The Family I Lost - Ali Mercer 2022-05-10

There are two little girls in the photo. I instantly recognise myself as the small, dark-haired child

in the purple dress. But who is the girl with the long blonde hair laughing at the camera? And why is the photograph here, in a stranger's house? When I find the tattered picture hidden away at the back of a dusty cupboard in Amy's house my mouth goes dry with shock. Though I haven't known Amy for very long, I love looking after her young children, in her picture-perfect hilltop house with its sprawling wildflower garden and bright, airy kitchen. After feeling lost for months, reeling from the accident that tore everything apart, I hoped this was my chance to turn my life around. But I can't shake the feeling that I've been here before. I know this house somehow, the curve of the staircase and the view from the attic window are so familiar. I can feel it in my bones. What isn't she telling me? I can't help noticing things that don't add up: Amy's guarded behaviour when I ask questions about her past, the whispered stories I overhear in the village and the locked room downstairs I'm not allowed to enter. My mother always told me we didn't have any family, that it was just the two of us against the world. I've always been sure she was hiding something. Maybe this house will give me the answers I've been searching for... But am I ready to unlock the secrets of my past? Or should I have stayed well away? A gripping and emotional novel about a dark family secret and the complicated relationships between mothers and daughters. They stole into my heart, their story is one I will long remember and *Me Without You* is an unforgettable tale that I couldn't recommend more.' 5/5 GirlsLovetoRead.com 'I fell in love with this amazing book after the first sentence and would read it all over again. A wonderful mixture of emotions, real love, secrets, laughter and sadness.' Sky's Book Corner 'Me Without You is the beautiful, moving story of Callum and Lilah and they turned me into a complete

emotional wreck. I loved the banter and the chemistry between them both right from the first, brilliant chapter and then as the book went on, it warmed and broke my heart all at the same time... It's an incredible novel. Reviewed the Book 'It's been a while since I've read a book that made me 'ugly cry.' You know what I mean... big, fat tears rolling down your cheeks leaving you with eyes so puffy you look like you've had an allergic reaction. Think Claire Danes in... well... pretty much any role she's ever been in. Kelly Rimmer's *Me Without You* certainly broke that dry spell... Told in alternating points of view from Lilah and Callum, *Me Without You* is a heartbreaker of a book that has great characters and a gut-wrenching ending that left me feeling a weird mix of bereft and yet hopeful.' 4/5 JudgingCovers.co.uk 'There's not much I can say without giving the story away, other than how much I adore Callum and Lilah. Their love story is so genuine and heartfelt... This book is beautifully written, and I found myself highlighting like crazy throughout. I highly recommend this book, but I must warn you, it's one that will make you cry.' 4.5/5 Mrs Leif's Blog
