Sealwoman's Gift* speaks across centuries and oceans about loss, love, resilience and redemption. SHORTLISTED FOR THE HWA DEBUT CROWN | THE BEST

FIRST NOVEL AWARD | THE MCKITTERICK PRIZE | THE PAUL TORDAY MEMORIAL PRIZE | THE WAVERTON GOOD READ AWARD | A ZOE BALL ITV BOOK CLUB PICK 'Sally Magnusson has taken an amazing true event and created a brilliant first novel. It's an epic journey in every sense: although it's historical, it's incredibly relevant to our world today. We had to pick it' Zoe Ball Book Club 'Richly imagined and energetically told' Sunday Times 'The best sort of historical novel' Scotsman 'Compelling' Good Housekeeping 'An accomplished and intelligent novel' Yrsa Sigurðardóttir, author of *Why Did You Lie?* 'Vivid and compelling' Adam Nichols, co-translator of *The Travels of Reverend Ólafur Egilsson*

The Good People - Hannah Kent 2017-02-09

Devotion, the new novel from Hannah Kent, is out now! 'Exquisite' - Daily Mail Shortlisted for the Walter Scott Prize One woman's mercy is another's murder . . . Ireland, 1825. Nóra, bereft after the sudden death of her husband, finds herself alone and caring for her young grandson Micheál. Micheál cannot speak or walk and Nóra is desperate to know what is wrong with him. What happened to the healthy, happy grandson she met when her daughter was still alive? Mary arrives in the valley to help Nóra just as the whispers are spreading: stories of unexplained misfortunes, of illnesses, and rumours that Micheál is a changeling child who is bringing bad luck to the valley. Nance has lived in the valley all of her life. She is a healer who knows how to use the plants and berries of the woodland; she understands the magic in the old ways. And she might be able to help Micheál . . . As these three women are drawn together in the hope of restoring Micheál, their world of folklore and belief, of ritual and stories, tightens around them. It will lead them down a dangerous path, and force them to question everything they have ever known. 'A starkly realised tale of love, grief and misconceived beliefs' - Sunday Times 'An imaginative tour de force . . . exquisite' - Daily Mail

Forty Acres - Dwayne Smith 2014-07

"A thriller about a Black society with a secret"--

The Warlow Experiment - Alix Nathan 2020-07-28

Named one of the best books of 2019 by the Daily Mail, The Sunday Times (London), and the BBC An utterly transporting and original historical novel about an eighteenth-century experiment in personal isolation that yields unexpected--and deeply, shatteringly human--results. "The best kind of historical fiction. Alix Nathan is an original, with a

virtuoso touch." --Hilary Mantel Herbert Powyss lives in an estate in the Welsh Marches, with enough time and income to pursue a gentleman's fashionable investigations and experiments in botany. But he longs to make his mark in the field of science--something consequential enough to present to the Royal Society in London. He hits on a radical experiment in isolation: For seven years a subject will inhabit three rooms in the basement of the manor house, fitted out with rugs, books, paintings, and even a chamber organ. Meals will arrive thrice daily via a dumbwaiter. The solitude will be totally unrelieved by any social contact whatsoever; the subject will keep a diary of his daily thoughts and actions. The pay: fifty pounds per annum, for life. Only one man is desperate to apply for the job: John Warlow, a semi-literate laborer with a wife and six children to provide for. The experiment, a classic Enlightenment exercise gone more than a little mad, will have unforeseen consequences for all included.

The Sealwoman's Gift - Sally Magnusson 2018

In 1627, Barbary pirates raided an island off the Iceland coast - and abducted the 400 inhabitants into slavery in Algiers. Among them was a pastor, his wife and their three children. The pastor was sent back on a failed mission to seek ransom. But what actually happened to the women and children - what was their fate? Captive in an alien Arab culture, the pastor's wife meets the unravelling of her identity and the least bearable of losses - her three children - with the one thing she has brought from home: the sagas and folktales in her head.

