What We're Told Not to Talk About (But We're Going to Anyway) - Nimko Ali 2019-06-27

14 COUNTRIES, 42 WOMEN - FROM PERIODS TO ORGASMS TO FGM. THERE IS NO SUCH THING AS OVERSHARING. 'Nimko's book is going to shift the conversation around women's bodies. Our bodies, and everything they do, make us who we are' - Amika George, founder of Free Periods Campaign _____ What do you do when you're homeless and on your period? What does it feel like to have a poo following childbirth? How do we learn to love our bodies again after they've been abused? It's rude. It's improper. It's disgusting. All justifications that leave women's questions about their bodies unanswered. And activist Nimko Ali has had enough of it. Following her own experience of FGM and rebuilding her relationship with her body, this important book contains the true stories of women sharing what they've always been told is secret and shameful - from east London to Ethiopia, from pregnancy to menopause. This is a call to arms. This is a cry to reclaim the narrative around our fannies and to refuse the taboos that silent us. _____ 'A beautiful book with such a wide range of uplifting but often heart-breaking stories. Made us cry and think in equal measure' - Pandora Sykes, co-host of The High Low 'Nimko has blown apart all taboos, blown apart the echo chamber and included all women in the feminist conversation.' - Scarlett Curtis, author of Feminists Don't Wear Pink 'There is no subject too taboo for her to tackle. We should all be talking about our vaginas and she is leading the way' - Bryony Gordon, author of Mad Girl 'Nimko Ali is heroine for our time, she destroys the notion of things being too rude to discuss' - Caitlin Moran, author of How to Be a Woman

Tapping the Little Girl in Your Woman - Ryan Hale 2016-10-26

Something has to be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you

happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no apologies for it. I am who God made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship (and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a new era in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be accepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well. Let's begin. Grab Your Copy Now **Mad About You** - Sinead Moriarty 2013-08-27

'The inevitable comparisons with Marian Keyes are justified and well deserved - Moriarty's characters are likeable, well developed and funny ***' Heat Sinéad Moriarty's riveting new novel, Mad About You, will make every reader stop and think about the importance of trust in relationships - how fragile it can be, how easily damaged, how hard to repair. Sinéad combines the storytelling genius of Jodi Picoult, and the compassion and humour of Marian Keyes, in a gripping story of contemporary marriage. Emma and James Hamilton have weathered lots of storms in their ten-year marriage. From the heartbreak of infertility, to the craziness of then becoming parents to two babies in one year, to coping with James losing his job, somehow they have always worked as a team. However, the pressure of moving from Dublin to London for James's new job - away from familiar surroundings and the family Emma loves - puts them under stress like never before. So when James starts getting texts from a stranger - texts that show startling insights into their lives - Emma is not sure what to think. She is far from home, isolated and before long finds herself questioning everything about their relationship. Maybe those texts are telling her the truth and the life she believed to be solid and secure is just a mirage. Somehow she has to get a grip, but how can she do that when a stranger is set on driving Emma out of her home and her marriage? 'One of the brightest voices in modern women's fiction' Bella Sinéad Moriarty lives with her family in Dublin. Her previous titles are: The Baby Trail; A Perfect Match; From Here to Maternity; In My Sister's Shoes; Keeping It In the Family (also titled Whose Life is it Anyway?); Pieces of My Heart, Me and My Sisters and This Child of Mine.

Good and Mad - Rebecca Traister 2019-09-03

Journalist Rebecca Traister's New York Times bestselling exploration of the transformative power of female anger and its ability to transcend into a political movement is "a hopeful, maddening compendium of righteous feminine anger, and the good it can do when wielded efficiently—and collectively" (Vanity Fair). Long before Pantsuit Nation, before the Women's March, and before the #MeToo movement, women's anger was not only politically catalytic—but politically problematic. The story of female fury and its cultural significance demonstrates its crucial role in women's slow rise to political power in America, as well as the ways that anger is received when it comes from women as opposed to when it comes from men. "Urgent, enlightened...realistic and compelling...Traister eloquently highlights the challenge of blaming not just forces and systems, but individuals" (The Washington Post). In Good

and Mad, Traister tracks the history of female anger as political fuel—from suffragettes marching on the White House to office workers vacating their buildings after Clarence Thomas was confirmed to the Supreme Court. Traister explores women's anger at both men and other women; anger between ideological allies and foes; the varied ways anger is received based on who's expressing it; and the way women's collective fury has become transformative political fuel. She deconstructs society's (and the media's) condemnation of female emotion (especially rage) and the impact of their resulting repercussions. Highlighting a double standard perpetuated against women by all sexes, and its disastrous, stultifying effect, *Good and Mad* is "perfectly timed and inspiring" (People, Book of the Week). This "admirably rousing narrative" (The Atlantic) offers a glimpse into the galvanizing force of women's collective anger, which, when harnessed, can change history.

