Loyal to a Fault Courtney J. Burg 2023-12-12 Do you find yourself living as the people pleaser or peacekeeper? Do you avoid conflict? Learn how to overcome your fears about setting boundaries and step into a life that's overflowing with love, respect, and healthy relationships. We are people who love patterns, even if returning to these patterns continues to hurt us or those we love. Some of the most harmful patterns of behavior are passed down through generations and inherited, often without our permission or awareness. The conflict arises when these behaviors are so deeply woven into early family systems that they later become part of our identities, clashing with who God has created and called us to be. As a child, Courtney Burg quickly learned that remaining loyal to others meant keeping secrets, even if these secrets were keeping those she cared for most sick. Her efforts to sustain the peace followed her into adulthood and slowly left her depleted, discouraged, and drowning in the chaos—until Courtney discovered that not only did God grant her permission to engage in relationships differently, but that he gave her specific instruction on how to do so. In *Loyal to a Fault*, Courtney Burg unpacks the various ways we cope with, enable, and participate in unhealthy relationships or generational trauma. Using personal examples and providing practical wisdom, Courtney helps you break free from codependent patterns by: Identifying the role you are

playing in keeping the dysfunctional patterns going. Reframing what it means to love and remain loyal to those who matter most. Reminding you that boundary work is a biblical practice. Including end-of-chapter prompts for deeper introspection. It is possible to learn how to love others well without losing yourself along the way. People pleasing, complaining, and exhaustion may be today's norm, but at any moment you can choose to do things differently. Begin setting boundaries and start enjoying relationships in all the ways God designed you to.