Sealskin - Su Bristow 2019-02-05

"The Scottish myth of the selkie—a seal that can transform into human form—inspires a tale of life on the margins, forgiveness and redemption" (The Guardian). Donald, a young fisherman, is overwhelmed when he comes across a group of exotic women dancing on the shore beneath the moonlight. They are selkies—seals that shed their skin once a year and become human for a few hours. Overcome by their beauty and magic, Donald kidnaps one—a choice that will determine his future. Now, back home in his close-knit Scottish village, he must take responsibility for what he has done. Donald has been bullied and isolated all his life, but thanks to his mother and his stolen selkie wife, he finds the courage to question, then change the culture of the town that has been mired in the past for generations. Yet despite their mutual happiness, he can never truly forgive himself for the thoughtless act that brought his wife to him. This enchanting story works its way to a surprising yet satisfying ending. Based on a beloved Scottish legend, Sealskin is a timeless tale of the responsibilities of love—and the inner strength required to atone for terrible wrongs. "A haunting tale of family and consequences . . . The writing is sorrowful and lovely, with a well-earned, satisfying conclusion." —Publishers Weekly (starred review) "A powerful tale of love, learning and forgiveness, Sealskin is a bold and moving read that I was sad to put down." —The Bookbag "Well-written and atmospheric . . . Bristow paints a vivid setting and knows how to tug on the heartstrings." —Fantasy Literature

Where Memories Go - Sally Magnusson 2014-01-30

Scottish broadcaster and author Sally Magnusson's bestselling memoir of caring (with her two sisters) for their mother Mamie during many years of living with dementia. Sad and funny, wise and honest, this deeply intimate account of insidious losses and unexpected joys is also a call to arms that challenges us all to think differently about how we cope with a disease like dementia and care for our loved ones. This book began as an attempt to hold on to my witty, storytelling mother with the one thing I had to hand. Words. Then, as the enormity of the social crisis my family was part of began to dawn, I wrote with the thought that other forgotten lives might be nudged into the light along with hers. Dementia is one of the greatest social, medical, economic, scientific, philosophical and moral challenges of our times. I am a reporter. It became the biggest story of my life. - Sally Magnusson Regarded as one of the finest journalists of her generation, Mamie Baird Magnusson's whole life was a celebration of words - words that she fought to retain in the grip of a disease which is fast becoming the scourge of the 21st century. Married to writer and broadcaster Magnus Magnusson, they had five children of whom Sally is the eldest. As well as chronicling the anguish, the frustrations and the unexpected laughs and joys that she and her sisters experienced while accompanying their beloved mother on the long dementia road for eight years until her death in 2012, Sally Magnusson seeks understanding from a range of experts and asks penetrating questions about how we treat older people, how we can face one of the greatest social, medical, economic and moral challenges of our times, and what it means to be human. An extraordinary and deeply personal memoir, a manifesto and a call to arms, in one searingly beautiful

narrative. Facebook.com/WhereMemoriesGo

A Civil Contract - Georgette Heyer 2011-02-28

If you love Bridgerton, you'll love Georgette Heyer! 'The greatest writer who ever lived' ANTONIA FRASER '[My] generation's Julia Quinn' ADJOA ANDOH, star of Bridgerton 'One of my perennial comfort authors. Heyer's books are as incisively witty and quietly subversive as any of Jane Austen's' JOANNE HARRIS _____ Adam Deveril returns from the Peninsula War a hero, only to find his family on the brink of ruin and his much-loved ancestral home mortgaged to the hilt. It is Lord Oversley, father of Adam's first love, who introduces him to Mr. Chaleigh, a City man of apparently unlimited wealth, with his eyes firmly fixed on a suitable match for his one and only beloved daughter. Though this civil contract may work on paper, saving one from ruin and bringing the other desired social status, there is only one way to find out if it can really work . . . _____ 'Elegant, witty and rapturously romantic' KATIE FFORDE 'Utterly delightful' GUARDIAN 'Absolutely delicious tales of Regency heroes. . . Utter, immersive escapism' SOPHIE KINSELLA 'Georgette Heyer's Regency romances brim with elegance, wit and historical accuracy, and this is one of her finest and most entertaining ... Escapism of the highest order' DAILY MAIL 'If you haven't read Georgette Heyer yet, what a treat you have in store!' HARRIET EVANS _____ Readers love A Civil Contract ... ***** 'A wonderful tale - recommended for those who want some variation in the romances they read.' ***** 'A Civil Contract is a departure from her usual formula, and it knocked my socks off.' ***** 'Very touching, with a dose of humour.' ***** 'One of my all-time favourites among her many brilliant and enduring books.' ***** 'Amazingly good characters, lots of interior dialogue and character development, lots of humour.'

