Mama Gena's School of Womanly Arts - Regena Thomashauer 2002-05-01
Mama Gena's School of Womanly Arts shows women how celebrating their sensuality can help them achieve their dreams—"think of it as The Power of Positive Thinking as interpreted by Anais Nin" (The New York Times). Relationship expert Regena Thomashauer teaches the lost "womanly arts" of identifying your desires, having fun no matter where you are, knowing sensual pleasure, befriending your inner bitch, flirting (in a way that makes your day, not just his), and more—because making pleasure your priority can actually help you reach your goals. So if you need a refresher course in fun—and you know you do—come to

Mama.

Finding the Jewish

Shakespeare - Beth Kaplan
2007-04-02

Born of an Anglican mother and a Jewish father who disdained religion, Kaplan knew little of her Judaic roots and less about her famed great-grandfather until

beginning her research, more than twenty years ago. Shedding new light on Gordin and his world, Kaplan describes the commune he founded and led in Russia, his meteoric rise among Jewish New York's literati, the birth of such masterworks as Mirele Efros and The Jewish King Lear, and his seething feud with Abraham Cahan, powerful editor of the Daily Forward. Writing in a graceful and engaging style, she recaptures the Golden Age and colorful actors of Yiddish Theater from 1891-1910. Most significantly she discovers the emotional truth about the man himself, a tireless reformer who left a vital legacy to the theater and Jewish life worldwide.

The Guyde - Howie Reith

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises

and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and

awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well

as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Men Don't Love Women Like You! - G. L. Lambert

2015-12-04

Most men don't want you, they want to f**k you, know the difference. Most men don't love you, they love what you do for them, know the difference.

Men Don't Love Women Like You! is a Step-By-Step manual on how to stop manipulation, command attention, and be seen as a must have by any man! ***** You are the type of woman that men grow bored with and replace. Your beauty, your brains, your perceived uniqueness is hype. In your bias world, a man would be lucky to have a

woman like you because you aren't like every other female. The brutal truth that we men refuse to tell you, is that you are painfully typical. You flirt like every other woman. You hold the same conversations as every other woman. You read the same typical relationship advice and try the same tricks as every other woman. All because you are obsessed with being loved like every other woman. Men play along but they don't play for long. You are the woman we date and then dump. Sleep with then forget. Get into a relationship with, then eventually grow bored of. You will never work out because you don't stand out! The men you want the most, want you the least because you are just as ordinary as the women you claim to be better than. No man is hard to figure out. No man is emotionally unavailable. No man is unready to settle down. When a man tells you he's not looking for anything serious, he means "with you!" There are two types of women

strange ideas about the change is happening in man's perspective about life ... the next second he comes to this age. In fact ... the truth is that only 2 versions worth to be mentioned ... and i saw that at all my friends that had this age. One theory was that we start to have all types of medical problems ... and the other one was that the man starts to be obsessed by love ... love stories ... and all the women from the timeline of his life. I never had medical problems in my life ... so i totally ignored the first theory ...and on another hand, working in sales for more than 20 years ... i met thousands of ladies ... but never had the intention to cheat my wife. So ... i totally ignored both theories, but just few days before becoming 40 ... a very beautiful lady ... appeared in my life. She was the most unexpected person i could dream that i would start a love story with ... but ... it happened. The theory was right ... or at least one of it. I fell in love ... with that amazing soul ... and i started to write all

my feelings and everything related to us. I wrote so much ... that one day i realized that i published 10 books carrying the word ... love ... inside of the title. But ... same as any other story from the history of the human being ... my love story had a beginning, the story itself ... and the end. Today ... looking back in time, i see just the 10 books i wrote ... but i would not like to read them again. Never ... In my last book about love stories ... "Loving, but not understanding where the love goes" ... the last 2 essays i wrote tell everything it was in my heart and soul ... "I miss you a lot, but i don't want you back in my life! Never again!" ... and "Awakening can be obtained at the end of the love story!". I left the love story dissatisfied of all happened ... but still ... i was chasing for love. Getting back into her arms ... was useless. I knew it ... and even if i lied myself for such a long time ... she was the same as my wife ... a shrew ... or at least this is how i saw both of them. I decided to let my life continue ... near my

