

When Females Get Their Nails Done

The WAH Nails Book of Downtown Girls - Sharmadean Reid 2013-09-10

Even more nail art, make-up tips and fashion advice from WAH's Sharmadean Reid. Back by popular demand, Sharmadean Reid, founder of London's hip WAH Nails salon in Dalston, introduces readers to even more nail art. This time she will feature 'five under f

Producing Women - Michele White 2015-03-02

Producing Women examines the ways femininity is produced through new media. Michele White considers how women are constructed, produce themselves as subjects, form vital production cultures on sites like Etsy, and deploy technological processes to reshape their identities and digital characteristics. She studies the means through which women market traditional female roles, are viewed, and produce and restructure their gendered, raced, eroticized, and sexual identities. Incorporating a range of examples across numerous forms of media—including trash the dress wedding photography, Internet how-to instructions about zombie walk brides, nail polish blogging, DIY crafting, and reborn doll production—Producing Women elucidates women's production cultures online, and the ways that individuals can critically study and engage with these practices.

[2 BOOKS IN 1] - Guide To Everyday Makeup - Female Beauty Secrets - Always Perfect Nails - Nail Art Decorations And Gel Reconstruction - Female Beauty - World 2021-06-15

Painting nails is a real art! This funny gift goes perfectly with perfect long nails in every color. Great cosmetologist gift for your favorite nail technician or MUA and all girls who care about their nails. Would also be a great manicure salon uniform

Live Like Your Nail Color Even If You Have Naked Nails - Mary Foley 2010

Between the real-life nail color stories, light-hearted explanations, and smile-worthy illustrations, readers won't be able to wait to whip out their nail supplies or stop by a salon to live like their nail color.

Parliamentary Papers - Great Britain. Parliament. House of Commons 1894

Imaginative Ecologies - 2021-12-13

This book explores how "imaginative ecologies,"

expressed in visual cultures and literature, promote environmental awareness through the exercise of the imagination. It proves that literary and artistic creations can foster empathy, inspiring the change needed for a more sustainable world.

To Have, to Hold, and to Never Let Go -

Cattina C. Coleman 2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

Acrylic Nails - Hope Oboyski 2021-04-29

Love having acrylic nails and want to try your hand at doing them yourself? While it might look simple when you're watching a trained nail technician, it will take time and patience to learn how to apply acrylic nails yourself at home. However, it can be achieved with some practice! To help you get started, here at this book, we've created a step-by-step guide and many information with all the products and information you'll need.

Winning Women's Hearts and Minds - Diana Cucuz 2023-01-31

Throughout the Cold War, Soviet citizens had limited access to US life and culture. *Amerika*, a glossy Russian-language magazine similar to *Life*, provided a rare exception. Produced by the

United States Information Agency (USIA), America's first peacetime propaganda organization, *Amerika* was used to influence the Soviet public and convince women in particular that an American-style consumer culture and conservative gender norms could better their lives. *Winning Women's Hearts and Minds* relies on USIA archives, issues of *Amerika*, and American women's magazines such as the *Ladies' Home Journal* to show how, during the postwar period, USIA officials deployed idealized images of American women as happy, fulfilled, and feminine wives, mothers, and homemakers. This study analyses how *Amerika* was used to appeal to Soviet women. Portrayed in the US media as "babushkas," they were considered unfeminine, overworked, and deprived of consumer goods and services by a repressive regime. Diana Cucuz provides a gendered analysis of the USIA and of *Amerika*, whose propaganda campaign relied heavily on postwar conservative gender norms and images of domestic contentment to convey positive messages about the American way of life in the hopes of undermining the Soviet regime. *Winning Women's Hearts and Minds* sheds light on the significance of women, gender, and consumption to international politics during the Cold War.

Essential Nails: How to Create Great Nails -

The Managed Hand - Miliann Kang 2010-06-02

Two women, virtual strangers, sit hand-in-hand across a narrow table, both intent on the same thing-achieving the perfect manicure. Encounters like this occur thousands of times across the United States in nail salons increasingly owned and operated by Asian immigrants. This study looks closely for the first time at these intimate encounters, focusing on New York City, where such nail salons have become ubiquitous. Drawing from rich and compelling interviews, Miliann Kang takes us inside the nail industry, asking such questions as: Why have nail salons become so popular? Why do so many Asian women, and Korean women in particular, provide these services? Kang discovers multiple motivations for the manicure-from the pampering of white middle class women to the artistic self-expression of working class African American women to the

mass consumption of body-related services. Contrary to notions of beauty service establishments as spaces for building community among women, The Managed Hand finds that while tentative and fragile solidarities can emerge across the manicure table, they generally give way to even more powerful divisions of race, class, and immigration.