The Smallest Man - Frances Quinn 2021-01-07

'I want you to remember something, Nat. You're small on the outside. But inside you're as big as everyone else. You show people that and you won't go far wrong in life.' A compelling story perfect for fans of The Doll Factory, The Illumination of Ursula Flight and The Familiars. My name is Nat Davy. Perhaps you've heard of me? There was a time when people up and down the land knew my name, though they only ever knew half the story. The year of 1625, it was, when a single shilling changed my life. That shilling got me taken off to London, where they hid me in a pie, of all things, so I could be given as a gift to the new queen of England. They called me the queen's dwarf, but I was more than that. I was her friend, when she had no one else, and later on, when the people of England turned against their king, it was me who saved her life. When they turned the world upside down, I was there, right at the heart of it, and this is my story. Inspired by a true story, and spanning two decades that changed England for ever, The Smallest Man is a heartwarming tale about being different, but not letting it hold you back. About being brave enough to take a chance, even if the odds aren't good. And about how, when everything else is falling apart, true friendship holds people together. Praise for The Smallest Man: 'Nat Davy is so charming that I couldn't bear to put this book down. I loved it' Louise Hare 'A perfect fusion of history and invention... Nat's wit and humour make the poignancy of his story all the more powerful' Beth Morrey 'What a page-turner! A timely tale celebrating courage, determination and friendship' Anita Frank 'A perfectly formed masterpiece' C.S. Quinn 'I loved this book - a fascinating tale of extraordinary accomplishment, and a story about how anything is possible and how love has always been a beacon of hope' Phillip Schofield 'I found myself rooting for the Smallest Man in England from the very first page' Sonia Velton 'A beautiful, heartwarming tale, weaving history and fiction intricately and seamlessly... I loved this book' Louise Fein 'This book took me on an epic journey with a character that will always have a special place in my heart' Emma Cooper 'An engaging, compelling, thought-provoking story of a life less ordinary' Caroline Scott 'A beguiling and well-written tale' Ellen Alpsten 'I absolutely fell for the book's narrator: an ebullient character whose voice and world view I adored' Polly Crosby

Dear Reader - Cathy Rentzenbrink 2020-09-17

From the Sunday Times bestselling author of The Last Act of Love, Cathy Rentzenbrink's Dear Reader is the ultimate love letter to reading and to finding the comfort and joy in stories. 'Exquisite' - Marian Keyes, author of Grown Ups 'A warm, unpretentious manifesto for why books matter' - Sunday Express Growing up, Cathy Rentzenbrink was rarely seen without her nose in a book and read in secret long after lights out. When tragedy struck, it was books that kept her afloat. Eventually they lit the way to a new path, first as a bookseller and then as a writer. No matter what the future holds, reading will always help. A moving, funny and joyous exploration of how books can change the course of your life,

packed with recommendations from one reader to another.

Family Life - Sally Magnusson 2000

Sally Magnusson lives with her husband and five children in Scotland. This book begins, soon after the birth of the fifth child, with a scene to which we can all relate with feeling, that night when you slept through for the first time and without any small body in your bed, either. Life continues through holidays (and the baggage required for the family and British weather conditions), school Christmas plays (and the parental competition for best parts for their offspring), pets (and how they multiply), children and cars (and how long it takes for a quarrel to start), going out (and the organization required to arrange children, animals and house), and all the many facets of family life.