family, totally forgetting the love story ... but still not ignoring my huge desire for ... love. The smaller kidtold me one day while arguing with my wife ... “ You are not allowed to leave us. You are our parents and you don’t have the right to do that.” Ignoring those words ... was equal with betrayal. A huge one. So i remained near my wife and kids ... doing my duty, understanding the dharmic side of life ... but still something was whispering me all the time ...”love, love, love, love ... love” I thought i need to find another lady ... but my wife was paying attention now to any small detail ... so i could not repeat the love story i had with that crazy lady. I was meditating a lot. On the scene of my life, i met lots of other people in the same situation as myself ... that ended the love story and somehow started to be in a relationship with themselves. They discovered a new path the one of self love. But i did not know anything about the subject ... and not even wanted to bother becoming more

profound and connected to myself. I actually did not wanted to start a new relationship either with someone else ... either with myself. I knew i needed something else into my life... but did not understood the new path i need to follow. And i continued ... searching. On and on and on. One day ... a year ago ... while having a fire at one of my properties ... a heart appeared on the roof of the building. Everyone saw the heart ... except myself. Later on ... i saw it in the pictures taken by the people that were there at the time. Again I thought that i should find a new mistress and have a parallel life again ... without my wife to find out. But ... i was wrong. So ... damn wrong. Time passed and ... and the russian-ukrainian war began ... and i started to host lots of refugees. There were people that needed unconditional love and support ... and i somehow connected to the all of them ... realizing that i can be in a weird love story with all those women coming from Ukraine.

They were ladies of different age and personality ... but i loved having them into my life. I somehow started to understand that even if i thought that being in love can have only 2 options ... loving a soulmate or yourself ... i finally saw a totally new path ... and that was being in a lovely relationship ... practicing another type of love with anyone was appearing in my reality. That of course ... could not offend in any way my wife ... and also could not affect the marriage i had ... but ... Yes It was ... an amazing trick ... and i just loved it. I finally understood what Dalai Lama or Pope Francis were saying ... about ... unconditional love for all the people from this world. Reading their books ... i even had moments when i thought the 2 of them were idiots but i was the idiot one. My marriage ... was indeed karmic ... having nothing to do with love ... but my youngest son learnt me the meaning of ... dharma. My mistress ... which even if i loved so, so much ... but don't even want to hear her

name again ... taught me ... what love ... means. She was somehow a combination between karma and love ... and saw her at the end of our love story more as a teacher than a soulmate. Most probably i have totally different values as those 2 shrews ... my wife and my mistress ... but i am happy i met the ukrainian ladies. The abstract love story i started with them all of them ... no matter of age, personality, perspectives of life ... was a much better path for continuing my life journey. I finally understood that if i would know to connect to the people that appear on the timeline of my life ... and love them unconditionally.... somehow that love that i was chasing so, so much ... since i was a kid ... will come back to me in infinite quantities. I was looking for love ... and i had to see the meaning of love story ... from a totally different perspective. But ... now everything was clear to me. I knew what i had to do ... and which path to follow. My expectation was as my wife to

love me but she was a karmic character that i could not replace ... or my mistresses to love me unconditionally.... but she was the teacher that made me realize what the concept of love ... means. My life journey ... had to continue ... and the ukrainian ladies showed me such a beautiful perspective ... i never thought about. I was glad ... of this awakening moment. So ... loving you?! ... loving me?! ... or ... simple loving any soul that appears in our lives?! Well ... maybe from my position where i am now ... being in a love story with everyone ... is probably the best scenario i could live. Am glad i see things today ... as that. Might be your perception ... or not. Might sound as a total nonsense all what i am writing but maybe it will be much interesting to hear weird ideas ... than the boring ones. So ... let the journey begin ... and we will see if i succeed to really connect to my real self ... so ... that i can find the inspiration to express myself clear enough ... that in the end you will try at

least one time ... this kind of abstract love story ... being in love with all the people from your life.