Why Did You Give up the Koochie and Now You Mad - Shadoew Rose Terrell 2012-11-29

In a fresh and compelling way, *Why Did You Give Up The Koochie And Now You Mad* will educate men and women in understanding God's idea about woman, wife, and marriage. God built woman as a spectacular and wondrous masterpiece. She is indeed astonishing, a fabulous gift to humanity. Nevertheless, many women do not understand God's mind toward her. Many women are not acquainted with God's idea about her care; treatment; due respect; or the measure of love God decreed she receive. Society has taught women many disciplines. Many of which she ought to have never accepted. Understanding God's idea will empower women to see God's mind regarding His idea of her, and for her. In *Why Did You Give Up The Koochie And Now You Mad* women will discover God's reason for her creation; God's idea of her care and treatment; and God's intentions of man's expression of love that she deserves. *Why Did You Give Up The Koochie And Now You Mad* will teach both men and women about what the words man and husband actually means. They will also find the Scriptural definition of wife, also known as a good thing. Both will grasp God's idea of the Scriptural meaning of submission. Men and women, husbands and wives will come to know, and understand what each is to yield to the other, and what neither should be willing to submit.

The Wild Ranting of a Mad Woman - Rose Bush 2010-09-01

On waking, do you arise in the awareness that in this moment you have the unlimited potential to be the hero of your own life journey? Or do you remain locked into a reality that is programmed into you on a daily basis, and is not of your own creation? 'Reality' can weigh you down with labels, until you are so restricted that you believe there is no choice but to keep on doing the 'same old, same old' just to make it through each day. In her first book, Rose Bush examines this reality called life through labels and

belief systems. It is a book that pulls no punches, and leaves readers questioning their own perceptions. The book concludes by offering 'keys' to unlock the doors of self-imprisonment into the freedom of informed choice. *The Wild Ranting of a Mad Woman* is all about women's empowerment. Reading the book will awaken your own internal Fairy Godmother - who can make your wishes come true - but only if you know how to speak to her correctly! Rose Bush is living a blissful existence in Coventry, UK. Publisher's Web site: <http://www.strategicpublishinggroup.com/title/TheWildRantingOfAMadWoman.html>

Are You MAD at Me? - Shirley Tullio 2020-06-19

"Are You MAD at Me?" Don't you just hate when someone asks you that question? I know I do! Having Friends can be one of life's most rewarding and fulfilling experiences. However, getting along with our GirlFriends can also be very challenging at times, to say the least. Whether playing the Games of Jealousy, Gossip, or Control, Jesus has called us to be the Peacemakers, not the Troublemakers. There IS a way to stop all this madness, and truly enjoy the blessings of GirlFriends, IF we choose to interact with each other.....God's way. This book will help you: * Identify the Different Types of GirlFriends. * Learn How to Deal with Rejection, Competition, and Expectations. * Acknowledge, and Be Honest concerning the Elephants in the Room. * Experience and Extend God's Love and Forgiveness to Your GirlFriends and Yourself. With personal stories, a bit of humor, and practical application from God's Word, Shirley will walk you through each chapter, leading you to answer the essential question of: "So, What's a Girl to DO?" Now, if you are a Girl of any age, a teenager, an in-between-ager, to a golden-ager, then this book is designed especially for YOU! If you want to have even more fun while reading it, invite a group of your GirlFriends to take this journey along with you. However, make your choices wisely!

Things My Girlfriend and I Have Argued About - Mil Millington 2011-10-06

The bestselling cult comedy from Mil Millington 'Insightful and wickedly funny' Heat Pel Dalton leads an uneventful life. His days are spent bluffing his way through an IT job in the university library, pillow-fighting with his two sons, surviving family outings to the supermarket, and finding new things to argue about with Ursula, his German girlfriend. But things are about to change... In this funny tale of love, fatherhood and Anglo-German relations Pel discovers that sometimes the things that drive you crazy can be the only things that can keep you sane.