The Sea Rover's Practice - Benerson Little 2014-05-27

To read of sea roving's various incarnations - piracy, privateering, buccaneering, la flibuste, la course - is to bring forth romantic, and often violent, imagery. Indeed, much of this imagery has become a literary and cinematic cliché. And what an image it is! But its truth is by halves, and paradoxically it is the picaresque imagery of Pyle, Wyeth, Sabatini, and Hollywood that is often closer to the reality, while the historical details of arms, tactics, and language are often inaccurate or entirely anachronistic. Successful sea rovers were careful practitioners of a complex profession that sought wealth by stratagem and force of arms. Drawn from the European tradition, yet of various races and nationalities, they raided both ship and town throughout much of the world from roughly 1630 until 1730. Using a variety of innovative tactics and often armed with little more than musket and grenade, many of these self-described "soldiers and privateers" successfully assaulted fortifications, attacked shipping from small craft, crossed the mountains and jungles of Panama, and even circumnavigated the globe. Successful sea rovers were often supreme seamen, soldiers, and above all, tacticians. It can be argued that their influence on certain naval tactics is felt even today. *The Sea Rover's Practice* is the only book that describes in exceptional detail the tactics of sea rovers of the period - how they actually sought out and attacked vessels and towns. Accessible to both the general and the more scholarly reader, it will appeal not only to those with an interest in piracy and in maritime, naval, and military history, but also to mariners in general, tall-ship and ship-modeling enthusiasts, tacticians and military analysts, readers of historical fiction, writers, and the adventurer in all of us.

Life of Pee - Sally Magnusson 2011-12-01

A frank and humorous encyclopedic history of the forgotten life of urine and its many uses in society. Alchemists sought gold in it. David Bowie refrigerated it to ward off evil. In the trenches of Ypres soldiers used it as a gas mask, whereas modern-day terrorists add it to home-made explosives. All the Fullers, Tuckers and Walkers in the phonebook owe their names to it, and in 1969 four bags for storing it were left on the surface of the moon. Bought and sold, traded and transported, even carried to work in jugs, urine has made bread rise, beer foam and given us gunpowder, stained glass, Robin Hood's tights, and Vermeer's Girl With A Pearl Earring. And we do produce an awful lot of it. Humans alone make almost enough to replace the entire contents of Loch Lomond every year. Add the incalculable volume contributed by the rest of the animal kingdom and it might soon displace a small ocean. No wonder it gets everywhere. In *Life of Pee* Sally Magnusson unveils the secret history of civilization's most unsavory and unsung hero, and discovers how our urine footprint is just as indelible as our carbon one.

The Marrying of Chani Kaufman - Eve Harris 2014-04-01

A "stunning" portrait of life and love inside an insular Jewish community that "reads like an Orthodox *Pride and Prejudice* . . . Rewardingly delightful" (Bust). London, 2008. Nineteen-year-old Chani Kaufman is betrothed to Baruch Levy, a young man she's seen only four times before their wedding day. All the cups of cold coffee and small talk with suitors have led up to this moment. But the happiness Chani and Baruch feel is outweighed by their anxiety about the realities of married life; about whether they will be able to have fewer children than Chani's mother, who has eight daughters; and about the frightening, unspeakable secrets of the wedding night. Through the story of Chani and Baruch's unusual courtship, we meet a very different couple: Rabbi Chaim Zilberman and his wife, Rebbetzin Rivka Zilberman. As Chani and Baruch prepare to share a lifetime, Chaim and Rivka struggle to keep their marriage alive—and all four, together with the rest of the community, face difficult decisions about the place of faith and family in the contemporary world. Longlisted for the Man Booker Prize and selected as an Amazon Best Book of the Month, *The Marrying of Chani Kaufman* is a "deeply melodic and exciting" story that "will resonate with readers from all

backgrounds" and "linger after the last page" (Publishers Weekly).

The Last Gift - Abdulrazak Gurnah 2011-05-03

By the winner of the 2021 Nobel Prize in Literature Abbas has never told anyone about his past; about what happened before he was a sailor on the high seas, before he met his wife Maryam outside a Boots in Exeter, before they settled into a quiet life in Norwich with their children, Jamal and Hanna. Now, at the age of sixty-three, he suffers a collapse that renders him bedbound and unable to speak about things he thought he would one day have to. Jamal and Hanna have grown up and gone out into the world. They were both born in England but cannot shake a sense of apartness. Hanna calls herself Anna now, and has just moved to a new city to be near her boyfriend. She feels the relationship is headed somewhere serious, but the words have not yet been spoken out loud. Jamal, the listener of the family, moves into a student house and is captivated by a young woman with dark-blue eyes and her own, complex story to tell. Abbas's illness forces both children home, to the dark silences of their father and the fretful capability of their mother Maryam, who began life as a foundling and has never thought to find herself, until now.

