Cues - Vanessa Van Edwards 2022-03-03

It's not enough to have great ideas. You also need to know how to communicate them. What makes someone charismatic? Why do some people captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? *Cues* - the tiny signals we send to others 24/7 through our body language, facial expressions, word choices and vocal inflection - have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likability and charisma in every interaction. You'll learn: - Which vocal cues make you sound more confident - Which body language cues assert, 'I'm a leader, and here's why you should join me' - Which verbal cues to use in pitches, branding and emails to increase trust (and generate excitement about interacting with you) - Which visual cues you are sending in your profile pictures, clothing and professional brand Whether you're pitching an investment, negotiating a job offer or having a tough conversation with a colleague, *Cues* can help you improve your relationships, express empathy and create meaningful connections with lasting impact. 'A must-have guide to becoming an unstoppable force' - Mel Robbins 'Packed with invaluable strategies for maximizing your message, Van Edward's energy will inspire you to become the best possible version of yourself' - Nir Eyal

Friendzoned Soprano - Irene Vartanoff 2018-01-29

"I have a girlfriend," he said. "Several, in fact." He didn't pretend to misunderstand what I'd asked. "What I need is a friend. Will you be my friend, Abbie?" My heart sank. The friendzone speech. I withdrew my hand. I should have known better. Sean might have some genuine interest in friendship, or he might be the kind of guy who denies he could ever be hot for a curvy girl. I'd met both kinds. I'd seduced my share, too, but today I didn't have the heart for the struggle. I didn't want to start myself down the same old path of wanting more than a man wanted to give me. Plus-sized soprano Abbie Fisher has a great opera career and a lousy love life. Dieting down a hundred pounds hasn't changed her luck with men. Sexy baritone Sean Grant friendzones her—dashing her hopes for a romance—as they intimately rehearse the opera *Tosca* in Baltimore. Lots of touching to raise her temperature, and yet she's supposed to keep her hands off. But then Sean snatches kisses and flirts with her, anyway. Is he pursuing a romance with her after all? What does he want from her? Confused and angered by Sean's sexy overtures, Abbie consults her trusted Tarot cards before taking a bold step that could resolve her romantic dilemma—or break her heart. This novel is a standalone story and also Book 2 in the *Singers in Love* series about love, opera, and (maybe) the supernatural. A sweet contemporary romance with a hint of steam, much talk of food and dieting, and an upbeat happy ending. Enter the world of opera through the eyes of a woman in love.

Supporting his efforts to woo someone so completely wrong for him? Not so much. Fynn knows that grad night is his last shot before leaving for college to find true love. But over the course of the coolest party of their high school careers, he starts to see that perhaps what he really wants has been in front of him all along.

Friend Zoned - Jennifer Sucevic 2021-04-07

From USA Today bestselling author Jennifer Sucevic comes a sexy, new adult sports romance. Sam Harper, left tackle for the Barnett Bulldogs, is my best friend and has been since we were fourteen years old.

Unfortunately, he sees himself as my unofficial big brother. Which is to say that the guy is a major cock block. I swear he has a sixth sense when it comes to me getting laid. It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere, and suddenly my night is going up in a big ball of sexually frustrated flames. I think the guy enjoys messing with me. Why else would he take such perverse pleasure in doing it? Exactly. I'm thinking he needs a girlfriend. Someone to preoccupy him. Maybe then he'd stop trying to get in my way all the time. Except...I'm starting to notice things about Sam that I definitely shouldn't be noticing. Like those piercing blue eyes that pin me in place. Or his short blond hair that I want to drag my fingers through. Not to mention those killer abs that I sometimes catch a fleeting glimpse of when he stretches next to me in class. The strange feelings that have sprung up in me are definitely starting to freak me out. I mean, we're friends. We've always been just friends. And I don't want that to change. I don't want to take a chance and lose Sam. Next to my grandparents, he's all I have. What I need is for our relationship to slide back to the way it's always been. We have eight solid years of friendship behind us. That's not something I'm willing to throw away on a bit of sexual attraction that will eventually fizzle out. No matter how tempted I might be. --- "I absolutely loved this book! I rarely give a book five stars but this one turned out to be one of my favorites!" -Carla, GoodReads "Sam was definitely the hero of this book and is now one of my book boyfriends" - Nicole, GoodReads "Sam and Violet's friendship was rock solid and the way it turned into romantic feelings was so natural. There was no forcing anything" -Bree, GoodReads "Oh my lord I LOVED this book, as you can tell by me devouring it in a matter of hours" -Rachel, GoodReads "This story makes me wish I had a hot friend secretly lusting over me!" -Susi, GoodReads Read the entire Barnett Bulldogs Series King of Campus Friend Zones One Night Stand If You Were Mine Topics- new adult novel, new adult romance, sports romance, contemporary romance, friends to lovers, best friends, football romance, Barnett Bulldogs Series, good girl, playboy, humor, girl next door, forced proximity, sexy.