Do you use Whatsapp, Facebook and so on? If yes, this is for YOU. After stumbling on stones and being blocked by ladies on social media some year back because of his boring chatting skills and dating life, he went into studying women in real life and everything about dating and relationship for approximately 10 years. While in school, at Oxford, he was a typical nice guy and despite having a distinction in his first year in school, his source of joy was knowing he had learned how women work and not having good grades. They say the best ideas are in the graveyard, but he doesn't want his to be there. He has decided to share them with you. The Bible, Quran or Encyclopedia of Chatting called CHATDICTED. "iLegend, you really have deep insights on these matters. Without even trying, I perceive [that]

virtually all your techniques would work, or at least, 90%. Good work man." - Benega "iLegend, this your love tactics are really working like magic. Are you a magician?" - Legitman "iLegend baba, I doff my hat damn!" - Walker Michael "iLegend, it's working like tramadol." - Alfred "Boss, I'm enjoying it...ride on, brother. All these tricks work." - Cash Naira "iLegend's tips are very effective. Thumb up, iLegend." - Philoz "iLegend, you're truly a legend, brother. I love your tips and they work like magic. I use them a lot and they work wonders for me. It's always fun learning new tips from the masters like you." - David Izuchukwu "iLegend, I like the write up and I value it." - Otee Baba "iLegend, I've spent at least 6 hours reading and digesting your article and solutions to the asked questions, and I must say, I'm really IMPRESSED." - Undisputed Bosom "Oga iLegend my boss, well done. I'm following you like followers. Your skills are tested and trusted." - Future Viz "I'm

marveled at the testimonies guys dropped at your altar. Thumbs up, brother. Do not get tired fixing it for them." - Classichsy "Brother, I must confess [that] you are very good. I'm a keen observer and a silent follower." - Meshi "My brother, you have really inspired me. Before, I was scared of girls but now, things have changed since I started following your posts last month. Nice one and please don't deactivate your account." - Stephen Morris "Oga, you should be making money with a lecture like this!" - Ikeena Blue Her: Send me your picture. The hot and naughty ones. You: You'll like my grandfather's ancestor's picture more. You: They're yummy! Hot dudes! I'm sending it. Her: Lol. You're so damn crazy. I swear. You: I'm a native doctor. Come swear in my shrine-room. Despite all the astonishing results guys got using the hundreds of tips in this jaw-dropping ChatDicted book, a lady disagreed with iLegend. She logged into the forum and said something which got him upset. Before he

realized it, he had already replied with something raw, explicit and offensive. He was teaching when she interrupted. That was where his anger came from, but he's better than being angry. Maybe, she was hitting on him, and I guess, he wasn't in the mood for such. Her name has been removed for privacy, but this is what she wrote: Her: I derive joy disappointing people like iLegend. What she meant was: the chatting tips won't work on her or won't work on women and his anger (though, feigned angry reply), is somewhere inside this book. As you

progress, you'll find his reply to her. "This sh!t is insane...works like magic." - Aarewa Mafia "I have started brainwashing people's daughters with these lines. Damn sweet!" - Vick Odedon Please, Vick Odedon, I know the techniques are diabolically powerful, but don't use it in brainwashing people's daughters. THIS BOOK WILL CHANGE YOUR LIFE TODAY AND NOTHING CAN STOP IT. WHAT IS CONTAINED HERE WORKS LIKE MAGIC. THEY WORK LIKE CHARMS. THEY JUST DON'T WORK IN CHATTING ALONE, BUT IN REAL LIFE TOO. YOU'RE IN FOR A DRILL OF LIFE.