_____ 'Gurnah is a master storyteller' FINANCIAL TIMES 'Gurnah writes with wonderful insight about family relationships and he folds in the layers of history with elegance and warmth' THE TIMES

The Summer of Impossible Things - Rowan Coleman 2017-06-29

If you could change the past, would you? *As seen on ITV in The Zoe Ball Book Club* 'Beautiful, well-written...I got goosebumps' Alex Jones 'Portrayed 1977 so brilliantly...it would make an amazing movie' Zoe Ball ----- How far would you go to save the person you love? Luna is about to do everything she can to save her mother's life. Even if it means sacrificing her own. A beautiful novel about family, courage, sacrifice and love in all its guises from the Sunday Times bestselling author of *The Memory Book* ----- With over 150 5* reviews, this is what readers are saying about this irresistible page-turner: 'Best book of the year for me' 'It's a poignant but ultimately life-affirming journey' 'A wonderful novel, full of love and friendship and vitality' 'This story was magical and I loved it' 'Truly outstanding storytelling' 'A book that really stayed with me'

The Sealwoman's Gift [EXPORT/IRELAND/AIRSIDE] - Sally Magnusson 2018-02-08

Glorious Things - Sally Magnusson 2004-06-15

It is possible to find hymns in which the most profound emotions are expressed. They are also essential to the literary history of the English speaking people. References to hymns are constant and quotations from hymns in modern English usage are frequent. The ever popular presenter of *Songs of Praise* has now made her own selection of hymns in this charming and beautifully illustrated anthology. The selection is very personal as the author explains how each hymn has had a particular message or significance for her at key moments in her own life—sometimes these are moments of joy and happiness and sometimes at times of tragedy and sadness. Sally Magnusson also explains why she dislikes many hymns and why they are not included. Who is these days of political correctness for example can sing lustily words like 'The rich man in his castle, the poor man at his gate'. More pertinent to our day and age are hymns with phrases such as 'Change and decay in all around I see' and the celebrated hymn by Martin Luther which runs 'A Firm Stronghold is our God'. In a reference to a number of hymns which do not appeal to her Sally Magnusson writes: 'I can only take so much blood-stained imagery before lunch'. At all times, Sally Magnusson writes with great charm - a charm which those who watch *Songs of Praise* will recognise as being entirely her own. This is a perfect gift book.

The Travels of Reverend Ólafur Egilsson - Ólafur Egilsson 2018-03-11

A seventeenth-century minister tells his story of abduction by pirates, and a solo journey from Algiers to Copenhagen, in this remarkable historical text. In summer 1627, Barbary corsairs raided Iceland, killing dozens and abducting almost four hundred people to sell into slavery in Algiers. Among those taken was Lutheran minister Ólafur Egilsson. Reverend Ólafur—born in the same year as William Shakespeare and Galileo Galilei—wrote *The Travels* to chronicle his experiences both as a captive and as a traveler across Europe as he journeyed alone from Algiers to Copenhagen in an attempt to raise funds to ransom the Icelandic captives that remained behind. He was a keen observer, and the narrative is filled with a wealth of detail—social, political, economic, religious—about both the Maghreb and Europe. It is also a moving story on the human level: We witness a man enduring great personal tragedy

and struggling to reconcile such calamity with his understanding of God. The Travels is the first-ever English translation of the Icelandic text. Until now, the corsair raid on Iceland has remained largely unknown in the English-speaking world. To give a clearer sense of the extraordinary events connected with that raid, this edition of The Travels includes not only Reverend Olafur's first-person narrative but also a collection of

contemporary letters describing both the events of the raid itself and the conditions under which the enslaved Icelanders lived. Also included are appendices containing background information on the cities of Algiers and Salé in the seventeenth century, on Iceland in the seventeenth century, on the manuscripts accessed for the translation, and on the book's early modern European context.