Daring to Love - Tamsen Firestone 2018-05-01

When it comes to finding love, are you standing in your own way? *Daring to Love* will help you identify the internal barriers that cause you to sabotage your love life, open yourself up to vulnerability, and build the intimate, lasting relationship you truly desire. After a breakup, most of us spend a lot of time thinking long and hard about what the other person did to cause it, rather than reflecting on ourselves. It seems self-evident that we want our romantic relationships to work, and that love and long-term commitment are our ultimate goals. But what if our desire for love is actually not as straightforward as our emotions make us believe? What if, instead of pursuing love, we are unconsciously pushing it away? In *Daring to Love*, Tamsen and Robert W. Firestone offer techniques based in Robert Firestone's groundbreaking voice therapy—the process of giving spoken word to unhealthy patterns—to help you understand how you are getting in your own way on the quest for true love. Love, the Firestones argue, makes us vulnerable and triggers old defenses we formed in childhood, causing us to sabotage our relationships in myriad subtle—and not-so-subtle—ways. Using the voice therapy strategies in this book, you will be able to identify your own defensive patterns and uncover the destructive messages your critical inner voice is telling you about yourself, your partners, and your relationships. If you're struggling to cultivate lasting relationships, this book can help you embark on your next romantic journey with more openness and self-knowledge.

God Is Not Mad at You - Joyce Meyer 2013-09-03

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In *GOD IS NOT MAD AT YOU*, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: * Perfectionism and Approval * The Pain of Rejection * Guilt and Shame * Developing Your Potential * Run to God, Not from Him * Getting Comfortable with God "It

is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

They Said I Was Mad!: Think Differently To Succeed - Donna Neseiyif 2019-09-12

Are you fed up of living for everyone else? Want to live life on your terms? Not sure how you can balance a career, happy family life, travel the world and make a positive difference? They Said I Was Mad! is a walk through what should have been an average life, but wasn't... As a young woman, Donna Neseiyif decided to step away from the norm and what was expected. Now a professional development coach and entrepreneur, Donna believes everyone has the resources within to achieve their dreams and her inspirational story will teach you: - The importance of building resilience. - What happens when you push outside your comfort zone. - How to live a life that resonates with your values. - How other people influence you and are critical to your success. - The key steps to bringing about change and achieving self-fulfillment and happiness. They Said I Was Mad! follows the tremendous highs as well as deep lows of Donna's life from a challenging childhood to a successful corporate career, moving to a dusty African village, having a family and travelling the world. She thought she had it all, until one day, she hit rock bottom and faced a mental health challenge but ultimately this led to achieving success beyond her wildest dreams. In the book, you'll discover how an ordinary person can, by thinking differently, push away from the expectations of others and, with a bit of hard work and a lot of clear focus, achieve extraordinary results. Throughout the story, you'll find key learnings and steps to follow, but the message is that you always have a choice. We can settle for the life we have or do something different and make a change. You too can release yourself from the pressures of everyday life and take back control. Many people meander through life without a plan, or they have a goal to do something different, without the guts to take action. I've known Donna for many years and in They Said I Was Mad!, she shares her personal story, illustrating dozens of experiences that many would never dare to embrace. The decisions she took have helped her to become the woman she is today and have had a positive impact on her family and thousands of others on her journey. If you're in a place where you need to do something different and you know that now's the time to do it, Donna will inspire you. Karen Williams Bestselling author of five business books and book mentor We all have ups and downs in life. Donna shows the importance of being truly responsible for oneself. To look within. Through sharing her own story, she makes you sit up and take stock of your own. They Said I Was Mad! will take you on a journey and make your mind wander -checking in with your values, beliefs and how satisfied you are right now in your life. It will make you dig deep into your conscience, and ask questions that need to be asked so you can find true happiness and success in life on your terms. What are the positive influences in your life? Who are the people that bring out the best in you? This book shows you how to truly let go of everyone else's expectations and really shows you how to tune in with your own wants in life, regardless of the expectation's others put on you. Donna's story pushes you to strive to become the very best version of yourself. YOU. Not what you think others think you should be. Not living by anyone else's code. This book gives you the courage and belief to explore your own code in life and gets you on a path to making that happen. Claire Biglands Director We Parent

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I

say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Loving People Who Are Hard to Love - Joyce Meyer 2022-09-15

How do you love the people in your life who are hard to love? We're never going to be able to prevent people from saying or doing things that hurt our feelings. We will always have opportunities to get offended. But if we do things God's way, we can choose to save ourselves a lot of misery and hardship. This doesn't mean we allow people to abuse us. No, there is a time for confronting people and dealing with situations. However, the Bible commands us to love our enemies and forgive those who have wronged us, even when it feels impossible. Everything the Lord asks us to do in the Bible is ultimately for our good. In fact, when we choose to love our enemies and forgive those who have hurt us, we are actually helping ourselves more than anyone else. Because whatever the Lord commands us to do, He is going to give us the power of the Holy Spirit to accomplish it - and that includes loving and being good to difficult people! God's love flowing through us is strong enough to melt even the hardest hearts, so use kindness as a weapon to overcome the meanness in people.