The Australian Woman's Magazine and Domestic Journal - 1882

Includes book reviews.

Sunshine Nails - Mai Nguyen 2023-07-04

A Real Simple Must-Read Book of Summer 2023

"Mai Nguyen has proven herself to be a real standout." —Taylor Jenkins Reid, New York Times bestselling author A tender, humorous, and page-turning debut about a Vietnamese Canadian family in Toronto who will do whatever it takes to protect their no-frills nail salon after a new high end salon opens up—even if it tears the family apart. Perfect for readers of Olga Dies Dreaming and The Fortunes of Jaded Women. Vietnamese refugees Debbie and Phil Tran have built a comfortable life for themselves in Toronto with their family nail salon. But when an ultra-glam chain salon opens across the street, their world is rocked. Complicating matters further, their landlord has jacked up the rent and it seems only a matter of time before they lose their business and everything they've built. They enlist the help of their daughter, Jessica, who has just returned home after a messy breakup and a messier firing. Together with their son, Dustin, and niece, Thuy, they devise some good old-fashioned sabotage. Relationships are put to the test as the line between right and wrong gets blurred. Debbie and Phil must choose: do they keep their family intact or fight for their salon? Sunshine Nails is a light-hearted, urgent fable of gentrification with a cast of memorable and complex characters who showcase the diversity of immigrant experiences and community resilience.

How to Beat A Woman at Her Own Games - Ralph Hemphill 2020-09-01

In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game

playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

Becoming Myself - Willa Shalit 2007-04-17

"The women in this collection were asked, simply, to recall a significant memory of growing up female. They responded generously, with intimate stories of their lives. Instead of the superficial prepackaged blurbs of TV sound bites and press releases, they told stories from their hearts; they told secrets never spoken before. They revealed themselves through stories of personal confusion and discovery, pain and overcoming, rejection and celebration." --From Willa Shalit's Introduction The stories shared by these sixty-seven remarkable women -- writers, actors, musicians, journalists, activists -- include: --Kate Winslet on the media's eagerness to distort women's images. --Zane on her belief in a woman's right to satisfaction. --Lillian Vernon on being a trailblazing entrepreneur. --J.K. Rowling on the transformation wrought by giving birth. Filled with sparkling insights and powerful reflections, Becoming Myself is a gift for every woman.

It's Better to Laugh-- - Kathy Levine 1996

She's the undisputed queen of televised shopping. Now everyone's favorite TV girlfriend tells the story of her life in an engaging and candid autobiography that holds nothing back. Here's Kathy as her fans have always wanted to know her. Find out all about QVC--on and off camera, the celebrities she's met and what

they're really like, Kathy's romantic ups and downs, and much more.

Happiness Is Having Your Nails Done - Nail Tech Publishing 2019-09-28

Painting nails is a real art! This funny gift goes perfectly with perfect long nails in every color. Great cosmetologist gift for your favorite nail technician or MUA and all girls who care about their nails. Would also be a great manicure salon uniform

Women in Policing - Hannah Reiter 2022-01-26

Basierend auf umfangreichen Interviewdaten wird begründet, dass die Polizei der untersuchten Länder (Österreich, England & Wales) aus stark verfestigten Strukturen besteht, die geschlechtsspezifische Trennlinien und die hegemoniale Position der Männlichkeit perpetuieren. Um einen umfassend inklusiven Arbeitsort zu schaffen, muss die Polizei anders gedacht werden, anstelle einer simplen Erhöhung des Frauenanteils in einem männlich-konzipierten Arbeitsumfeld. Gleichstellungsmaßnahmen erweisen sich

lediglich als Symptombekämpfung, anstatt Ursachen zu adressieren. Der von rechtlichen Maßnahmen bestärkte strukturelle Wandel scheint zu stagnieren, während ein weitergehender diskursiver sowie kultureller Wandel vernachlässigt wird.

Affective Nationalism - Elisabeth Militz 2018-10

This book develops the concept of affective nationalism - the banal affirmation of the national emerging in moments of encounter between different bodies and objects. Based on eight months of ethnographic field work, conducted between 2012 and 2014 in Azerbaijan, the book examines the ways in which moments of bodily encounter perpetuate banal enactments and experiences of national belonging and alienation. The book advances scholarship on nationalism and affect by suggesting to study nationalisms not as given, but as potential and emergent experiences of differently positioned bodies in a world divided into nations.
